Dictionary of Midwestern Literature, Volume 1

Philip A. Greasley,2001-05-30 The Dictionary of Midwestern Literature Volume One surveys the lives and writings of nearly 400 Midwestern authors and identifies some of the most important criticism of their writings The Dictionary is based on the belief that the literature of any region simultaneously captures the experience and influences the worldview of its people reflecting as well as shaping the evolving sense of individual and collective identity meaning and values Volume One presents individual lives and literary orientations and offers a broad survey of the Midwestern experience as expressed by its many diverse peoples over time Philip A Greasley s introduction fills in background information and describes the philosophy focus methodology content and layout of entries as well as criteria for their inclusion An extended lead essay The Origins and Development of the Literature of the Midwest by David D Anderson provides a historical cultural and literary context in which the lives and writings of individual authors can be considered This volume is the first of an ambitious three volume series sponsored by the Society for the Study of Midwestern Literature and created by its members Volume Two will provide similar coverage of non author entries such as sites centers movements influences themes and genres Volume Three will be a literary history of the Midwest One goal of the series is to build understanding of the nature importance and influence of Midwestern writers and literature Another is to provide information on writers from the early years of the Midwestern experience as well as those now emerging who are typically absent from existing reference works *The Soldier's Truth* David Chrisinger,2023-05-30 Named a best book of 2023 by Booklist A beautiful reckoning with the life and work of the

legendary journalist Ernie Pyle who gave World War II a human face for millions of Americans even as he wrestled with his own demons At the height of his fame and influence during World War II Ernie Pyle s nationally syndicated dispatches from combat zones shaped America s understanding of what the war felt like to ordinary soldiers as no writer s work had before or has since From North Africa to Sicily from the beaches of Anzio to the beaches of Normandy and on to the war in the Pacific where he would meet his end Ernie Pyle had a genius for connecting with his beloved dogfaced grunts A humble man himself plagued by melancholy and tortured by marriage to a partner whose mental health struggles were much more acute than his own Pyle was in touch with suffering in a way that left an indelible mark on his readers While never defeatist his stories left no doubt as to the heavy weight of the burden soldiers carried He wrote about post traumatic stress long before that was a diagnosis In *The Soldier s Truth* acclaimed writer David Chrisinger brings Pyle s journey to vivid life in all its heroism and pathos Drawing on access to all of Pyle s personal correspondence his book captures every dramatic turn of Pyle s war with sensory immediacy and a powerful feel for both the outer and the inner landscape With a background in helping veterans and other survivors of trauma come to terms with their experiences through storytelling Chrisinger brings enormous reservoirs of empathy and insight to bear on Pyle s trials Woven in and out of his chronicle is the golden thread of his own travels across these same landscapes many of them still battle scarred searching for the landmarks Pyle wrote about A moving tribute to an ordinary American hero whose impact on the war is still too little understood and a powerful account of that war s impact and how it is remembered *The Soldier s Truth* takes its place among the essential contributions to our perception of war and how we make sense of it

Leonardo Da Vinci Barbara O'Connor,2003-01-01 A biography of the notable Italian Renaissance artist scientist and inventor

Growing Up in World War II, 1941-1945 Judith Pinkerton Josephson,2002-10-01 Recounts the experiences of a typical childhood during World War II including work play and educational activities and identifies the struggles felt with regard to the war

Literature Connections to American History K6 Lynda G. Adamson,1997-09-15 Identifying thousands of historical fiction novels biographies history trade books CD ROMs and videotapes this book helps you locate resources on American history for students Each book presents information in two sections In the first part titles are listed according to grade levels within eras and further organized according to product type The books cover American history from North America Before 1600 and The American Colonies 1600 1774 to The Mid Twentieth Century 1946 1975 and Since 1975 The second section has annotated bibliographies that describe each title and includes publication information and awards won The focus is on books published since 1990 and all have received at least one favorable review Some books with more illustration than text will be valuable for enticing slow or reticent readers An index helps users find resources by author title or biographical subject

The Last Men in the Last Battles of World War II Joe B. Keys,Ted R. Keys,2020-03-12 Welcome to a meeting with The Last Men in the Last Battles of World War II Travel with them as they scale enemy escarpments attack heavily armed caves and fly in cockpits against Kamikazes visit them on Pearl Harbor Guadalcanal

Peliliu Iwo Jima and Okinawa and learn why Admiral Nimitz said Among these men uncommon valor was a common virtue This book presents selected stories about thousands of Army Infantry Sailors Pilots and Marines who fought a brutal enemy Hear Chaplain Sydney Wood Cahusac say of those who did not return Immortality is not our gift to give but we can recall them as individuals as human beings as friends and not just as number The Keys through personal interviews with eleven of these men their sons or best friends have captured stories that present them as real persons with feelings about the war the enemy and their buddies wounded and dying nearby Read stories of how Sergeant Major Hank Clark led others to save New Zealand and how Mustang pilot Bill Stringer downed three enemy planes though badly wounded while sleeping in his cockpit Some Cam Home captures stories about the men s families jobs joys and problems after returning home

