travails under Confederate rule without sacrificing the vitriolic prose and scathing wit for which he was celebrated and denounced In these pages the inimitable parson is at his best By turns sarcastic angry high minded informative compassionate and droll he forthrightly proclaims his convictions and excoriates his foes Every sentence exemplifies the motto that adorned the masthead of his newspaper the Knoxville Whig Cry aloud and spare not In an informative introduction editor Stephen V Ash places the excerpts in context by sketching Brownlow s career summarizing his historical significance and discussing the history of the book itself Civil War scholars and enthusiasts will welcome Secessionists and Other Scoundrels as an exciting and entertaining opportunity to be reintroduced to one of the era s most colorful and controversial characters
