

Slavery In American Society

Richard D. Brown

Slavery In American Society:

Slavery Marsico,2018-11-30 Young learners will be introduced to an important stage in history when they read Slavery A Chapter in American History This book is filled with photographs interesting facts discussion questions and more to effectively engage young learners in such a significant re telling of events Each 48 page title in The History Of America Collection delves into complex narratives in history Concise but comprehensive these titles are very approachable for transitioning readers and learners beginning to recognize detail orientation and how to analyze text Each book in this series features photographs timelines discussion questions and more to fully engage transitioning readers The History Of America Collection engages students in major historical events with fascinating facts photographs and more Readers are able to gauge their own understanding with before reading questions that help build background knowledge and end of book comprehension and extension activities *Slavery: Interpreting American History* Aaron Astor,Thomas

Buchanan,2021-05-04 A survey and interpretive study of one of the defining issues in America s past Americans have vigorously debated and interpreted the role of slavery in American life for as long as enslaved people and their descendants have lived in North America Contemporaries and later writers and scholars up to the present day have explored the meaning of slavery as a system of labor an ideological paradox in a free political and social order a violent mode of racial exploitation and a global system of human commodification and trafficking To fully understand the various ways in which slavery has been depicted and described is a difficult task Like any other important historical issue this requires a thorough grasp of the underlying history methodological developments over time and the contemporary politics and culture of historians own times And the case of slavery is further complicated of course by changes in the legal and political status of African Americans in the 20th and 21st centuries *Slavery Interpreting American History* like other volumes in the *Interpreting American History* series surveys interpretations of important historical eras and events examining both the intellectual shifts that have taken place and various catalysts that drove those shifts While the depth of Americans historiographical engagement with slavery is not surprising given the turbulent history of race in America the range and sheer volume of writing on the subject spanning more than two centuries can be overwhelming Editors Aaron Astor and Thomas Buchanan together with a team of expert contributors highlight here the key debates and conceptual shifts that have defined the field The volume will be an especially helpful guide for advanced undergraduate and graduate students professional historians new to the field and other readers interested in the study of American slavery **Slavery in American Society** Richard D. Brown,1969 [Slavery in America](#)

Kenneth Morgan,2005 Designed specially for undergraduate course use this new textbook is both an introduction to the study of American slavery and a reader of core texts on the subject No other volume that combines both primary and secondary readings covers such a span of time from the early seventeenth century to the Civil War The book begins with a substantial introduction to the entire volume that gives an overview of slavery in North America Each of the twelve chapters

that follow has an introduction that discusses the leading secondary books and articles on the topic in question followed by an essay and three primary documents Questions for further study and discussion are included in the chapter introduction while further readings are suggested in the chapter bibliography Topics covered include slave culture the slave based economy slavery and the law slave resistance pro slavery ideology abolition and emancipation The essays by such eminent historians as Drew Gilpin Faust Don E Fehrenbacher Eric Foner John Hope Franklin and Sylvia R Frey have been selected for their teaching value and ability to provoke discussion Drawing on black and white male and female experiences the primary documents come from a wide variety of sources diaries letters laws debates oral testimonies travelers accounts inventories journals autobiographies petitions and novels

Slavery in America: A Deep Dive into Its History and Impact Pasquale De Marco, *Slavery in America A Deep Dive into Its History and Impact* is a comprehensive examination of the institution of slavery in the United States From its origins in the transatlantic slave trade to its abolition after the Civil War this book explores the complex and multifaceted history of slavery in America Drawing on a wide range of sources including historical documents slave narratives and scholarly research this book provides a nuanced and comprehensive understanding of slavery in America It examines the economic social and political factors that contributed to the development of slavery as well as the impact of slavery on the lives of enslaved people and American society as a whole This book also explores the abolitionist movement and the Civil War which ultimately led to the end of slavery in America It examines the role of key figures in the abolitionist movement such as Frederick Douglass and Harriet Beecher Stowe as well as the political and military events that led to the Civil War The legacy of slavery in America is still felt today This book examines the impact of slavery on American society including the ongoing struggle for racial equality It also explores the ways in which slavery continues to shape American culture and politics *Slavery in America A Deep Dive into Its History and Impact* is an essential resource for anyone who wants to understand the history of slavery in America and its lasting legacy It is a well researched and accessible book that provides a comprehensive overview of this important topic If you like this book write a review

