Nancy Drew and Company Sherrie A. Inness, 1997 This collection is the first anthology to bring together a broad range of critical essays on girls series fiction from established scholars **Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office, 1972 The Many Roles of the Registered Nurse Debra J. Gillespie, 2020-12-16 Nurses are the largest population of healthcare providers practicing in both urban and remote areas across the globe Currently the nursing profession is in the midst of a significant shortage as aging baby boomers retire and a nursing faculty shortage forces many colleges and universities to turn away qualified applicants As healthcare needs of the population become more complex and technologies advance our world needs nurses now more than at any other time in history This book provides the reader with a wide overview of the many vast roles within the nursing profession showing that the responsibilities are complex challenging and rewarding It will allow the reader to understand the current job market for nurses and perhaps even persuade some to choose this rewarding profession **Remember Me** Brenda Cheryl Gillespie, 2012-04-28 What if you awoke one morning and could not remember your name where you live your family your favorite food your hometown or any other bit of information from your past Where would you go Who would you turn to A terrible road accident had taken Army Nurse United States. Army Medical Department (1968-), 1945 **Don't Be Shy, Nurse!** Kaye Caradoc, 2013 Nurses today have very different lives and training from those who embarked upon this career 40 years ago This is an account of the three year's training of a nurse set in a London hospital in the 1960s It is the story of one initially naive student nurse and her colleagues as they progress from their first days as the junior girls to the day when they eventually hold the letters of professional competence in their hands In order to arrive at this senior status they experience many highs and lows from the day of their arrival onto their first wards where they are faced with the often terrifying domination of the ward sisters we then walk with them through the partings of the ways and the reunions as they are split up and seconded to other branches of the hospital Throughout the three years we get to know of not just the hard

work and discipline but also of their friendships laughter and tears Nurses in training today will be surprised at the sometimes dreadfully outdated and old fashioned lives which these 1960 s nurses seem to live but they will no doubt be charmed and fascinated too by this really lovely story which is not so much about medical procedures and practices but is as much about the lives of those young girls who chose to leave home and live their lives in this way Sisters, Schoolgirls, and Sleuths Carolyn Carpan,2008-12-04 Sisters Schoolgirls and Sleuths provides a social history of girls series fiction in America from the mid 19th century through the early 21st century Carpan examines popular series sub genres themes and characters found in approximately 100 popular series noting how such books reflect or subvert the culture of the era in which they were produced Skiing ,1996-01
