Soldier Of Fortune The Blue Eyed Boy:

Blue-Eyed Child of Fortune Robert Gould Shaw, 2011-08-15 On the Boston Common stands one of the great Civil War memorials a magnificent bronze sculpture by Augustus Saint Gaudens It depicts the black soldiers of the Fifty fourth Massachusetts Infantry marching alongside their young white commander Colonel Robert Gould Shaw When the philosopher William James dedicated the memorial in May 1897 he stirred the assembled crowd with these words There they march warm blooded champions of a better day for man There on horseback among them in the very habit as he lived sits the blue eyed child of fortune In this book Shaw speaks for himself with equal eloquence through nearly two hundred letters he wrote to his family and friends during the Civil War The portrait that emerges is of a man more divided and complex though no less heroic than the Shaw depicted in the celebrated film *Glory* The pampered son of wealthy Boston abolitionists Shaw was no abolitionist himself but he was among the first patriots to respond to Lincoln's call for troops after the attack on Fort Sumter After Cedar Mountain and Antietam Shaw knew the carnage of war firsthand Describing nightfall on the Antietam battlefield he wrote the crickets chirped and the frogs croaked just as if nothing unusual had happened all day long and presently the stars came out bright and we lay down among the dead and slept soundly until daylight There were twenty dead bodies within a rod of me When Federal war aims shifted from an emphasis on restoring the Union to the higher goal of emancipation for four million slaves Shaw's mother pressured her son into accepting the command of the North's vanguard black regiment the Fifty fourth Massachusetts A paternalist who never fully reconciled his own prejudices about black inferiority Shaw assumed the command with great reluctance Yet as he trained his recruits in Readville Massachusetts during the early months of 1863 he came to respect their pluck and dedication There is not the least doubt he wrote his mother that we shall leave the state with as good a regiment as any that has marched Despite such expressions of confidence Shaw in fact continued to worry about how well his troops would perform under fire The ultimate test came in South Carolina in July 1863 when the Fifty fourth led a brave but ill fated charge on Fort Wagner at the approach to Charleston Harbor As Shaw waved his sword and urged his men forward an enemy bullet felled him on the fort's parapet A few hours later the Confederates dumped his body into a mass grave with the bodies of twenty of his men Although the assault was a failure from a military standpoint it proved the proposition to which Shaw had reluctantly dedicated himself when he took command of the Fifty fourth that black soldiers could indeed be fighting men By year's end sixty new black regiments were being organized A previous selection of Shaw's correspondence was privately published by his family in 1864 For this volume Russell Duncan has restored many passages omitted from the earlier edition and has provided detailed explanatory notes to the letters In addition he has written a lengthy biographical essay that places the young colonel and his regiment in historical context

Marine E SBS Doug Armstrong, 2015-12-20 As British sovereignty over Hong Kong entered its final years the prime concern of the colonial administration was to effect a smooth transition of power to China But for the Triads whose

ruthlessness ensured their supremacy in the colony's thriving underworld it was business as usual Every night crammed with contraband their powerboats continued to run the gauntlet of police and Royal Marine patrols For Sergeant Des Cooper of the Special Boat Squadron a trip to Hong Kong offered a chance to revisit places he had got to know many years earlier He jumped at the opportunity to accompany an anti smuggling patrol but during a search of a vessel he uncovered a cargo far less predictable than the electrical goods that were usually seized Suddenly the spectre of nuclear weapons falling into the hands of terrorists looked menacingly real Cooper and his highly trained team would risk their lives in their bid to crush a plot that threatened not only Hong Kong but the entire globe This is classic military fiction at its best **Marine K SBS** Jay Garnet,2016-02-25 Barents Sea 1942 After a German attack HMS Edinburgh sinks into the icy depths with over five tons of Russian gold aboard leaving boy seaman Mike Cox as one of the survivors Forty years later after a successful career in the Special Boat Squadron and then as a top commercial diver Cox is obsessed with the dream of raising the treasure from its watery grave His own plans thwarted he is blackmailed by a greedy American arms dealer into infiltrating an intergovernmental operation to salvage the gold Caught in a deadly trap his only hope may be the men of his old unit the legendary SBS This is classic military fiction at its best Marine L SBS Ian Blake,2016-02-25 In the aftermath of the Dunkirk evacuation in 1940 Roger Jumbo Pountney is ordered to form and train a small group of canoeists Taking as his paddler and second in command Lieutenant Philip Ayton of the Royal Marines they command a body of men known as No 1 Special Boat Section who are as ruthless and independent as any that fought in World War II They employ Folbot kayaks to get ashore from submarines to attack vital enemy targets in the Mediterranean and in these hazardous clandestine operations skill and stealth count just as much as bravery It is in the midst of these battles that the reputation of the legendary SBS would be forged Based on early SBS missions undertaken during World War II this is classic military fiction at its best **Marine G SBS** David Monnery,2016-01-20 South China Sea 1995 Pirates rule the waves and ships are disappearing in deadly ocean blackspots To combat these cut throats a SBS team is sent to Singapore to play a game of high stakes hide and seek across the tropical seas picking up a trail which leads them north towards Hong Kong Meanwhile as the Communist Chinese takeover looms for the British colony Inspector Rosalie Kai is investigating a barbaric cross border trade in unwanted female babies Soon both she and the SBS team find themselves in the underworld jungle up against a criminal organization that stretches from one end of the South China Sea to the other fighting rogue elements of the Indonesian Army corrupt policemen and the foot soldiers of the fearsome Triads This is classic military fiction at its best **The Late Child** Larry McMurtry,2010-06-01 An unforgettable addition to his widely acclaimed body of work The Late Child is Larry McMurtry's tender funny and poignant sequel to The Desert Rose McMurtry delivers another rich cast of characters and a heartfelt bittersweet story that unfolds on the open road in one woman's search for strength understanding and hope Harmony is the optimistic resilient Las Vegas ex showgirl who returns home one day to the news that her beloved daughter

