of God The writer of Hebrews gives us clear foundational doctrine for the New Testament Church today These six fundamental doctrines are the basis on which the Church has been set Without a good understanding of these elementary principles the growth of the Church will be stagnant because we are trying to build something on a foundation different from what the Word instructs Throughout the reading of this book you will find thorough evidence using scripture after scripture that supports the doctrines that are laid out in Hebrews 6 1 2 As the Church builds on these doctrines and teaches them as the beginning of all good things for the people of God the Church will be positioned to soar to new heights that have yet to be seen in previous ages

Foreskin Dowry Dr. D. K. Olukoya, Many people never bother to find out what God's plan for their lives is Rather they blindly and hastily pursue their personal ambition But the truth is that God will not support you in a mission He has not sent you As a result many are building on a faulty foundation while others are busy erecting faulty foundations for their generations yet unborn All these have consequences Foreskin Dowry takes an incisive look at the effects of these actions on our foundation and teaches what we must do and the kind of prayers we must pray in order to overcome the ugly consequences

Solid Foundation Bernard R. Branson, 2013-09-17 Just as the strength of a foundation will determine the magnitude of what can be built upon it the depth to which we solidify the foundations of our faith determines the spiritual strength of our entire life Solid Foundation aims at stimulating growth towards maturity It is written for both new believers and matured believers who want to stand firm and grow strong in the Christian life Solid Foundation has been instrumental in my growth as a believer been an effective tool in helping me build the life that God has purposed for me Jennifer Meyer Very inspiring and insightful a book every Christian should have Arnold
