Donald G. Nieman

Slavery In The Structure Of American Politics 1765 18:

Slavery and Its Consequences Robert A. Goldwin, Art Kaufman, 1988 This book discusses the institution of slavery and how it relates to the Constitution

Slavery in the American Republic David F. Ericson, 2011-10-27 Many scholars believe that the existence of slavery stymied the development of the American state because slaveholding Southern politicians were so at odds with a federal government they feared would abolish their peculiar institution David Ericson argues to the contrary showing that over a seventy year period slavery actually contributed significantly to the development of the American state even as a house divided Drawing on deep archival research that tracks federal expenditures on slavery related items Ericson reveals how the policies practices and institutions of the early national government functioned to protect slavery and thereby contributed to its own development Here are surprising descriptions of how the federal government increased its state capacities as it implemented slavery friendly policies such as creating more stable slave markets by removing Native Americans deterring slave revolts recovering fugitive slaves enacting a ban on slave imports and not enacting a ban on the interstate slave trade It also bolstered its own law enforcement power by reinforcing navy squadrons to interdict illegal slave trading hiring deputy marshals to capture fugitive slaves and slave rescuers and deploying soldiers to remove Native Americans and deter slave rescues and revolts Going beyond Don Fehrenbacher's *The Slaveholding Republic* Ericson shows how the presence of slavery indirectly influenced the development of the American state in highly significant ways Enforcement of the 1808 slave import ban involved the federal government in border control for the first time and participation in founding a colony in Liberia established an early model of public private partnerships The presence of slavery also spurred the development of the U S Army through its many slavery related deployments particularly during the Second Seminole War and the federal government's own slave rentals influenced its labor management practices Ericson's study unearths a long neglected history connecting slavery influenced policy areas more explicitly to early American state development and more fully accounting for the money and manpower the federal government devoted to those areas Rich in historical detail it marks a significant contribution to our understanding of state development and the impact of slavery on early American politics

Slavery, Freedom, and Expansion in the Early American West John Craig Hammond, 2020-11-20 Most treatments of slavery politics and expansion in the early American republic focus narrowly on congressional debates and the inaction of elite founding fathers such as Thomas Jefferson and James Madison In *Slavery Freedom and Expansion in the Early American West* John Craig Hammond looks beyond elite leadership and examines how the demands of western settlers the potential of western disunion and local popular politics determined the fate of slavery and freedom in the West between 1790 and 1820 By shifting focus away from high politics in Philadelphia and Washington Hammond demonstrates that local political contests and geopolitical realities were more responsible for determining slavery's fate in the West than were the clashing proslavery and antislavery proclivities of Founding Fathers and

politicians in the East When efforts to prohibit slavery revived in 1819 with the Missouri Controversy it was not because of a sudden awakening to the problem on the part of northern Republicans but because the threat of western secession no longer seemed credible Including detailed studies of popular political contests in Ohio Indiana Illinois Mississippi Louisiana and Missouri that shed light on the western and popular character of conflicts over slavery Hammond also provides a thorough analysis of the Missouri Controversy revealing how the problem of slavery expansion shifted from a local and western problem to a sectional and national dilemma that would ultimately lead to disunion and civil war **Slavery in the**

Structure of American Politics, 1765-1820 Donald L. Robinson, 1970 Scholarly examination of contradictions between egalitarian theory and slave holding practice and patterns of benign neglect as a characteristic of American national development The Constitution, Law, and American Life Donald G. Nieman, 2011-01-01 The eight essays in this volume

imaginatively explore the interrelationship between law and society in nineteenth century America and encompass in their discussion some of the major historical issues of the era Slavery and Sectional Strife in the Early American Republic, 1776-1821 Gary John Kornblith, 2010 Kornblith focuses on slavery as a moral and political issue that threatened the unity and stability of the United States from the nation's inception The author traces the story of slavery in America's history from 1776 through the 1821 Missouri Compromise which allowed Missouri to enter the Union as a slave state and Maine as a free state Key themes include the general acceptance of slavery in early America how decisions made at the founding affected the future and course of slavery in our nation and whether the Civil War was the inevitable result of those decisions **The**

