

SOJOURNERS in the WILDERNESS

The Christian Right
in Comparative
Perspective

A silhouette of a church steeple with a cross on top, situated on a hill. To the left of the steeple, there is a single tree and a fence line running along the slope of the hill. The background is a clear blue sky.

Sojourners In The Wilderness The Christian Right In Comparative Perspective

Sabine Zange

Sojourners In The Wilderness The Christian Right In Comparative Perspective:

Sojourners in the Wilderness Corwin E. Smidt, James M. Penning, 1997 While the Christian Right has been the subject of a good deal of scholarly analysis it has not been adequately studied within a comparative context across time across different institutional systems or across different religious communities In Sojourners in the Wilderness a host of distinguished scholars examine these dimensions of the Christian Right The contributors analyze the Christian Right historically what is its relationship today with earlier manifestations How have its organizational structures and strategies changed over time Sociologically what are the current opportunities for Christian Right inroads within African American Catholic and Jewish communities and politically what accounts for the affinity between many evangelical Protestants and the Christian Right within the American political context while such an affinity appears to be lacking in other political contexts All of those interested in religion's role in politics and history will find this book valuable

The Democratic Virtues of the Christian Right Jon A. Shields, 2009-02-02 The Christian Right is frequently accused of threatening democratic values But in The Democratic Virtues of the Christian Right Jon Shields argues that religious conservatives have in fact dramatically increased and improved democratic participation and that they are far more civil and reasonable than is commonly believed Shields interviewed leaders of more than thirty Christian Right organizations observed movement activists in six American cities and analyzed a wide variety of survey data and movement media His conclusions are surprising the Christian Right has reinvigorated American politics and fulfilled New Left ideals by mobilizing a previously alienated group and by refocusing politics on the contentious ideological and moral questions that motivate citizens Shields also finds that largely for pragmatic reasons the vast majority of Christian Right leaders encourage their followers to embrace deliberative norms in the public square including civility and secular reasoning At the same time Shields highlights a tension between participatory and deliberative ideals since Christian Right leaders also nurture moral passions prejudices and dogmas to propel their movement Nonetheless the Christian Right's other democratic virtues help contain civic extremism sharpen the thinking of activists and raise the level and tenor of political debate for all Americans

The Christian Right in American Politics John C. Green, Mark J. Rozell, Clyde Wilcox, 2003-05-06 From the first rumblings of the Moral Majority over twenty years ago the Christian Right has been marshalling its forces and maneuvering its troops in an effort to re shape the landscape of American politics It has fascinated social scientists and journalists as the first right wing social movement in postwar America to achieve significant political and popular support and it has repeatedly defied those who would step up to write its obituary In 2000 while many touted the demise of the Christian Coalition the broader undercurrents of the movement were instrumental in helping George W Bush win the GOP nomination and the White House Bush repaid that swell of support by choosing Senator John Ashcroft once the movement's favored presidential candidate as attorney general The Christian Right in American Politics under the direction of three of the nation's leading scholars in the field of religion and politics

recognizing the movement as a force still to be reckoned with undertakes the important task of making an historical analysis of the Christian Right in state politics during its heyday 1980 to the millennium Its twelve chapters written by outstanding scholars review the impact and influence of the Christian Right in those states where it has had its most significant presence South Carolina Virginia Texas Florida Michigan Iowa Kansas Minnesota Colorado California Maine and Oregon and Washington Since 1980 scholars have learned a good deal about the social characteristics religious doctrine and political beliefs of activists in and supporters of the Christian Right in these states and each contribution is based on rigorous dispassionate scholarship The writers explore the gains and losses of the movement as it attempts to re shape political landscapes More precisely they provide in depth descriptions of the resources organizations and the group ecologies in which the Christian Right operates the distinct elements that drove the movement forward As the editors state the Christian Right has been engaged in a long and torturous march toward the millennium from outsider status into the thick of American politics Those formative years 1980 2000 are essential for any understanding of this uniquely American social movement This rigorous analysis over many states and many elections provides the clearest picture yet of the goals tactics and hopes of the Christian Right in America

