Robin Klein

Solosgabbys Fair:

Prime Time Soap Operas Douglas M. Snauffer, 2009-09-03 Prime time soaps are often revered long after their runs on television have ended as Dallas Twin Peaks and Beverly Hills 90210 readily demonstrate Due to their profound impact it is easy to forget how recently the genre itself was born Dallas premiered in 1978 and was originally intended to air solely as a five part mini series Then in 1981 producer Aaron Spelling stepped in and introduced his own ultra glitzy entry Dynasty Between these two mega hits the era of the nighttime soap was born Soaps soon spun off into non traditional avenues as well in sitcoms like Filthy Rich and the supernatural drama Twin Peaks Then with the arrival of the more youth oriented Fox Network producers were able to hook an entirely new generation on programs such as Beverly Hills 90210 Melrose Place and Party of Five Pay cable channels have also stepped into the picture and now act as trendsetters with hits like Sex and the City Six Feet Under The Sopranos and The L Word Now from the spiritually themed 7th Heaven to the naughty neighbors of ABC's Desperate Housewives soaps dominate prime time Prime Time Soaps covers all the major shows within the soap opera genre and also investigates all the ways that soaps have contributed to the development of more general television trends Interviews with producers actors and other artistic collaborators also supplement this revealing and entertaining account Even outside of their genre these shows continue to influence current programming Few series on TV today are purely episodic instead containing on going storylines involving the personal dilemmas of their characters Another very recognizable contribution from soaps occurred on the evening of March 21 1980 when Dallas finished out its third year with J R Ewing being shot by an unknown assailant leaving fans to wait until the fall for the resolution This was the beginning of the cliffhanger endings that are now implemented by just about every series on television Prime Time Soaps covers all the major shows and also investigates all the ways that soaps have contributed to the development of more general television trends Interviews with producers actors and other artistic collaborators supplement this revealing and entertaining account

Faith, Family, and Filipino American Community Life Stephen M. Cherry, 2014-01-03 Stephen M Cherry draws upon a rich set of ethnographic and survey data collected over a six year period to explore the roles that Catholicism and family play in shaping Filipino American community life From the planning and construction of community centers to volunteering at health fairs or protesting against abortion this book illustrates the powerful ways these forces structure and animate not only how first generation Filipino Americans think and feel about their community but how they are compelled to engage it over issues deemed important to the sanctity of the family Revealing more than intimate accounts of Filipino American lives Cherry offers a glimpse of the often hidden but vital relationship between religion and community in the lives of new immigrants and allows speculation on the broader impact of Filipino immigration on the nation The Filipino American community is the second largest immigrant community in the United States and the Philippines is the second largest source of Catholic immigration to this country This ground breaking study outlines how first generation Filipino Americans have the

potential to reshape American Catholicism and are already having an impact on American civic life through the engagement of their faith **Fernando Amorsolo Seven-museum Exhibition** ArtPostAsia Pte Ltd.,Fernando Amorsolo,2008 Fernando Amorsolo y Cueto is one of the most important artists in the history of painting in the Phillipines *The Billboard* ,1928

National Mid-week ,1988 **Western Movies** Michael R. Pitts,2013-01-04 This revised and greatly expanded edition of a well established reference book presents 5105 feature length four reels or more Western films from the early silent era to the present More than 900 new entries are in this edition Each entry has film title release company and year running time color indication cast listing plot synopsis and a brief critical review and other details Not only are Hollywood productions included but the volume also looks at Westerns made abroad as well as frontier epics north woods adventures and nature related productions Many of the films combine genres such as horror and science fiction Westerns The volume includes a list of cowboys and their horses and a screen names cross reference There are more than 100 photographs *Billboard Music Week* ,1928 **Official Stud Book and Registry of the American Quarter Horse Association** American Quarter Horse Association,1983 *Gabby's Fair* Robin Klein,1998 Gabby's Fair Robin Klein,1998 In the Solo series for beginning readers Gabby doesn't like having to stay with her brother at the school fair How can she make him come with her on a pony ride