American Media and the Memory of World War II Debra Ramsay,2015-02-11 For three generations of Americans World War II has been a touchstone for the understanding of conflict and of America s role in global affairs But if World War II helped shape the perception of war for Americans American media in turn shape the understanding and memory of World War II Concentrating on key popular films television series and digital games from the last two decades this book explores the critical influence World War II continues to exert on a generation of Americans born over thirty years after the conflict ended It explains how the war was configured in the media of the wartime generation and how it came to be repurposed by their progeny the Baby Boomers In doing so it identifies the framework underpinning the mediation of World War II memory in the current generation s media and develops a model that provides insight into the strategies of representation that shape the American perspective of war in general

Journalists at Risk George Sullivan,2006-01-01 Covers reporters roles and risks during war time the issue of censorship and how their jobs have changed with each conflict since the Civil War

Brave Men Ernie Pyle,2023-05-30 The classic human scale account of the soldiers who fought in World War II by Pulitzer Prize winner Ernie Pyle America s most famous and most loved war correspondent featuring a new introduction by David Chrisinger the author of the new Ernie Pyle biography *The Soldier s Truth* A Penguin Classic When America entered World War II Ernie Pyle followed the soldiers into the trenches Long before television and the internet beamed combat footage directly to us his dispatches from the front lines augmented the coverage of the war s politics strategies and macro level mobilizations to give the American public what he called his worm s eye view of the day to day life of the war He captured as John Steinbeck described it in *Time* magazine the war of the homesick weary funny violent common men who wash their socks in their helmets complain about the food and bring themselves through as dirty a business as the world has ever seen and do it with humor and dignity and courage and that is Ernie Pyle s war A number one bestseller upon its publication in 1944 *Brave Men* remains unmatched in its clarity sympathy and grit as a portrait of America s boys who fought in Europe and lives on as a testament to the enduring value of embedded journalism in reporting the truth For more than seventy five years Penguin has been the leading publisher of classic literature in the English speaking world With more than 2 000 titles

Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators.

Epistolary Entanglements in Film, Media and the Visual Arts Teri Higgins, Catherine Fowler, 2025-10-01 This collection departs from the observation that online forms of communication the email blog text message tweet are actually haunted by old epistolary forms the letter and the diary. By examining the omnipresence of writing across a variety of media the collection adds the category of Epistolary Screens to genres of self expression both literary letters diaries auto biographies and screenic romance dramas intercultural cinema essay films artists videos and online media. The category Epistolary encapsulates an increasingly paradoxical relation between writing and the self first it describes selves that are written in graphic detail via letters diaries blogs texts emails and tweets second it acknowledges that absence complicates communication bringing people together in an entangled rather than ordered way. The collection concerns itself with the changing visual textual texture of screen media and examines what is at stake for our understanding of self expression when it takes Epistolary forms. The collection Auto graphic Screens Epistolary Entanglements in Film Media and Visual Culture Is the first to interrogate the presence of epistolary forms of writing on screen. It adds the new category of Auto graphic screens to genres of self expression and provides a broad perspective upon epistolary forms of writing on screen by studying romance dramas and intercultural cinema essay films artist s filmmaking and online media.

Ernie Pyles War James Tobin, 1999-01-15 When a machine gun bullet ended the life of war correspondent Ernie Pyle in the final days of World War II Americans mourned him in the same breath as they mourned Franklin Roosevelt. To millions the loss of this American folk hero seemed nearly as great as the loss of the wartime president. If the hidden horrors and valor of combat persist at all in the public mind it is because of those writers who watched it and recorded it in the faith that war is too important to be confined to the private memories of the warriors. Above all these writers Ernie Pyle towered as a giant. Through his words and his compassion Americans everywhere gleaned their understanding of what they came to call The Good War. Pyle walked a troubled path to fame. Though insecure and anxious he created a carefree and kindly public image in his popular prewar column all the while struggling with inner demons and a tortured marriage. War in fact offered Pyle an escape hatch from his own personal hell. It also offered him a subject precisely suited to his talent a shrewd understanding of human nature an unmatched eye for detail a profound capacity to identify with the suffering soldiers whom he adopted as his own and a plain yet poetic style reminiscent of Mark Twain and Will Rogers. These he brought to bear on the Battle of Britain and all the great American campaigns of the war North Africa Sicily Italy D Day and Normandy the liberation of Paris and finally Okinawa where he felt compelled to go because of his enormous public stature despite premonitions of death. In this immensely engrossing biography affectionate yet critical journalist and historian James Tobin does an Ernie Pyle job on Ernie Pyle evoking perfectly the life and labors of this strange frail bald little man.

whose love hate relationship to war mirrors our own Based on dozens of interviews and copious research in little known archives Ernie Pyle s War is a self effacing tour de force To read it is to know Ernie Pyle and most of all to know his war

The Home Front Encyclopedia James Ciment,Thaddeus Russell,2006-12-12 *Focus On: 100 Most Popular Tony Award Winners* Wikipedia contributors, [Horizons, Grade 4](#) HSP,2003 *Neal-Schuman Guide to Recommended Children's Books and Media for Use with Every Elementary Subject* Kathryn I. Matthew,Joy L.