The Christian Right, the Far Right and the Boundaries of American Conservatism

Martin Durham,2000 Mothers and meaning on the early modern English stage is a study of the dramatised mother figure in English drama from the mid sixteenth to the early seventeenth centuries It explores a range of genres moralities histories romantic comedies city comedies domestic tragedies high tragedies romances and melodrama and includes close readings of plays by such diverse dramatists as Udall Bale Phillip Legge Kyd Marlowe Peele Shakespeare Middleton Dekker and Webster The study is enriched by reference to religious political and literary discourses of the period from Reformation and counter Reformation polemic to midwifery manuals and Mother s Legacies the political rhetoric of Mary I Elizabeth I and James VI reported gallows confessions of mother convicts and Puritan conduct books It thus offers scholars of literature drama art and history a unique opportunity to consider the literary visual and rhetorical representation of motherhood in the context of a discussion of familiar and less familiar dramatic texts

The Politics of Evangelical Identity Lydia Bean,2016-12-13 Drawing on her groundbreaking research at evangelical churches near the U S border with Canada two in Buffalo New York and two in Hamilton Ontario Lydia Bean compares how American and Canadian evangelicals talk about politics incongregational settings

Beyond the Global Culture War Adam K. Webb,2013-08-21 Presenting a cross cultural critique of global liberalism this book argues for a broad based challenge that can meet it on its own scale It probes many of the key challenges we face in the new millennium and is a useful read for students of politics and globalization

Religion and Politics in the United States Kenneth D. Wald,Allison Calhoun-Brown,2014-03-04 From marriage equality to gun control to immigration reform and the threat of war religion plays a fascinating and crucial part in our nation s political process and in our culture at large Now in its seventh edition Religion and Politics in the United States includes analyses of the nation s most pressing

political matters regarding religious freedom and the ways in which that essential constitutional freedom situates itself within modern America The book also explores the ways that religion has affected the orientation of partisan politics in the United States Through a detailed review of the political attitudes and behaviors of major religious and minority faith traditions the book establishes that religion continues to be a major part of the American cultural and political milieu while explaining that it must interact with many other factors to influence political outcomes in the United States

Globalizing Family Values Doris Buss, 2003 With little fanfare and profound effect family values have gone global and the influence of the Christian Right is increasingly felt internationally This is the first comprehensive study of the Christian Right's global reach and its impact on international law and politics Doris Buss and Didi Herman explore tensions contradictions victories and defeats for the Christian Right's global project particularly in the United Nations The authors consult Christian Right materials from pamphlets to novels conduct interviews with people in the movement and provide a firsthand account of the World Congress of Families II in 1999 a key event in formulating Christian Right global policy and strategy The result is a detailed look at a new global player its campaigns against women's rights population policy and gay and lesbian rights its efforts to build an alliance of orthodox faiths with non Christians and the tensions and strains as it seeks to negotiate a role for conservative Christianity in a changing global order

Piety, Politics, and Pluralism Mary C. Segers, 2002-03-20 Piety Politics and Pluralism skillfully confronts the question Is liberal democracy hostile to religion or is it compatible with the rights of believers Prominent scholars analyze the controversy about religious freedom by examining two areas at the intersection of religion and politics in contemporary American society the Supreme Court's 1990 decision in *Oregon v Smith* and the events of the 2000 presidential campaign Their essays remind us that in an increasingly pluralistic society Americans must work continually to reconcile religious commitment and political obligation Piety Politics and Pluralism is a groundbreaking work that will be indispensable to students of religion and politics American politics and constitutional law

Political and Religious Identities of British Evangelicals Andrea C. Hatcher, 2017-07-19 This book examines the paradoxical relationship between the religious and political behaviors of American and British Evangelicals who exhibit nearly identical religious canon and practice but sharply divergent political beliefs and action Relying on interviews with British religious and political elites journalists MPs activists clergy as well as focus groups in ten Evangelical congregations this study reveals that British Evangelicals unlike their American counterparts known for their extensive involvement in party politics have no discernible ideological or partisan orientation choosing to pursue their political interests through civic or social organizations rather than electoral influence It goes further to show that many British Evangelicals shun the label itself for its negative political connotations and in out group sensibility and choose to focus on a broader social justice imperative rendered almost incoherent by a lack of group identity Placing itself at the forefront of an incipient but growing segment of comparative research into the intersectionality of religion and politics the work satisfies a lacuna of how the same