Slavery in America Dorothy Schneider, Carl J. Schneider, 2014-05-14 Presents the history of slavery in America from colonial times through the U S Civil War [Encyclopedia of African American Society](#) Gerald D. Jaynes, 2005-02 An encyclopedic reference of African American history and culture **Slave Breeding** Gregory D. Smithers, 2012-11-01 This book is an exploration of the idea of selective and forced slave breeding in the U S based on the collective memory and folktales of the descendants of enslaved people For over two centuries the topic of slave breeding has occupied a controversial place in the master narrative of American history From nineteenth century abolitionists to twentieth century filmmakers and artists Americans have debated whether slave owners deliberately and coercively manipulated the sexual practices and marital status of enslaved African Americans to reproduce new generations of slaves for profit In this bold and provocative book a historian investigates how African Americans have narrated remembered and represented slave breeding

practices He argues that while social and economic historians have downplayed the significance of slave breeding African Americans have never been able to forget the trauma of violence and sexual coercion associated with the plantation South By placing African American histories and memories of slave breeding within the larger context of America s history of racial and gender discrimination the author reveals how sexual exploitation was both experienced and remembered by African Americans to inform how Black Americans understand the political social and cultural nature of life in the United States This fascinating provocative work sheds much needed light on African American cultural memories the perceptions of fragile Black families and the long history of racially motivated violence against men women and children of color *The Right of American Slavery* T. W. Hoit,2019-12-13 T W Hoit s *The Right of American Slavery* is a provocative examination of the moral legal and economic justifications for slavery in 19th century America Through a blend of rigorous argumentation and eloquent prose Hoit engages with the prevailing cultural tensions of his time addressing both pro slavery and abolitionist perspectives The text elucidates the complex interplay between law and ethics positioning slavery as a contentious issue that sparked fierce debates regarding human rights and economic necessity Hoit employs a meticulous narrative style interspersing historical anecdotes with persuasive rhetoric crafting a compelling argument that invites readers to reflect deeply on the foundational principles of American society T W Hoit was a prominent voice in the antebellum period deeply influenced by the socioeconomic fabric of his environment His background as a lawyer and an astute commentator on social issues enabled him to articulate the prevailing justifications for slavery while also critically engaging with dissenting voices Hoit s work emerges from a milieu of political turmoil and moral uncertainty establishing him as a key figure in the discourse surrounding American slavery This book is essential for anyone seeking a nuanced understanding of the historical context of slavery in America Readers interested in the intersections of law ethics and society will find Hoit s insights both illuminating and challenging Hoit s thorough examination invites critical reflection and fosters an informed dialogue about one of America s most contentious issues *Reader's Guide to American History* Peter J. Parish,2013-06-17 There are so many books on so many aspects of the history of the United States offering such a wide variety of interpretations that students teachers scholars and librarians often need help and advice on how to find what they want The Reader s Guide to American History is designed to meet that need by adopting a new and constructive approach to the appreciation of this rich historiography Each of the 600 entries on topics in political social and economic history describes and evaluates some 6 to 12 books on the topic providing guidance to the reader on everything from broad surveys and interpretive works to specialized monographs The entries are devoted to events and individuals as well as broader themes and are written by a team of well over 200 contributors all scholars of American history **Anti-slavery in America from the Introduction of African Slaves to the Prohibition of the Slave Trade (1619-1808)** Mary Stoughton Locke,1901 *The Slavery Reader* Gad J. Heuman,James Walvin,2003 Brings together the most recent and essential writings on slavery Spanning almost five centuries

the late fifteenth until the mid nineteenth the articles trace the range and impact of slavery on the modern western world