Problem of Slavery in the Age of Emancipation David Brion Davis, 2015-01-06 Winner of the National Book Critics Circle Award 2014 With this volume Davis presents the age of emancipation as a model for reform and as probably the greatest landmark of willed moral progress in human history Bringing to a close his staggeringly ambitious prizewinning trilogy on slavery in Western culture Davis offers original and penetrating insights into what slavery and emancipation meant to Americans He explores how the Haitian Revolution respectively terrified and inspired white and black Americans hovering over the antislavery debates like a bloodstained ghost He offers a surprising analysis of the complex and misunderstood significance the project to move freed slaves back to Africa He vividly portrays the dehumanizing impact of slavery as well as the generally unrecognized importance of freed slaves to abolition Most of all Davis presents the age of emancipation as a model for reform and as probably the greatest landmark of willed moral progress in human history **Unification of a**

Slave State Rachel N. Klein, 2012-12-01 This book describes the turbulent transformation of South Carolina from a colony rent by sectional conflict into a state dominated by the South's most unified and politically powerful planter leadership Rachel Klein unravels the sources of conflict and growing unity showing how a deep commitment to slavery enabled leaders from both low and backcountry to define the terms of political and ideological compromise The spread of cotton into the backcountry often invoked as the reason for South Carolina's political unification actually concluded a complex struggle for

power and legitimacy Beginning with the Regulator Uprising of the 1760s Klein demonstrates how backcountry leaders both gained authority among yeoman constituents and assumed a powerful role within state government By defining slavery as the natural extension of familial inequality backcountry ministers strengthened the planter class At the same time evangelical religion like the backcountry s dominant political language expressed yet contained the persisting tensions between planters and yeomen Klein weaves social political and religious history into a formidable account of planter class formation and southern frontier development

The United States and the Transatlantic Slave Trade to the Americas, 1776-1867

Leonardo Marques,2016-01-01 T U V W Z *The African Slave Trade and Its Suppression* Peter Hogg,2014-02-04 A comprehensive bibliography dealing specifically with African slave trade This volume has been sub classified for easier consultation and the compiler has provided where possible descriptions and comments on the works listed In Hope of Liberty James O. Horton,Lois E. Horton,1998-04-30 Prince Hall a black veteran of the American Revolution was insulted and disappointed but probably not surprised when white officials refused his offer of help He had volunteered a troop of 700 Boston area blacks to help quell a rebellion of western Massachusetts farmers led by Daniel Shays during the economic turmoil in the uncertain period following independence Many African Americans had fought for America s liberty and their own in the Revolution but their place in the new nation was unresolved As slavery was abolished in the North free blacks gained greater opportunities but still faced a long struggle against limits to their freedom against discrimination and against southern slavery The lives of these men and women are vividly described in In Hope of Liberty spanning the 200 years and eight generations from the colonial slave trade to the Civil War In this marvelously peopled history James and Lois Horton introduce us to a rich cast of characters There are familiar historical figures such as Crispus Attucks a leader of the Boston Massacre and one of the first casualties of the American Revolution Sojourner Truth former slave and eloquent antislavery and women s rights activist whose own family had been broken by slavery when her son became a wedding present for her owner s daughter and Prince Whipple George Washington s aide easily recognizable in the portrait of Washington crossing the Delaware River And there are the countless men and women who struggled to lead their daily lives with courage and dignity Zilpha Elaw a visionary revivalist who preached before crowds of thousands David James Peck the first black to graduate from an American medical school in 1848 Paul Cuffe a successful seafaring merchant who became an ardent supporter of the black African colonization movement and Nancy Prince at eighteen the effective head of a scattered household of four siblings each boarded in different homes who at twenty five was formally presented to the Russian court In a seamless narrative weaving together all these stories and more the Hortons describe the complex networks both formal and informal that made up free black society from the black churches which provided a sense of community and served as a training ground for black leaders and political action to the countless newspapers which spoke eloquently of their aspirations for blacks and played an active role in the antislavery movement to the informal networks which allowed far flung families to

maintain contact and which provided support and aid to needy members of the free black community and to fugitives from the South Finally they describe the vital role of the black family the cornerstone of this variegated and tightly knit community In Hope of Liberty brilliantly illuminates the free black communities of the antebellum North as they struggled to reconcile conflicting cultural identities and to work for social change in an atmosphere of racial injustice As the black community today still struggles with many of the same problems this insightful history reminds us how far we have come and how far we have yet to go

