Thousands of American service members are returning from their tours of duty with physical and or psychological disabilities Many if not most of these service members will need at least some assistance to adapt to their disabilities and learn how to reintegrate back into civilian life Also impacted will be the spouse friends employers family members counselors and community members of each veteran with a disability The veterans may not be aware of the ways in which their disabilities are impacting them nor knowledgeable about the resources available to help them cope In addition many such individuals feel isolated and reluctant to acknowledge their difficulties or ask for assistance The volume compiles and summarizes the information disabled veterans and those with whom they interact will be interested in knowing and using It describes how disabilities can impact an individual physically psychologically and spiritually It also provides a context of these disabilities to reassure the readers that they are not alone in the thoughts feelings and pain and that others have experienced the same problems and found solutions The work provides guidance on different forms of treatment that may help the veteran and includes a list of contact information for local VA centers peer to peer counseling services and other programs services and individuals available frequently for free for veterans and their families Brief biographies of disabled veterans and case studies of the ways they reintegrated back into civilian society provide support and perspective In addition to aiding veterans the book will serve as a useful reference source for librarians and other information providers Trick Soldier L. Ron Hubbard, 2013-05-17 Meet Lieutenant Flint hard edged and muscle bound radiating machismo a bull of a soldier In the opposite corner stands Captain Turner with his pencil mustache and tailored shirts he s a Trick Soldier smart crisply dressed and always at attention They re fire and ice oil and water Sean Penn and Michael J Fox in *Casualties of War* Ten years ago and a thousand miles away they attended boot camp together They didn t get along then and they don t get along now Reunited in the Haitian jungles in the midst of a fierce rebel uprising they confront the most dangerous enemy of all each

other It s time for heroes to rise and cowards to fall and in the case of Lieutenant Flint and Captain Turner bravery runs deep When brute strength confronts military honor the true measure of a man is not in his fists but in his heart A First Sergeant with the 20th United States Marine Corps Reserve Hubbard knew exactly what it meant to be a Marine As he wrote in 1935 Most of the fiction written about Marines is of an intensely dramatic type all do or die and Semper Fidelis But the reality he said was far different I ve known the Corps from Quantico to Peiping from the South Pacific to the West Indies and I ve never seen any flag waving The most refreshing part of the U S M C is that they get their orders and do the job and that s that It s that kind of unique and pointed insight that he brings to stories like Trick Soldier Also includes the military adventures He Walked to War in which Marine Sergeant E Z Go appears to take it easy but always gets the job done even if it s hard as nails or dangerous as hell in the end E Z does it and Machine Gun 21 000 the story of a soldier who loses a gun and faces a court martial but finds a way to save the day
