Sola Scriptura Problems And Principles In Preaching Historical Texts:

Sola Scriptura Sidney Greidanus, 2001-10-31 This book deals with a key question every pastor faces nearly every week in preparing sermons That question concerns the appropriate manner of treating the historical material of the Scriptures In the history of the Christian Church this material has often served as the basis for moral lessons or intellectual truths This study presents a careful analysis of the way in which this age old controversy surfaced in the revival of redemptive historical theology in the Reformed churches in Holland between the two world wars It also presents the basis for a fresh approach and is thus exceedingly helpful for both pastors and students

Sola Scriptura Sidney Greidanus, 1970 *Preaching Christ from the Old Testament* Sidney Greidanus, 1999-07-13 Arguing for the need both to preach Christ in every sermon and to preach regularly from the Old Testament Sidney Greidanus develops a christocentric method that will help preachers do both simultaneously Greidanus challenges Old Testament scholars to broaden their focus and to understand the Old Testament not only in its own historical context but also in the context of the New Testament Suggesting specific steps and providing concrete examples this volume provides a practical guide for preaching Christ from the Old Testament

The Modern Preacher and the Ancient Text Sidney Greidanus, 1989-01-19 A fusion of biblical hermeneutics and homiletics this thorough and well researched book offers a holistic contemporary approach to the interpretation and preaching of biblical texts using all the scholarly tools available and focusing especially on literary features Greidanus develops hermeneutical and homiletical principles and then applies them to four specific genres Hebrew narratives prophetic literature the Gospels and the Epistles

Introduction to Biblical Hermeneutics Walter C. Kaiser, Jr., Moisés Silva, 2009-08-19 Since its publication in 1994 An Introduction to Biblical Hermeneutics has become a standard text for a generation of students pastors and serious lay readers This second edition has been substantially updated and expanded allowing the authors to fine tune and enrich their discussions on fundamental interpretive topics In addition four new chapters have been included that address more recent controversial issues The role of biblical theology in interpretation How to deal with contemporary questions not directly addressed in the Bible The New Testament's use of the Old Testament The role of history in interpretation The book retains the unique aspect of being written by two scholars who hold differing viewpoints on many issues making for vibrant thought provoking dialogue What they do agree on however is the authority of Scripture the relevance of personal Bible study to life and why these things matter

The Drama of Preaching Eric B. Watkins, 2017-02-16 Preaching is dramatic Through it we hear the voice of the living God as he speaks to us both through the reading and the preaching of the word of God But where do the hearers of sermons fit into the drama This book suggests ways in which the drama metaphor may help to address age old questions about the centrality of the gospel and the place of the hearer in preaching As God in Christ is the central character in the biblical drama of redemption he also calls hearers to understand their role in creatively yet faithfully living according to the biblical script Thus no sermon is complete until God's redemptive work is powerfully

proclaimed and his people are instructed in how they too are participating in the Missio Dei In this work Hebrews 11 is employed as a means of showing how God not only reveals his redemptive work to his people but also through them As postmodernism sets the stage of contemporary preaching The Drama of Preaching interacts with some of the particular challenges preachers face in engaging postmodern listeners that they might not only be hearers but doers of the preached word Living Waters from Ancient Springs Jason P. Van Vliet, 2011-09-01 Publications by Cornelis Van Dam p 235 251

Correctly Handling the Word of Truth Mees te Velde, Gerhard H. Visscher, 2014-10-24 How should the Word of God be interpreted and applied today Does our modern culture affect how we read the Bible Can certain passages be interpreted in different contexts and in different ways all the while acknowledging that God speaks with a clear and consistent voice These are the enduring challenges of hermeneutics In this volume no less than sixteen Reformed scholars from four different countries join together to tackle the hard questions that often arise when we busy ourselves with the weighty responsibility of interpreting Holy Scripture As iron sharpens iron so also these Reformed scholars challenge each other and their readers to ask not only how hermeneutics can be done but ultimately how it should be done so that God's Word of Truth may be handled correctly 2 Tim 2 15

