Soldiers of the Waffen-SS Marc Rikmenspoel,1999 Photos and documents Voices of the Scandinavian Waffen-SS Jonathan Trigg,2018-07-15 After what happened to Finland we had to fight communism It was a terrible threat The interviews and images gathered by Jonathan Trigg are vital historical documents **From the Realm of a Dying Sun** Douglas E. Nash,2021-02-11 An excellent and thought provoking chronicle of the IV SS Panzerkorps in Hungary and Austria in the last months of World War II with maps Globe at War In the closing months of World War II with Budapest s fall on February 12 1945 and the breakout attempt by the IX SS Gebirgskorps having failed the only thing the IV SS Panzerkorps could do was fall back to a more defensible line and fortify the key city of Stuhlweissenburg Exhausted after three relief attempts in January 1945 and outnumbered by the ever increasing power of Marshal Tolbukhin s Third Ukrainian Front SS Obergruppenf hrer Gille s veterans dug in for a lengthy period of defensive warfare However Adolf Hitler had not forgotten about the Hungarian theater of operations nor the country s rich oilfields and was sending help To the detriment of the defense of Berlin SS Oberstgruppenf hrer Sepp Dietrich s legendary 6 Panzerarmee was on its way not to retake Budapest but to encircle and destroy Tolbukhin s forces and completely reverse the situation in southeastern Europe in Hitler s favor This overly ambitious offensive known as Fr hlingserwachen Spring Awakening was soon bogged down in the face of resolute Soviet defenses aided by the springtime thaw Heralded as Nazi Germany s last great offensive of World War II it resulted in great losses to Hitler s last armored reserve in exchange for only minor gains Though it played a supporting role during the battle the IV SS Panzerkorps was soon caught up in its aftermath after the Red Army launched its Vienna Operation that nearly swept the armies of Heeresgruppe S d from the battlefield Withdrawing into Austria Gille s battered corps attempted to bar the route into Germany while the Red Army bore down on Vienna Forced to endure relentless Soviet attacks as well as the caustic leadership of the 6 Armee commander General Hermann Balck the men of the IV SS Panzerkorps fought their way through Austria to reach the safety of the demarcation line where it finally surrendered to U S forces on May 9 1945 after nearly a year of relentless campaigning SS: Hitler's Foreign Divisions Chris Bishop,2012-07-16 The Waffen SS were the elite of Hitler s armies in World War II but the most fanatical were not even German This is a comprehensive examination of every foreign Waffen SS formation including infamous divisions such as Wiking and Prinz Eugen units such as the Kaminski Brigade and the British recruited Britisches Freikorps **Valhalla's Warriors** Terry Goldsworthy,2010-06 They were the soldiers sworn by an oath of loyalty to follow Hitler into a maelstrom of genocidal barbarity They were the elite of the German military in World War Two They were the Waffen SS On June 22 1941 before dawn German troops invaded Russia The Barbarossa campaign included some of the greatest episodes in military history it also allowed Hitler s ideological warriors the Waffen SS to give full vent to their ideological way of war It provided the killing ground in which some of the worst atrocities seen by humanity were committed In Valhalla s Warriors author Dr Terry Goldsworthy meticulously

