Life as We Knew It Susan Beth Pfeffer, 2008. I guess I always felt even if the world came to an end, McDonald's still would be open. High school sophomore Miranda's disbelief turns to fear in a split second when an asteroid knocks the moon closer to Earth like one marble hits another. The result is catastrophic. How can her family prepare for the future when worldwide tsunamis are wiping out the coasts, earthquakes are rocking the continents, and volcanic ash is blocking out the sun? As August turns dark and wintry in northeastern Pennsylvania, Miranda, her two brothers, and their mother retreat to the unexpected safe haven of their sunroom, where they subsist on stockpiled food and limited water in the warmth of a wood-burning stove. Told in a year's worth of journal entries, this heart-pounding story chronicles Miranda's struggle to hold on to the most important resource of all: hope in an increasingly desperate and unfamiliar world. An extraordinary series debut, Susan Beth Pfeffer has written several companion novels to *Life As We Knew It*, including *The Dead and the Gone*, *This World We Live In*, and *The Shade of the Moon*.

The Planets Within Thomas Moore,1990 The Planets Within asks us to return to antiquity with new eyes It centers on one of the most psychological movements of the prescientific age Renaissance Italy where a group of inner Columbuses charted territories that still give us today a much needed sense of who we are and where we have come from and the right routes to take toward fertile and unexplored places Chief among these masters of the interior life was Marsilio Ficino presiding genius of the Florentine Academy who taught that all things exist in soul and must be lived in its light This study of Ficino broadens and deepens our understanding of psyche for Ficino was a doctor of soul and his insights teach us the care and nurture of soul Moore takes as his guide Ficino s own fundamental tool imagination Respecting the integrity and autonomy of images The Planets Within unfolds a poetics of soul in a kind of dialogue between the laconic remarks of Ficino and the need to give these remarks a life and context for our day
