Book Prices: Used and Rare, 1994 Edward N. Zempel, 1994 *Antiquarian Bookman*, 1963 *American Bookfinder and Serially American Book Prices Current*, 1941 *Catalog of Copyright Entries, Third Series* Library of Congress. Copyright Office, 1946 *The Recordings of Andy Kirk and his Clouds of Joy* George Burrows, 2019-07-02 Andy Kirk's Clouds of Joy came from Kansas City to find nationwide fame in the later 1930s. The many records they made between 1929 and 1949 came to exemplify the Kansas City style of jazz but they were also criticized for their populism and inauthenticity. In *The Recordings of Andy Kirk and his Clouds of Joy* George Burrows considers these records as representing negotiations over racialized styles between black jazz musicians and the racist music industry during a vital period of popularity and change for American jazz. The book explores the way that these reformative negotiations shaped and can be heard in the recorded music. By comparing the band's appropriation of musical styles to the manipulation of masks in black forms of blackface performance both signifying and subverting racist conceptions of black authenticity it reveals how the dynamic between black musicians, their audiences and critics impacted upon jazz as a practice and conception. **Catalog of Copyright Entries. New Series** Library of Congress. Copyright Office, 1947 Includes Part 1 Books Group 1 1946 **Practical Percussion** James Holland, 2005-09-16 The second half of the twentieth century saw vast changes in all aspects of percussion: the instruments themselves, playing techniques and percussion writing plus the huge influence of pop music, jazz and film scores. Additionally, the revolution in travel and communications has meant that composers have become much more aware of a seemingly endless variety of ethnic instruments from around the world. Holland aims to show the world of percussion as it is today and to answer some common questions about it. Today's professional players frequently find themselves performing in many countries where the availability of percussion instruments can vary widely. *Practical Percussion* contains a section on manufacturers and suppliers all over the world. In addition to this list of manufacturers, the percussion requirements both instruments and players for some 1500 works are also listed. The foreword by Pierre Boulez further assists the reader in appreciating and understanding the richness, variety and function of percussion instruments the world over.

Experiencing Jazz Michael Stephans, 2013-10-17 In *Experiencing Jazz: A Listener's Companion*, writer, teacher and renowned jazz drummer Michael Stephans offers a much needed survey in the art of listening to and enjoying this dynamic ever-changing art form. More than mere entertainment, jazz provides a pleasurable and sometimes dizzying listening experience with an extensive range in structure and form from the syncopated swing of big bands to the musical experimentalism of small combos. As Stephans illustrates, listeners and jazz artists often experience the essence of the music together, an experience unique in the world of music. *Experiencing Jazz* demonstrates how the act of listening to jazz takes place on a deeply personal level and takes readers on a whirlwind tour of the genre, instrument by instrument, offering not only brief portraits of key musicians like Joe Lovano and John Scofield but also their own commentaries on how best to

experience the music they create Throughout jazz takes center stage as a personal transaction that enriches the lives of both musician and listener Written for anyone curious about the genre this book encourages further reading listening and viewing helping potential listeners cultivate an understanding and appreciation of the jazz art and how it can help in drummer Art Blakey s words wash away the dust of everyday life *The Cambridge Review* ,1911 A Solo In Tom-Toms ,1946

Uncover the mysteries within is enigmatic creation, Embark on a Mystery with **Solo In Tomtoms 1st Edition Not Signed** .