The Neglected Period of Anti-slavery in America (1808-1831) Alice Dana Adams,1908 Encyclopedia of African American History Leslie M. Alexander,Walter C. Rucker,2010-02-09 A fresh compilation of essays and entries based on the latest research this work documents African American culture and political activism from the slavery era through the 20th century Encyclopedia of African American History introduces readers to the significant people events sociopolitical movements and ideas that have shaped African American life from earliest contact between African peoples and Europeans through the late 20th century This encyclopedia places the African American experience in the context of the entire African diaspora with entries organized in sections on African European contact and enslavement culture resistance and identity during enslavement political activism from the Revolutionary War to Southern emancipation political activism from Reconstruction to the modern Civil Rights movement black nationalism and urbanization and Pan Africanism and contemporary black America Based on the latest scholarship and engagingly written there is no better go to reference for exploring the history of African Americans and their distinctive impact on American society politics business literature art food clothing music language and technology New Studies in the History of American Slavery Edward E. Baptist,Stephanie M. H. Camp,2006-01-01 These essays by some of the most prominent young historians writing about slavery fill gaps in our understanding of such subjects as enslaved women the Atlantic and internal slave trades the relationships between Indians and enslaved people and enslavement in Latin America Inventive and stimulating the essays model the blending of methods and styles that characterizes the new cultural history of slavery s social political and economic systems Several common themes emerge from the volume among them the correlation between race and identity the meanings contained in family and community relationships gender and life s commonplaces and the literary and legal representations that legitimated and codified enslavement and difference Such themes signal methodological and pedagogical shifts in the field away from master slave or white black race relations models toward perspectives that give us deeper access to the mental universe of slavery Topics of the essays range widely including European ideas about the reproductive capacities of African women and the process of making race in the Atlantic world the contradictions of the assimilation of enslaved African American runaways into Creek communities the consequences and meanings of death to Jamaican slaves and slave owners and the tensions between midwifery as a black cultural and spiritual institution and slave midwives as health workers in a plantation economy Opening our eyes to the personal the contentious and even the intimate these essays call for a history in which both enslaved and enslavers acted in a vast human drama of bondage and freedom salvation and damnation wealth and exploitation *Great Debates in American History: State rights (1798-1861); Slavery (1858-1861) ; with an introduction by E. D. Warfield* Marion Mills Miller,1913 **A Short History of the American People: The development of American nationality, by C.R. Fish ,1919** *Immigrants in American History* Elliott

Robert Barkan,2013-01-17 This encyclopedia is a unique collection of entries covering the arrival adaptation and integration of immigrants into American culture from the 1500s to 2010 Few topics inspire such debate among American citizens as the issue of immigration in the United States Yet it is the steady influx of foreigners into America over 400 years that has shaped the social character of the United States and has favorably positioned this country for globalization Immigrants in American History Arrival Adaptation and Integration is a chronological study of the migration of various ethnic groups to the United States from 1500 to the present day This multivolume collection explores dozens of immigrant populations in America and delves into major topical issues affecting different groups across time periods For example the first author of the collection profiles African Americans as an example of the effects of involuntary migrations A cross disciplinary approach derived from the contributions of leading scholars in the fields of history sociology cultural development economics political science law and cultural adaptation introduces a comparative analysis of customs beliefs and character among groups and provides insight into the impact of newcomers on American society and culture Post-Slavery America: A New Era of Freedom

Pasquale De Marco,2025-07-10 This comprehensive book explores the complex and multifaceted legacy of the post slavery era in America From the abolitionist movement to the Civil Rights Movement from the Great Migration to the Black Panther Party this book delves into the major events and themes that have shaped the African American experience in the United States It examines the enduring scars of slavery the fight for freedom the challenges of Reconstruction and the ongoing struggle for equality The book provides a nuanced understanding of the post slavery era exploring the impact of slavery on American society the rise of the abolitionist movement and the emancipation of slaves It traces the challenges of rebuilding a nation after the Civil War the rise of Jim Crow and the Black Codes and the Great Migration of African Americans to urban centers The book also examines the Civil Rights Movement the Black Panther Party and the Black Feminist Movement highlighting their role in the fight for equality and social justice It explores the complex issues of affirmative action racial equality the role of the African American church and the vibrant world of Black art and cultural expression This book is an essential resource for anyone seeking a deeper understanding of the post slavery era in America It provides a comprehensive overview of the major events themes and figures that have shaped the African American experience and offers a nuanced perspective on the ongoing challenges and triumphs faced by African Americans in the United States If you like this book write a review *Guide to the Study of American History* Edward Channing,1896
