

Solider Of Light

Edward Alva Trueblood

Solider Of Light:

Ogmios—Messenger from the Light John Michael Friedrich, 2017-03-24 On February 1 2017 John received direction from Jesus Christ He was told he will receive communication from two angels in the following weeks and he was given direction to put their words into a book and provide their messages to Gods people This book is the result The book was completed in twenty one days from February 11 2017 to March 3 2017 It contains thirty two sequential messages from Saint Michael the Archangel and Ogmios the Celtic deity The messages are to provide inspiration and strength to Gods people The book is to prepare Gods people to defend themselves against the demons and evil entities which will be unleashed in the end times The messages are poignant and will provide strength not only to Christians but also to those who have not yet accepted Jesus Christ into their hearts The book provides strength for the upcoming battle against the evil forces in the end times It also provides dictation for recipes on holy water and holy oil and guidelines for making a holy talisman and ensuring your home is a holy fortress in Jesuss name There is also a dictation from Saint Michael the Archangel on performing an exorcism ceremony

Enhancing Performance in Light Infantry Digital Tactical Operation Centers Scott E. Graham, Lee W. Washington, Partrick J. Valentine, 1997 At the request of the Commanding General U S Army Infantry Center this report assesses whether current digitization efforts for the light forces are addressing the specific needs of light forces as opposed to more simply migrating heavy mechanized digital solutions to light platforms Twelve Infantry leaders selected by the Chief Dismounted Battlespace Battle Lab provided information the most critical digital concerns for light Infantry differences between light and heavy tactical operations centers TOCs battle captain requirements modifications of light infantry tactics techniques and procedures TTPs resulting from digitization and soldier as a platform requirements The most frequently mentioned light Infantry TOC concern was the need for user friendly information management capabilities that will allow situational awareness of friendly and enemy units more accurate and simpler battle tracking and integrated access to information across battlefield operating systems Responses also indicate significant efforts must be made to minimize information overload New training programs TTPs and automated tools must be developed to permit full utilization of new digital capabilities The new digital systems must be lightweight durable and maintainable and contain reliable communication links with adequate bandwidth Relevant results from the Warrior Focus and Focused Dispatch Advanced Warfighting Experiments are also summarized DTIC

Light Calvary In Interstellar Xiao Zu, 2020-01-08 As the humans continued to expand their horizons the Star Alliance which was formed by the humans began to fight against the other races in the universe And the Pang Great Emperor which was formed by the Talambo people became the strongest opponent for the human race Having just joined the light cavalry army An Chunhua relied on the military training he received when he was young to quickly display his skills in battle In the many battles that followed An Chun Hua was able to see the ugliness of war After abandoning the idea of building a career He Chunhua only wanted his comrades to survive in this seemingly endless
