Soldier Of Fortune The Of Professional Adventurers:

Soldier of Fortune ,1975 **Soldier of Fortune** ,1986 **Soldier of Fortune** Robert L. Pigeon,Kenneth S. Gallagher,Edward Wimble,1986 The story of mercenary soldiers and professional adventurers their weapons tactics and equipment Combat Death in Contemporary American Culture Agnieszka Soltysik Monnet,2020-12-16 Combat Death in Contemporary American Culture Popular Cultural Conceptions of War since World War II explores how war has been portrayed in the United States since World War II with a particular focus on an emotionally charged but rarely scrutinized topic combat death Agnieszka Soltysik Monnet argues that most stories about war use three main building blocks melodrama adventure and horror Monnet examines how melodrama and adventure have helped make war seem acceptable to the American public by portraying combat death as a meaningful sacrifice and by making military killing look necessary and often even pleasurable Horror no longer serves its traditional purpose of making the bloody realities of war repulsive but has instead been repurposed in recent years to intensify the positivity of melodrama and adventure Thus this book offers a fascinating diagnosis of how war stories perform ideological and emotional work and why they have such a powerful grip on the American imagination **Revolutionaries for the Right** Kyle Burke,2018-04-13 Freedom fighters Guerrilla warriors Soldiers of fortune The many civil wars and rebellions against communist governments drew heavily from this cast of characters Yet from Nicaragua to Afghanistan Vietnam to Angola Cuba to the Congo the connections between these anticommunist groups have remained hazy and their coordination obscure Yet as Kyle Burke reveals these conflicts were the product of a rising movement that sought paramilitary action against communism worldwide Tacking between the United States and many other countries Burke offers an international history not only of the paramilitaries who started and waged small wars in the second half of the twentieth century but of conservatism in the Cold War era From the start of the Cold War Burke shows leading U S conservatives and their allies abroad dreamed of an international anticommunist revolution They pinned their hopes to armed men freedom fighters who could unravel communist states from within And so they fashioned a global network of activists and state officials guerrillas and mercenaries ex spies and ex soldiers to sponsor paramilitary campaigns in Asia Africa and Latin America Blurring the line between state sanctioned and vigilante violence this armed crusade helped radicalize right wing groups in the United States while also generating new forms of privatized warfare abroad **Millennium, Messiahs, and Mayhem** Thomas Robbins,Susan J. Palmer,2013-10-28 As we approach the Millennium apocalyptic expectations are rising in North America and throughout the world Beyond the symbolic aura of the millennium this excitation is fed by currents of unsettling social and cultural change The millennial myth ingrained in American culture is continually generating new movements which draw upon the myth and also reshape and reconstruct it Millennium Messiahs and Mayhem examines many types of apocalypticism such as economic racist environmental feminist as well as those erupting from established churches Many of these movements are volatile and potentially explosive

Millennium Messiahs and Mayhem brings together scholars of apocalyptic and millennial groups to explore aspects of the contemporary apocalyptic fervor in all original contributions Opening with a discussion of various theories of apocalypticism the editors then analyze how millennialist movements have gained ground in largely secular societal circles Section three discusses the links between apocalypticism and established churches while the final part of the book looks at examples of violence and confrontation from Waco to Solar Temple to the Aum Shinri Kyo subway disaster in Japan Contributors James Aho Dick Anthony Robert Balch Michael Barkun John Bozeman David Bromley Michael Cuneo John Dimitrovich John Hall Massimo Introvigne Philip Lamy Ronald Lawson Martha Lee Barbara Lynn Mahnke Vanessa Morrison Mark Mullins Ansun Shupe Susan Palmer Thomas Robbins Philip Schuyler and Catherine Wessinger *Adventure Capitalism* Raymond Craib, 2022-07-05 Imagine a capitalist paradise An island utopia governed solely by the rules of the market and inspired by the fictions of Ayn Rand and Robinson Crusoe Sound far fetched It may not be The past half century is littered with the remains of such experiments in what Raymond Craib calls libertarian exit Often dismissed as little more than the dreams of crazy rich Caucasians exit strategies have been tried out from the southwest Pacific to the Caribbean from the North Sea to the high seas often with dire consequences for local inhabitants Based on research in archives in the US the UK and Vanuatu as well as in FBI files acquired through the Freedom of Information Act Craib explores in careful detail the ideology and practice of libertarian exit and its place in the histories of contemporary capitalism decolonization empire and oceans and islands *Adventure Capitalism* is a global history that intersects with an array of figures Fidel Castro and the Koch brothers American segregationists and Melanesian socialists Honolulu based real estate speculators and British Special Branch spies soldiers of fortune and English lords Orange County engineers and Tongan navigators CIA operatives and CBS news executives and a new breed of techno utopians and an old guard of Honduran coup leaders This is not only a history of our time but given the new iterations of privatized exit seasteading free private cities and space colonization it is also a history of our future *Pulp Vietnam* Gregory A. Daddis, 2020-10-22 Explores how Cold War men's magazines idealized warrior heroes and sexual conquerors and normalized conceptions of martial masculinity **Adventures of an African Slaver** Theodore Canot, Brantz Mayer, 1928 Jack Katz David Polizzi, 2020-06-24 This book is a timely re introduction to the work and life of one of criminology's more respected theorists Jack Katz to the next generation of thinkers in this field For nearly 40 years his work has offered an alternative philosophical perspective to study crime and criminal behavior that is not defined by quantitative method or approach