chronicles what has become one of the most famous fighting elites in World War Two Discovering the truths behind the legend by drawing on hundreds of sources including first hand accounts of Waffen SS veterans and spanning five years of research Dr Goldsworthy leads the reader through the events that occurred on the Eastern Front both on the front lines and behind This book is an exploration of the Waffen SS and by necessity of evil The Waffen SS are commonly regarded as the elite of Germany s armed forces during World War II They gained much of this reputation whilst fighting on the Eastern Front in Russia Germany s war against the Soviet Union in World War II in particular the role of the Waffen SS forms much of the subject matter of this book The death and destruction during this conflict would result not just from military operations but also from the systematic killing and abuse that the Waffen SS directed against Jews Communists and ordinary citizens This book provides a clear concise history of the Waffen SS campaign of conquest and genocide in Russia by looking at the actions both on and behind the front lines By drawing on the best of military and Holocaust scholarship this book dispels the myths that have distorted the role of the Waffen SS in both the military operations themselves and the unthinkable crimes that were part of them The conventional wisdom that the Waffen SS in World War II fought a relatively clean fight unsullied by the atrocities committed by the Nazis is challenged and largely demolished Focusing on the Eastern Front the book contends that the Nazi vision of a racial ideological death struggle against Slavic hordes and their Jewish Bolshevik commissars resonated with soldiers of the Waffen SS steeped in traditional anti Semitic and racist dogmas In doing so this book clearly shows that the Waffen SS was an organisation that committed widespread atrocities and were truly soldiers of evil DR TERRY GOLDSWORTHY is a Detective Senior Sergeant with over 25 years policing experience in Australia He has served in general duties watchhouse and traffic branch before moving to the Criminal Investigation Branch in 1994 Dr Goldsworthy has completed a Bachelor of Commerce Bachelor of Laws Advanced Diploma of Investigative Practice and a Diploma of Policing As a result of his law studies Dr Goldsworthy was admitted to the bar in the Queensland and Federal Courts a barrister in 1999 Dr Goldsworthy then completed a Master of Criminology at Bond University He later completed his PhD focusing on the concept of evil and its relevance from a criminological and sociological viewpoint In particular Dr Goldsworthy looked at the link between evil and armed conflicts using the Waffen SS as a case study He has also contributed chapters to the tertiary textbooks Forensic Criminology and Serial Crime published by Academic Press He has also written a chapter to the general crime book Crime on My Mind published by New Holland Publishing

Jagdpanther vs SU-100 David R. Higgins, 2014-04-20 Featuring specially commissioned full colour artwork this engaging study casts new light on the background and details of this clash between two turretless tank destroyers as the two sides contested Hungary s vital oil resources in March 1945 As World War II in Europe reached its end armour development and doctrine had experienced several years of massively accelerated change especially within the crucible of the Eastern Front The German Jagdpanther and Soviet SU 100 both turretless tank destroyer designs based on a traditional turret tank chassis were the culminating

examples of how the progression of experience resources and time constraints produced vehicles that were well suited for roles of defence and offence respectively As this compact book details the Jagdpanther represented a well balanced solution and an excellent use of limited resources while the SU 100 was a natural progression of the SU 85 where numbers produced compensated for rudimentary construction poor crew comfort and limited optics [The Combat History of Schwere Panzer-Abteilung 507](#) Helmut Schneider,2003 [Sturmgeschütze Vor!](#) Franz Kurowski,1999 [Voices of the Waffen SS - The Assault Generation](#) Gerry Villani,2018-04-16 They called themselves Legionnaires of the Waffen SS the new European Army They came from all nations of Europe and they were wearing the same uniform to fight for the same cause fighting the strong Russian Armed Forces Almost one million of these young men fought next to the Wehrmacht during WWII It was during this era that the ideal of a united Europe was born There is no other period in history that has been documented like the 6 years that ranged from the invasion of Poland in 1939 to the capitulation in Berlin in 1945 They left their homes families and friends with their heart full of joy and pride They had to endure extreme weather from 40 to 50 while fighting on several fronts They were battle hardened because of this They became good soldiers because they knew how to survive in any situation These young men were prepared to give their lives for Germany and in their eyes for a better Europe **The Combat History of Schwere Panzer-Abteilung 503** Franz-Wilhelm Lochmann,Alfred Rubbel,Richard Freiherr von Rosen,2000 **The History of the Panzerkorps Grossdeutschland** Helmuth Spaeter,1992 Denne enhed spillede ogs en rolle ved attentatet p Hitler den 20 juli 1944 Panzerkorps Grossdeutschland fik navn efter de ovenn vnte stamenheder Korpset blev oprettet omkring rskiftet 1944 45 og foruden Panzergrenadier Division Grossdeutschland indgik tillige infanteridivisionerne Brandenburg og Kurmark i korpset **Combat History of Schwere Panzer-Abteilung 508** Kurt Hirlinger,2001 **The 10.