Slavery and Freedom Willie Lee Rose,1982 Unknown function Edited by William H Freehling **Historical Dictionary of the Old South** William L. Richter,2005-11-15 Being considerably different from other regions of the country most notably regarding its fervent practice of slavery the land South of the Mason Dixon line because of slavery enjoyed an exceptional prominence in politics and after the invention of the cotton gin a high degree of prosperity However also because of slavery it was alienated from the rest of the nation attempted to secede from the union and was forced back in only after it lost the Civil War Numerous cross referenced entries on prominent individuals including Thomas Jefferson Andrew Jackson Henry Clay John C Calhoun Robert E Lee and Abraham Lincoln as well as others on policies of the time that have since slipped into oblivion are all covered in this book Economic social and religious backgrounds trace the seemingly inevitable path to secession war and defeat This reference also includes an introductory essay a chronology and a bibliography of the epoch

New Perspectives on the Early Republic Ralph D. Gray,Michael A. Morrison,1994 *Promises to Keep* Donald G. Nieman,2020-02-03 At a time when race remains a divisive issue Promises to Keep offers a compelling analysis of how conflict over African Americans place in American society has shaped the Constitution law and Americans understanding of citizenship and rights Engaging and accessible yet based on the latest scholarship it shows how African Americans have played a critical role in transforming the Constitution from a bulwark of slavery to a document that is truer to the nation s promise of equality Comprehensive in scope Promises moves from debates over slavery at the nation s founding to contemporary discussions of affirmative action voting rights mass incarceration and police brutality In the process it provides readers with a historical perspective critical to understanding some of today s most compelling issues

Writings of Warner Mifflin Warner Mifflin,2021-05-21 In The Writings of Warner Mifflin Gary Nash and Michael McDowell present the correspondence petitions and memorials to state and federal legislative bodies semi autobiographical essays and other materials of the key figure in the U S abolitionist movement between the end of the American Revolution and the Jefferson presidency Virtually unknown to Americans Mifflin has been brought to life in Nash s recent biography Warner Mifflin Unflinching Quaker Abolitionist 2017 This volume provides an array of insights into the mind of this conscience bound pacifist Quaker who became instrumental in making Kent County Delaware a bastion of free blacks liberated from slavery and a seedbed of a reparationist doctrine that insisted that enslavers owed restitution to manumitted Africans and their descendants Mifflin s writings also show how he became the most skilled lobbyist of the antislavery campaigners who

haunted the legislative chambers of North Carolina Virginia Maryland Delaware and Pennsylvania as well as the halls of the Continental Congress and the First and Second Federal Congresses An opening introduction and introductions to each of the five chronologically arranged parts of the book provide context for the documents and a narrative of the life of this remarkable American

Contesting Democracy Byron E. Shafer,Anthony J. Badger,2001 Leading scholars provide a comprehensive history of two centuries of U S politics Contributions from a who s who of political historians

The Unsteady March Philip A. Klinkner,Rogers M. Smith,2002-04 With its insights into contemporary racial politics The Unsteady March offers a penetrating and controversial analysis of American race relations across two centuries

A Better Guide Than Reason Melvin Eustace Bradford,1994-01-01 Describes the influence of the anti federalists in American political tradition

A Better Guide Than Reason M.E. Bradford,2017-09-29 In this seminal volume M E Bradford defines the Old Whig political tradition in American thought showing that the inheritance of the prescriptive anti federalists still lives For Bradford important elements in our heritage from the American Revolution have been systematically hidden from our view by anachronistic and partisan scholarship He believes that other more ideological components have been emphasized at the expense of the rest Here he attempts to return us to our heritage

Whispering the Secrets of Language: An Psychological Quest through **Slavery In The Structure Of American Politics 1765 18**

In a digitally-driven earth where screens reign great and quick interaction drowns out the subtleties of language, the profound secrets and mental subtleties hidden within phrases frequently go unheard. However, nestled within the pages of **Slavery In The Structure Of American Politics 1765 18** a charming fictional prize sporting with fresh emotions, lies an extraordinary journey waiting to be undertaken. Composed by a skilled wordsmith, that marvelous opus encourages readers on an introspective journey, gently unraveling the veiled truths and profound affect resonating within the material of every word. Within the mental depths with this moving review, we will embark upon a genuine exploration of the book is key themes, dissect its captivating publishing fashion, and fail to the powerful resonance it evokes strong within the recesses of readers hearts.