Judges Mark J. Boda, Mary Conway, 2022-12-06 Designed for the pastor and Bible teacher the Zondervan Exegetical Commentary on the Old Testament features today's top Old Testament scholars and brings together commentary features rarely gathered together in one volume With careful discourse analysis and interpretation of the Hebrew text the authors trace the flow of argument in each Old Testament book showing that how a biblical author says something is just as important as what they say Commentary on each passage follows a clear structure to help readers grasp the flow and meaning of the text The Main Idea of the Passage A one or two sentence summary of the key ideas the biblical author seeks to communicate Literary Context A brief discussion of the relationship of the specific text to the book as a whole and to its place within the broader argument Translation and Exegetical Outline Commentators provide their own translations of each text formatted to highlight its discourse structure and accompanied by a coherent outline that reflects the flow and argument of the text Structure and Literary Form An overview of the literary structure and rhetorical style adopted by the biblical author highlighting how these features contribute to the communication of the main idea of the passage Explanation of the Text A detailed commentary on the passage paying particular attention to how the biblical authors select and arrange their materials and how they work with words phrases and syntax to communicate their messages Canonical and Practical Significance The commentary on each unit will conclude by building bridges between the world of the biblical author and other biblical authors and with reflections on the contribution made by this unit to the development of broader issues in biblical theology particularly on how later Old Testament and New Testament authors have adapted and reused the motifs in question The discussion also includes brief reflections on the significance of the message of the passage for readers today

The Zondervan Exegetical Commentary on the Old Testament series is the go to resource for pastors and Bible teachers looking for deep but accessible study that equips them to connect the needs of Christians today with the biblical text

Using Illustrations to Preach with Power (Revised Edition) Bryan Chapell, 2001-04-04 If the apostle Paul had not punctuated his words with images of the armor of God or the racecourse would we so easily remember his instruction The march on Washington might have become nothing more than a ragged hike across a majestic mall if Martin Luther King Jr had not led us through a dream and onto a mountaintop Such is the power of illustrations They contain a hidden dynamic of living that captures our attention and furthers our understanding in a way that no other sermon tool can match Can they be overused and their purpose abused Yes and by many they are But to eliminate them completely would be unwise maintains Bryan Chapell Instead he responds to those concerns by reviewing the theory behind illustrations sharing why they are important and demonstrating how you can use them effectively in your biblical preaching This book clearly affirms that illustrations are integral to powerful preaching not because they entertain but because they expand and deepen applications in the lives of your listeners They infuse your words with life without comprising the message making the truth of the Word ring clearly in people's hearts long after your sermon is done

The Gospel Arc Jeff Hatton, 2021-04-13 We need more than ever to be spoken back to life again Our endless forms of self activation in the church and culture today have proven to do little more than exhaust us make us anxious and ultimately disappoint and depress us Despite our impressive effort preaching has not escaped this prison of self entanglement Snoozing in the pew is now the good ol days as more and more people report a pathological aversion to preaching Perhaps there is a common thread leaving Jesus behind Leaving Jesus behind is the broken pattern of every human heart even the preacher's The Gospel Arc preaching model seeks to take Jesus with you in preaching It is preaching that experiences Jesus with the Bible Practically the Gospel Arc helps biblical communicators discover and display the Textual Jesus from Genesis to Revelation thereby unleashing divine energies to wake up the snoozer and finally electrify the self activator Taking Jesus with you in preaching changes everything Even preachers Can these bones live God probes the preacher Suffering from the inability to maintain a ministry the preacher gives a lame non answer Preach to bones God startles the preacher As he does stranger things happen The bones live Ezek 37 1-14

Text Message Oliver D Crisp, Ian Stackhouse, 2014-09-25 Preaching has fallen on hard times with many questioning its relevance and even its validity as a New Testament practice This symposium of specially commissioned essays draws together an international team of thirteen scholars and pastors to address the importance of textual preaching in the history and life of the early church the historic church and the contemporary church Contributions include essays on Old Testament preaching preaching in Eastern Orthodoxy gender sensitive preaching and preaching in the theology of Jonathan Edwards Charles Spurgeon and Dietrich Bonhoeffer It also includes essays on a range of homiletical challenges that textual preaching raises for the contemporary preacher including genre preaching without notes inhabiting the text and preaching without

platitudes A final reflection by Dave Hansen on the state of textual preaching rounds out the collection The preaching of the gospel stands at the heart of Christian praxis These essays make a vital contribution to the recovery of the importance of preaching focused on the text of Scripture Written with an eye to the pastor and practitioner as well as those in the pews and in the classroom this is a book that is appealing to a wide range of readers
