Slavery Through the Ages. [With Plates.]. Sir George Fletcher MACMUNN, 1938 *Evolution of Slavery Through the Ages* Verity Press, 2023-12-11 *Evolution of Slavery Through the Ages* A Comprehensive History of Slavery meticulously unfolds the intricate tapestry of human history tracing the emergence evolution and eventual abolition of one of the most pervasive and enduring institutions slavery From the hunter gatherer societies of early civilizations to the legal codes of Mesopotamia the flourishing slave trade in Ancient Rome and the tumultuous Transatlantic Slave Trade this book navigates through the shifting perspectives economic landscapes and cultural dynamics that defined each era It sheds light on the diverse roles slaves played from forced labor and concubinage to their unexpected roles as entrepreneurs and ministers As the narrative unfolds it addresses slave uprisings the racial dimensions of slavery and the enduring impact on contemporary society The book concludes with a stark examination of modern slavery revealing the shocking realities faced by millions today *Evolution of Slavery Through the Ages* is an essential exploration that challenges our understanding of history while compelling us to shape a more just and humane future **Children in Slavery through the Ages** Gwyn Campbell, Suzanne Miers, Joseph C. Miller, 2009-10-27 Significant numbers of the people enslaved throughout world history have been children The vast literature on slavery has grown to include most of the history of this ubiquitous practice but nearly all of it concentrates on the adult males whose strong bodies and laboring capacities preoccupied the masters of the modern Americas *Children in Slavery through the Ages* examines the children among the enslaved across a significant range of earlier times and other places its companion volume will examine the children enslaved in recent American contexts and in the contemporary modern world This is the first collection to focus on children in slavery These leading scholars bring our thinking about slaving and slavery to new levels of comprehensiveness and complexity They further provide substantial historical depth to the abuse of children for sexual and labor purposes that has become a significant humanitarian concern of governments and private organizations around the world in recent decades The collected essays in *Children in Slavery through the Ages* fundamentally reconstruct our understanding of enslavement by exploring the often ignored role of children in slavery and rejecting the tendency to narrowly equate slavery with the forced labor of adult males The volume s

historical angle highlights many implications of child slavery by examining the variety of children's roles as manual laborers and domestic servants to court entertainers and eunuchs and the worldwide regions in which the child slave trade existed

Journeys on the Silk Road Through Ages—Romance, Legend, Reality Avijeet Bhattacharya, 2017-10-11 Journeys on the Silk Road Through Ages Romance Legend Reality is a compelling narrative about the legendary Silk Road down the ages It takes us back to the nearly forgotten times when the dusty long road was discovered by herders and nomads in search of pastures and oases It was a long trek into the unknown This gradually turned into the fabled Silk Road spanning from China and across Central Asia with its numerous trade routes staging posts caravanserais on the one hand and the rugged landscape through steppes across mountains deserts and nations on the other The Silk Road stood out like a great artery that sustained for centuries The Road with its routes conveyed not only commerce but also ideas and philosophy of the far east China to the far flung Roman Empire in the west drawing from and contributing to other regions and countries that fell along the way Turkestan Afghanistan India Persia Mesopotamia Palestine Phoenicia and Anatolia thus linking the ancient and the medieval worlds It was an enterprise of gigantic proportions the great highway witnessed trade in almost all products with silk precious stones porcelain metals and horses as chief commodities Of these silk was the foremost merchandise that merchants transported on camel caravans and upon mules from the Land of Serica Slaves too were traded Monks and warriors also walked along the trodden path Merchants exchanged goods which made trade possible bringing in a flow of wealth while monks and warriors exchanged philosophy ideas and statecraft despite conflicts and wars The narrative travels back to the times when the road started making history by joining imperial Xi'an with imperial Rome a distance of more than 8 000kms during the period of China's Han Dynasty sometime around 200 BC This strangely endured till the present days of Communist China and OBOR deliberating the Chinese Puzzle The book is an adventurous amalgamation of history travel and the unanticipated and not merely a clichéd travel account It presents a fascinating story of realms rulers travellers and merchants both ancient and modern with captivating collection of anecdotes lore and current realities from far and wide Its brilliant web makes the book immensely readable **Slavery Through the Ages** John R Coe, James Biser