religious tradition can act differently in public squares contextualized by political and cultural variables *Faith, Politics, and Sexual Diversity in Canada and the United States* David Rayside, 2011-04-01 For decades agitation by lesbians gays and other sexual minorities for political recognition has provoked a heated response among religious activists in both Canada and the United States In this remarkable comparative study expert authors explore the tenacity of anti gay sentiment as well as the dramatic shifts in public attitudes towards queer groups across all faith communities in both the United States and Canada They conclude that despite the ongoing conflict religious adherence does not invariably entail opposition to the political acknowledgment of queer rights

Minorities and Reconstructive Coalitions Willie Gin, 2017-07-06 Through comparative and historical analysis the book shows that reconstructive coalitions such as labor and pan Christian moral movements affect minority incorporation and bring Catholics and Protestants together under new identities and significantly improving Catholic standing It provides overviews of the history of Catholics in Australia Canada and the United States while at the same time advancing unique arguments about the impact of coalitions on minority politics

Religious Interests in Community Conflict Paul A. Djupe, Laura R. Olson, 2007 This volume investigates some of the most visible issues in American politics today including gay marriage and race along with ongoing concerns that often fly below the radar of the mass media such as healthcare and homelessness The book uncovers and explores the political motivations effectiveness and interplay of organized religious interests as they confront public problems in their local communities

Godless Democrats and Pious Republicans? Ryan L. Claassen, 2015-06-15 This book argues that basic demographic forces are essential to understanding the rise of Evangelical Republicans and Secular Democrats

Evangelicals and Israel Stephen Spector, 2009 Most observers explain evangelical Christians bedrock support for Israel as stemming from the apocalyptic belief that the Jews must return to the Holy Land as a precondition for the second coming of Christ But the real reasons argues Stephen Spector are far more complicated In *Evangelicals and Israel* Spector delves deeply into the Christian Zionist movement mining information from original interviews web sites publications news reports survey research worship services and interfaith conferences to provide a surprising look at the sources of evangelical support for Israel Israel is God's prophetic clock for many evangelicals irrefutable proof that prophecy is true and coming to pass in our lifetime But Spector goes beyond end times theology to find a complex set of motivations behind Israel evangelical relations These include the promise of God's blessing for those who bless the Jews gratitude to Jews for establishing the foundations of Christianity remorse for the Church's past anti-Semitism fear that God will judge the nations based on how they treated the Jewish people and reliance on Israel as the West's firewall against Islamist terrorism Spector explores many Christian Zionists hostility toward Islam but also uncovers an unexpected pragmatism and flexibility concerning Israel's possession of the entire Holy Land For evangelicals politics frequently mixes with faith Yet Spector argues that evangelical beliefs though often portrayed as unifying and rigid are in reality various and even contradictory Spector uses George W Bush's beliefs about the Bible as a

sounding board for these issues and explores the evangelical influence on his Middle East policies Evangelicals and Israel corrects much of the speculation about Bush's personal faith and about evangelicalism's impact on American Middle East relations and provides the fullest and most nuanced account to date of the motives and theology behind Christian Zionism

Christian Clergy in American Politics Sue E. S. Crawford, Laura R. Olson, 2003-05-06 In recent decades Christian clergy have ever more frequently had to decide whether to become involved in politics When they do become involved their influence can be substantial In this book Sue E S Crawford Laura R Olson and their coauthors explore the political choices clergy make and the consequences of these choices Drawing on personal interviews and statistical data to place the actions of clergy in both their religious and secular contexts the authors study mainline and evangelical Protestant Catholic and Mennonite communities They examine the role of white African American and female religious leaders And they address issues of local development city government and national and international politics Contributors Christi J Braun Boston University School of Law Timothy A Byrnes Colgate University James C Cavendish University of South Florida Sue E S Crawford Creighton University Katie Day Lutheran Theological Seminary at Philadelphia Melissa M Deckman Washington College Paul A Djupe Denison University Joel S Fetzer Central Michigan University James L Guth Furman University Ted G Jelen University of Nevada Las Vegas Laura R Olson Clemson University James M Penning Calvin College Mary R Sawyer Iowa State University Corwin E Smidt Calvin College