nuclear weapons programme but suddenly he disappears without a trace Unwilling to risk a new war in the Gulf the West disregards him as a fraud but a key scientific advisor to the British government has other ideas When news of a hush hush project on a converted rig in the Caspian Sea breaks with reports of another disappearance this time of a nuclear missile expert the threads of an international plot are unravelled It soon becomes clear that there is only one group with the necessary skills to investigate Britain's legendary Special Boat Squadron Marine I SBS Escape from Azerbaijan finds the Squadron's finest in a corner of the old Soviet Union riven by war and lawlessness fighting for survival against the sadistic intelligence agents of Saddam's Mukhabarat and the heirs of the KGB This is classic military fiction at its best *Churchill Comes of Age* Hal Klepak, 2015-07-06 Churchill's 21st birthday and baptism of fire both took place in Cuba in 1895 This was the year he went on his first international adventure wrote his first military and political analyses and engaged in his first dicey diplomatic mission Finding his footing as a journalist and indeed a war correspondent he also became the centre of controversy in the American and British press and while shamelessly exploiting his connections and developing the famous Churchill style became known as a public figure in his own right Attention has previously focused on Churchill's Indian frontier and Boer War experience as the most formative moments in his youth But now with original research through untapped access to Spanish and Cuban archives and interviews this book shows that his much earlier Cuban trip was really the moment when he came of age and started down the path to become a man to be remembered throughout history **The Survey**, 1925 *In the Wake of War* Andrew F. Lang, 2017-12-18 The Civil War era marked the dawn of American wars of military occupation inaugurating a tradition that persisted through the late nineteenth and early twentieth centuries and that continues to the present In the Wake of War traces how volunteer and even professional soldiers found themselves tasked with the unprecedented project of wartime and peacetime military occupation initiating a national debate about the changing nature of American military practice that continued into Reconstruction In the Mexican American War and the Civil War citizen soldiers confronted the complicated challenges of invading occupying and subduing hostile peoples and nations Drawing on firsthand accounts from soldiers in United States occupation forces Andrew F Lang shows that many white volunteers equated their martial responsibilities with those of standing armies which were viewed as corrupting institutions hostile to the republican military ethos With the advent of emancipation came the enlistment of African American troops into Union armies facilitating an extraordinary change in how provisional soldiers interpreted military occupation Black soldiers many of whom had been formerly enslaved garrisoned regions defeated by Union armies and embraced occupation as a tool for destabilizing the South's long standing racial hierarchy Ultimately Lang argues traditional fears about the army's role in peacetime society grounded in suspicions of standing military forces and heated by a growing ambivalence about racial equality governed the trials of Reconstruction Focusing on how U S soldiers white and black volunteer and regular enacted and critiqued their unprecedented duties behind the lines during the Civil War era In the Wake of War reveals the dynamic

soldiers The Journal of Southern History During the Civil War the Union army appeared cohesive enough to withstand four years of grueling war against the Confederates and to claim victory in 1865 But fractiousness bubbled below the surface of the North's presumably united front Internal fissures were rife within the Union army class divisions regional antagonisms ideological differences and conflicting personalities all distracted the army from quelling the Southern rebellion In this highly original contribution to Civil War and gender history Lorien Foote reveals that these internal battles were fought against the backdrop of manhood Clashing ideals of manliness produced myriad conflicts as when educated refined and wealthy officers gentlemen found themselves commanding a hard drinking group of fighters roughs a dynamic that often resulted in violence and even death Based on extensive research into previously ignored primary sources *The Gentlemen and the Roughs* uncovers holes in our understanding of the men who fought the Civil War and the society that produced them Finalist for the 2011 Gilder Lehrman Lincoln Prize
