Solitary In Johannesburg:

The Hidden History of South Africa's Book and Reading Cultures Archie L. Dick, 2013-06-17 The Hidden History of South Africa's Book and Reading Cultures shows how the common practice of reading can illuminate the social and political history of a culture This ground breaking study reveals resistance strategies in the reading and writing practices of South Africans strategies that have been hidden until now for political reasons relating to the country's liberation struggles By looking to records from a slave lodge women's associations army education units universities courts libraries prison departments and political groups Archie Dick exposes the key works of fiction and non fiction magazines and newspapers that were read and discussed by political activists and prisoners Uncovering the book and library schemes that elites used to regulate reading Dick exposes incidences of intellectual fraud book theft censorship and book burning Through this innovative methodology Dick aptly shows how South African readers used reading and books to resist unjust regimes and build community across South Africa's class and racial barriers

,1965 Every 3rd issue is a quarterly cumulation **Psychiatry, Mental Institutions, and the Mad in Apartheid South Africa** Tiffany Fawn Jones,2012-05-23 In the late 1970s South African mental institutions were plagued with scandals about human rights abuse and psychiatric practitioners were accused of being agents of the apartheid state Between 1939 and 1994 some psychiatric practitioners supported the mandate of the racist and heteropatriarchal government and most mental patients were treated abysmally However unlike studies worldwide that show that women homosexuals and minorities were institutionalized in far higher numbers than heterosexual men Psychiatry Mental Institutions and the Mad in Apartheid South Africa reveals how in South Africa per capita white heterosexual males made up the majority of patients in state institutions The book therefore challenges the monolithic and omnipotent view of the apartheid government and its mental health policy While not contesting the belief that human rights abuses occurred within South Africa s mental health system Tiffany Fawn Jones argues that the disparity among practitioners and the fluidity of their beliefs along with the disjointed mental health infrastructure diffused state control More importantly the book shows how patients were also to a limited extent able to challenge the constraints of their institutionalization This volume places the discussions of South Africa s mental institutions in an international context highlighting the role that international organizations such as the Church of Scientology and political events such as the gay rights movement and the Cold War also played in shaping mental health policy in South Africa **The SADF and Conscientious Objection** ,1982 [The South African Law Reports](#) Jan Hendrik Gey van Pittius,South Africa. Supreme Court. Transvaal Provincial Division,Adolf Davis,1912 **The Prison Letters of Nelson Mandela** Nelson Mandela,2018-07-10 One of NPR s Great Reads of 2018 An unforgettable portrait of one of the most inspiring historical figures of the twentieth century published on the centenary of his birth Arrested in 1962 as South Africa s apartheid regime intensified its brutal campaign against political opponents forty four year old lawyer and African National Congress activist Nelson Mandela had no idea that he would spend the next twenty seven years in jail During his 10 052 days of incarceration the future leader of South Africa wrote a multitude of letters to unyielding prison authorities fellow activists government officials and most memorably to his courageous wife Winnie and his five children Now 255 of these letters many of which have never been published provide exceptional insight into how Mandela maintained his inner spirits while living in almost complete isolation and how he engaged with an outside world that became increasingly outraged by his plight Organized chronologically and divided by the four venues in which he was held as a sentenced prisoner The Prison Letters of Nelson Mandela begins in Pretoria Local Prison where Mandela was held following his 1962 trial In 1964 Mandela was taken to Robben Island Prison where a stark existence was lightened only by visits and letters from family After eighteen years Mandela was transferred to Pollsmoor Prison a large complex outside of Cape Town with beds and better food but where he and four of his comrades were confined to a rooftop cell apart from the rest of the prison population Finally Mandela was taken to Victor Verster Prison in 1988 where he was held until his release on February 11 1990 With accompanying

facsimiles of some of his actual letters this landmark volume reveals how Mandela a lawyer by training advocated for prisoners human rights It reveals him to be a loving father who wrote to his daughter I sometimes wish science could invent miracles and make my daughter get her missing birthday cards and have the pleasure of knowing that her Pa loves her aware that photos and letters he sent had simply disappeared More painful still are the letters written in 1969 when Mandela forbidden from attending the funerals of his mother and his son Thembi was reduced to consoling family members through correspondence Yet what emerges most powerfully is Mandela s unfaltering optimism Honour belongs to those who never forsake the truth even when things seem dark grim who try over and over again who are never discouraged by insults humiliation even defeat Whether providing unwavering support to his also imprisoned wife or outlining a human rights philosophy that resonates today The Prison Letters of Nelson Mandela reveals the heroism of a man who refused to compromise his moral values in the face of extraordinary punishment Ultimately these letters position Mandela as one of the most inspiring figures of the twentieth century From The Prison Letters of Nelson Mandela A new world will be won not by those who stand at a distance with their arms folded but by those who are in the arena whose garments are torn by storms whose bodies are maimed in the course of contest I am convinced that floods of personal disaster can never drown a determined revolutionary nor can the cumulus of misery that accompanies tragedy suffocate him My respect for human beings is based not on the colour of a man s skin nor authority he may wield but purely on merit A good pen can also remind us of the happiest moments in our lives bring noble ideas into our dens our blood our souls It can turn tragedy into hope victory