Evangelicals and the Continental Divide Sam Reimer, 2003 In *Evangelicals and the Continental Divide* Sam Reimer finds surprising levels of uniformity among evangelicals on both sides of the border He shows that both American and Canadian evangelicals share highly similar religious identities central beliefs moral and sub cultural boundaries and social attitudes Reimer found that American evangelicals did not distinguish themselves through greater conservatism or greater commitment but did connect politics and faith to a much greater extent than their Canadian counterparts while evangelicals in Canada evinced greater tolerance He argues that these differences point to an enduring importance of national historical and cultural differences whereas regional differences are not as significant Using data obtained from 118 in depth interviews with evangelicals in both countries as well as a representative poll of 3 000 Canadians and 3 000 Americans Reimer details the inner workings of the evangelical subculture and gives us an understanding of evangelical similarities and differences across the two nations

The Foundations of American Jewish Liberalism Kenneth D. Wald, 2019-01-17 American Jews have built a political culture based on the principle of equal citizenship in a secular state This durable worldview has guided their political behavior from the founding to the present day In *The Foundations of American Jewish Liberalism* Kenneth D Wald traces the development of this culture by examining the controversies and threats that stimulated political participation by American Jews Wald shows that the American political environment permeated by classic liberal values produced a Jewish community that differs politically from non Jews who resemble Jews socially and from Jewish communities abroad Drawing on survey data and extensive archival research the

book examines the ups and downs of Jewish attachment to liberalism and the Democratic Party and the tensions between two distinct strains of liberalism Religious Tourism Tzung-Cheng (TC) Huan,Anestis K. Fotiadis,Nikolaos (Niko)

Stylos,2024-12-16 This book traces the evolving landscape of religious travel ranging from the responses of the tourism industry to Muslim travellers to the emergence of halal tourism trends Part I of the book examines the dynamics between religion and tourism including the commodification of heritage and the symbiotic relationship between religion and economics Part II delves into emerging trends and contemporary challenges such as the impact of COVID 19 on sacred journeys and the integration of virtual reality into religious tourism experiences The final part of the book explores diverse religious tourism experiences from Islamic tourism to Jewish pilgrimages providing a rich tapestry of insights into this fascinating aspect of travel Whether examining the commodification of religious heritage or delving into the motivations behind Sikh pilgrimage this volume provides a comprehensive overview of the industry dynamics emerging trends and contemporary issues shaping religious tourism today Engaging and enlightening Religious Tourism Industry Dynamics Emerging Trends and Contemporary Issues is essential reading for scholars practitioners and enthusiasts seeking a deeper understanding of this fascinating intersection of faith and travel The chapters in this book were originally published in

Tourism Recreation Research **Conservatism in Canada** James Farney,David Rayside,2013-12-11 With the electoral success of the Harper Conservatives federally and of a number of conservative parties provincially the topic of Canadian conservatism is more important to our understanding of Canadian party politics than ever before This timely volume presents the first comprehensive examination of Canadian conservatism in a generation a period during which its nature has changed substantially Conservatism in Canada explores the ideological character of contemporary Canadian conservatism its support in the electorate its impact on public policies such as immigration and foreign policy and its articulation at both federal and provincial levels The essays include comparisons with other countries including the United States the United Kingdom and Australia as well as specific examinations of conservatism in Ontario Alberta and Quebec Featuring contributions by both established and new scholars in the fields of political science and public policy this volume makes a significant contribution to our understanding of the changing nature of Canadian conservatism and its broader implications for the future of this country

Sojourners In The Wilderness The Christian Right In Comparative Perspective Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Sojourners In The Wilderness The Christian Right In Comparative Perspective PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making

research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Sojourners In The Wilderness The Christian Right In Comparative Perspective PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Sojourners In The Wilderness The Christian Right In Comparative Perspective free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Sojourners In The Wilderness The Christian Right In Comparative Perspective Books

1. Where can I buy Sojourners In The Wilderness The Christian Right In Comparative Perspective books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
