Solomons Prayer

Solomons Prayer:

Solomon's Prayer Eep Talstra, 1993 Peeters 1993 Bible Lessons for Little Beginners Mrs. Margaret J. Cushman Haven, 1901 *Bible Knowledge Commentary: Old Testament* John F. Walvoord, Roy B. Zuck, 1985-07 The Bible Knowledge Commentary answers questions about the Scriptures discussing all the Bible verse by verse and often phrase by phrase In addition maps charts and diagrams help readers grasp the meanings of the biblical text Prayers and the Construction of Israelite Identity Susanne Gillmayr-Bucher, Maria Häusl, 2019-08-09 Substantial insights into various identity discourses reflected in the biblical prayers This collection of essays from an international group of scholars focuses on how biblical prayers of the Persian and early Hellenistic periods shaped identity evoked a sense of belonging to specific groups and added emotional significance to this affiliation Contributors draw examples from different biblical texts including Genesis Samuel Kings Chronicles Ezra and Nehemiah Psalms Jonah and Daniel Features Thorough study of prayers that play a key role for a biblical book s re construction of the people s history and identity An examination of ways biblical figures are remodeled by their prayers by introducing other sometimes even contradictory discourses on identity An exploration of different ways in which psalms from postexilic times shaped reflected and modified identity discourses *Shaping Israelite Identity through Prayers in the Book of Chronicles* Kiyong Kim, 2021-11-18 What is the post exilic Israelites destiny What should they have hoped for How could they actualize their desired community This book discusses the identity of the post exilic Israelite community by focusing on the unique rhetorical impetus in the book of Chronicles Chronicles suggests a picture of the desired future Israel Yet the Chronicler does not call for a new identity creation ex nihilo from the community but calls for the restoration of the Israelites past identity by reporting the history of Israel and Judah The restoration of their past identity can be actualized when members of the community fulfill portrayed roles and characteristics in Chronicles worshipping monotheistic believing and praying and Davidic citizenship Further recorded prayer plays a crucial role as Chronicles persuades its readers to render or exhibit those roles and characteristics Prayer invites the community members to participate so that they transform past prayers into their own prayers By doing so the prayer participants perceive portrayed roles and characteristics and change their attitude By rendering and exhibiting desired roles and characteristics they eventually hope for and actualize a better community the liturgical community **Nathan's Oracle (2 Samuel 7) and Its Interpreters** Michael Avioz, 2005 This book offers a new analysis of Nathan s Oracle in 2 Samuel 7 and its echoes in the books of Samuel Kings and Chronicles First it deals separately with the main issues raised in 2 Samuel 7 the disqualification of David as temple builder and the nature of the Divine promise made to him that the House of David will rule forever In dealing with both elements similar texts from the Ancient Near East are consulted After a thorough analysis of these two elements an intertextual study is offered in which the allusions to Nathan s Oracle in the Books Samuel Kings and Chronicles are discussed The purpose is to define the various functions of these allusions or echoes This evaluation takes into account

the changing circumstances of the Davidic dynasty as well as the different agendas of the books in which Nathan's Oracle is incorporated in

Solomon's Temple The Divine Masterpiece Ary S. Jr., 2024-04-26 This book takes readers on a transformative journey revealing the sacredness found in the ordinary Highlights how Solomon's Temple served as a place of worship and sacrifice unifying the people of Israel and revealing the glory of God Through vivid narratives he emphasizes the impermanence of earthly achievements and the need to focus on the eternal

The Solomon Narratives in the Context of the Hebrew Bible Sean E. Cook, 2017-06-29 This book is concerned with ascertaining the value of having two versions of the same monarchic history of Israel within the Hebrew Bible focusing on the books of Kings and Chronicles It is furthermore concerned with how the book of Chronicles is read in relation to the book of Kings as Chronicles is so often considered to be a later rewritten text drawing upon an earlier version of the Masoretic Text of Samuel and Kings The predominant scholarly approach to reading the book of Chronicles is to read it in light of how the Chronicler emended his source texts additions omissions harmonizations This approach has yielded great success in our understanding of the Chronicler's theology and rhetoric However Cook asserts it has also failed to consider how the book of Chronicles can be read as an autonomous and coherent document That is a diachronic approach to reading Chronicles sometimes misses the theological and rhetorical features of the text in its final form This book shows the great benefit of reading these narratives as autonomous and coherent by using the Solomon narratives as a case study These narratives are first read individually and then together so as to ascertain their uniqueness vis vis one another Finally Cook addresses questions related to the concordance of these narratives as well as their purposes within their respective larger literary contexts

Discovering the Traditions of Prose Prayers in Early Jewish Literature Michael D. Matlock, 2012-03-29 In this volume Michael D Matlock analyses five lengthy biblical prose prayers from the exilic and post exilic period Solomon's prayer 1 Kings 8 14 61 Ezra's prayer Ezra 9 5 15 Nehemiah's prayer Nehemiah 1 4 11 the Levites prayer Nehemiah 9 4 37 and the prayer of Daniel Daniel 9 3 19 He also examines prayers from Second Temple literature including texts from the Apocrypha and Pseudepigrapha the writings of Philo and Josephus and texts from Qumran and discusses the Septuagintal versions of the five biblical prayers and Targum Jonathan's treatment of Solomon's prayer He offers a new English translation of each prayer examines the prayers rhetorical characteristics and demonstrates how each prayer draws upon and reinterprets traditional images and materials Matlock describes how each prayer relates to its larger narrative context and examines its functions within that context Finally he appraises the various similarities and differences in these prayers in terms of their different contexts in the Second Commonwealth period noting particular theologies and ideologies

First and Second Chronicles Steven S. Tuell, 2012-08-01 This volume provides a contemporary scholarly interpretation of the books of First and Second Chronicles Old Testament writings that are often overlooked and seldom preached upon or studied in churches
