Johann Peter Lange,1876 **Slavery, Sabbath, War & Women** Willard M. Swartley,1983-05-07 The Bible appears to give mixed and even conflicting signals on the four case issues of slavery Sabbath war and women New Testament scholar Willard Swartley seeks to identify the difficulties surrounding these discussions and clarify basic learnings in biblical interpretation in a spirit of unity and dialogue As a predecessor to his 2003 publication *Homosexuality* this book rounds out a thorough spirit filled discussion of some of the most contentious and sensitive issues facing the church today *Torah Story, Second Edition*
Gary Edward Schnittjer,2023-04-18 The gospel story begins in Torah What culminates at Golgotha starts with the rebellion in the garden The Torah s story can be framed as a question How will the word of God overcome the human revolution Torah Story offers a student friendly introduction to the redemptive narrative housed in the first five books of the Bible Every main chapter introduces a section of Torah with attention to its basic structure This is followed by another look at how this portion of Torah connects to the rest of the Christian Bible The dynamic design includes opportunities in every chapter to make the most of Torah study including Helps for getting started focus questions key terms outline An interactive workshop with challenge questions and advanced questions Suggestions for research projects Next steps for further study A refreshingly new approach to the Torah neither an introduction nor a commentary Torah Story provides an apprenticeship on the Old Testament s first five books But it also provides a model of how to read Scripture intertextually with an eye to the New Testament gospels It leaves no doubt as to the overarching unity of the message and composition of the Pentateuch The second edition is streamlined and simplified throughout with updated examples and new sidebars and imagery *Jewish Biblical Interpretation and Cultural Exchange* Natalie B. Dohrmann,David Stern,2013-06-18 Biblical interpretation is not simply study of the Bible s meaning This volume focuses on signal moments in the histories of scriptural interpretation of Judaism Christianity and Islam from the ancient period to the early modern and shows how deeply intertwined these religions have always been **Human Trafficking, The Bible and the Church** Marion L. S. Carson,2017-05-26 Whilst the philosophical battle against slavery might have been won human trafficking is very much a problem for our time and continues to spark rigorous debate among Christians wrestling with what God s justice might look like today Can the Bible whose teaching on slavery is so at odds with our contemporary worldview inform efforts to end human trafficking and if so how In *Human Trafficking the Bible and the Church* Marion Carson offers a profound interdisciplinary account of how Christians have engaged with slavery in the past and how they might respond in the future Whilst rigorously scholarly and painstakingly researched this is at the same time a highly readable book that will refresh our own understanding and help shape our responsibility to bring about change **Youth Track** Harold F. Williams,2023-05-31 Teaching youth can be challenging and is often difficult You need to know your subject but more importantly know your students Do you like young people Would you want to teach Bible lessons from the viewpoint of a teenager and encourage their faith This forty eight

lesson guide helps you focus as a religious teacher to youth Youth Track identifies stories about young people in the Bible including related scripture references for those stories It presents suggested thoughts and current day questions to involve your students This is not a cookie cutter guide but a solid place to start since teaching kids can be hard work Although this guide was written as a series of weekly lessons it is also appropriate in other situations Select just the New Testament stories for a shorter period At special times of the year such as Christmas or Easter use the stories about those celebrations If you know your students pick stories that you can relate to their day to day lives Youth are very special With the help of this guide use your abilities your knowledge and your experiences in whatever way you can to encourage their Christian growth and faith
