Studying the British Crime Film Paul Elliott, 2014-10-01 Ever since its inception British cinema has been obsessed with crime and the criminal One of the first narrative films to be produced in Britain the Hepworth's 1905 short *Rescued by Rover* was a fast paced quick edited tale of abduction and kidnap and the first British sound film Alfred Hitchcock's *Blackmail* 1930 centered on murder and criminal guilt For a genre seemingly so important to the British cinematic character there is little direct theoretical or historical work focused on it The Britain of British cinema is often written about in terms of national history ethnic diversity or cultural tradition yet very rarely in terms of its criminal tendencies and dark underbelly This volume assumes that to know how British cinema truly works it is necessary to pull back
