Sojourners in the Land of Promise Charles R. Wilson,1981 **Sojourner in the Promised Land** Jan Shipps,2024-04-22

Infused with Jan Shipps s lively curiosity scholarly rigor and contagious fascination with a significant subculture Sojourner in the Promised Land presents a distinctive parallel history in which Shipps surrounds her professional writings about the Latter day Saints with an ongoing personal description of her encounters with them By combining a portrait of the dynamic evolution of contemporary Mormonism with absorbing intellectual autobiography Shipps illuminates the Mormons and at the same time shares with the reader what it has been like to be on the outside of a culture that remains both familiar and strange

God's Word Alone---The Authority of Scripture Matthew Barrett,2016-09-20 Scholar and pastor Matthew Barrett retraces the historical and biblical roots of the doctrine that Scripture alone is the final and decisive authority for God s people God s Word Alone is a decisive defense of the Bible as the inspired and inerrant Word of God Revitalizing one of the five great declarations of the Reformation sola Scriptura Barrett Analyzes what the idea of sola Scriptura is and what it entails clarifying why the doctrine is truth and why it s so essential to Christianity Surveys the development of this theme in the Reformation and traces the crisis that followed resulting in a shift away from the authority of Scripture Shows that we need to recover a robust doctrine of Scripture s authority in the face of today s challenges and why a solid doctrinal foundation built on God s Word is the best hope for the future of the church This book is an exploration of the past in order to better understand our present and the importance of reviving this indispensable doctrine for the Christian faith and church today THE FIVE SOLAS Historians and theologians have long recognized that at the heart of the sixteenth century Protestant Reformation were five declarations often referred to as the solas These five statements summarize much of what the Reformation was about and they distinguish Protestantism from other expressions of the Christian faith that they place ultimate and final authority in the Scriptures acknowledge the work of Christ alone as sufficient for redemption recognize that salvation is by grace alone through faith alone and seek to do all things for God s glory The Five Solas Series is more than a simple rehashing of these statements but instead expounds upon the biblical reasoning behind them leading to a more profound theological vision of our lives and callings as Christians and churches

A Christian Theology of Place John Inge,2017-03-02 The place in which we stand is often taken for granted and ignored in our increasingly mobile society Differentiating between place and space this book argues that place has very much more influence upon human experience than is generally recognised and that this lack of recognition and all that results from it are dehumanising John Inge presents a rediscovery of the importance of place drawing on the resources of the Bible and the Christian tradition to demonstrate how Christian theology should take place seriously A renewed understanding of the importance of place from a theological perspective has much to offer in working against the dehumanising effects of the loss of place Community and places each build the identity of the other this book offers important insights in a world in which the effects of globalisation continue to
