

Slavery In Bermuda

Aaron Menikoff

Slavery In Bermuda:

Slavery in Bermuda James Ernest Smith, 1976 In this book the author a native of Bermuda and an accomplished scholar in English Literature and History presents a graphic documented and detailed account of a little known but significant phase of the practice of slavery in the New World Slavery in Bermuda although assimilating features of slavery elsewhere acquired certain unique characteristics From an early stage in her history the island steered away from a plantation economy and depended primarily on trade and commerce One result of this trend was that majority of slaves became sailors pilots shipwrights carpenters masons domestic servants and common labourers This early departure from a plantation system also encouraged the evolution of a mild form of slavery Nevertheless the Bermudian slaves were victims of oppressive laws which denigrated their status and stripped them of their dignity They sometimes expressed their discontent in the form of conspiracies against their masters but these were always discovered before bloodshed and violence occurred As the years passed slavery proved itself a burden and slave alike and the British Government's decision to end slavery in all British colonies in 1834 was particularly welcomed in Bermuda where the institution had long outlived its usefulness

Slaves and Slaveholders in Bermuda, 1616-1782 Virginia Bernhard, 1999 Slaves Slaveholders in Bermuda 1616 1782 offers a fresh perspective on the complex relationship between racism slavery in the often overlooked second oldest English colony in the New World As the first blacks were brought onto the islands not specifically for slave labor but for their expertise as pearl divers cultivators of West Indies plants Bermuda's racial history began to unfold much differently from that of the Caribbean islands or of the North American mainland Bermuda's history records the arrival of the first blacks the first English law passed to control the behavior of the Negroes the creation of ninety nine year indentures for black Indian servants Slavery may have dictated strained the relationships between whites blacks but in this smallest of English colonies it differed from slavery elsewhere because of the uniquely close master slave relations created by Bermuda's size maritime economy At only twenty one square miles in size Bermuda saw slaves slave holders working living closer together than in other societies Additionally the emphasis on maritime pursuits offered slaves a degree of autonomy a sense of identity unequalled in other English colonies This groundbreaking history of Bermuda's slavery reveals fewer runaways less violent rebellions relatively milder punishments for offending slaves One anecdote recounts that in 1782 seventy black seamen offered freedom in Boston voluntarily returned to their Bermuda homes Bernhard delves into the origins of Bermuda's slavery its peculiar nature its effects on blacks whites She bases her study on archival research drawn from wills inventories laws court cases governors reports council minutes Intended as an introduction to both the history of the islands the rich sources for further study this book will prove invaluable to scholars of slavery as well as those interested in historical archaeology anthropology maritime history colonial history

Chained on the Rock Cyril Outerbridge Packwood, 1975 *The History of Slavery in Bermuda* James Ernest Smith, 1971 Slavery in Bermuda, 1609-1685 Cyril Outerbridge Packwood, 1972 **Moon Bermuda**

Maverick Guide to Bermuda Catherine Harriott,2004-03-01 This updated edition includes detailed information on transportation dining accommodations and nightlife with special sections for business travel senior citizens and even planning a Bermuda wedding

Politics of Memory Ana Lucia Araujo,2013-05-07 The public memory of slavery and the Atlantic slave trade which some years ago could be observed especially in North America has slowly emerged into a transnational phenomenon now encompassing Europe Africa and Latin America and even Asia allowing the populations of African descent organized groups governments non governmental organizations and societies in these different regions to

individually and collectively update and reconstruct the slave past This edited volume examines the recent transnational emergence of the public memory of slavery shedding light on the work of memory produced by groups of individuals who are descendants of slaves The chapters in this book explore how the memory of the enslaved and slavers is shaped and displayed in the public space not only in the former slave societies but also in the regions that provided captives to the former American colonies and European metropolises Through the analysis of exhibitions museums monuments accounts and public performances the volume makes sense of the political stakes involved in the phenomenon of memorialization of slavery and the slave trade in the public sphere **An Account of Bermuda, Past and Present** John Ogilvy,1883 **Bermuda** Tamra Orr,2009 Celebrates the diversity of life through the exploration of cultures around the world **Bermuda** Brent Fortenberry,2017-12-02 This special issue of *Post Medieval Archaeology* guest edited by Brent Fortenberry Boston University and Marley Brown III The College of William and Mary celebrates archaeology in Bermuda on the eve of the island's 400th anniversary The volume presents the diverse nature of contemporary archaeological research on Bermuda drawing together a wide array of scholars from the disciplines of archaeology history material culture studies heritage and architectural history The volume seeks to bring about a greater awareness of the island's archaeology and to explore its place within the historic and contemporary Atlantic world **Central Africans, Atlantic Creoles, and the Foundation of the Americas, 1585-1660** Linda M. Heywood,John K. Thornton,2007-09-10 This book establishes Central Africa as the origin of most Africans brought to English and Dutch American colonies in North America the Caribbean and South America before 1660 It reveals that Central Africans were frequently possessors of an Atlantic Creole culture and places the movement of slaves and creation of the colonies within an Atlantic historical framework **Bermuda** Rachael Morlock,2021-12-15 Bermuda is a popular tourism destination but what is life like for the people who live on the islands that make up this British territory Readers discover the answer to this question with the help of comprehensive main text that closely examines Bermuda's history government natural world and culture Sidebars provide additional information and colorful photographs and maps give readers a more detailed look at the land and its people Readers are even encouraged to get hands on in their cultural exploration through simple recipes that highlight some of Bermuda's most beloved dishes **The Bermuda Islands** Addison Emery Verrill,1903 **The Bermuda Islands: Their Scenery, Climate, Productions, Physiography, Natural History and Geology** Addison Emery Verrill,1902 Vol 15 To the University of Leipzig on the occasion of the five hundredth anniversary of its foundation from Yale University and the Connecticut Academy of Arts and Sciences 1909 **Memory Lands** Christine M. DeLucia,2018-01-09 Noted historian Christine DeLucia offers a major reconsideration of the violent seventeenth century conflict in northeastern America known as King Philip's War providing an alternative to Pilgrim centric narratives that have conventionally dominated the histories of colonial New England DeLucia grounds her study of one of the most devastating conflicts between Native Americans and European settlers in early America in five specific places that were

directly affected by the crisis spanning the Northeast as well as the Atlantic world She examines the war's effects on the everyday lives and collective mentalities of the region's diverse Native and Euro American communities over the course of several centuries focusing on persistent struggles over land and water sovereignty resistance cultural memory and intercultural interactions An enlightening work that draws from oral traditions archival traces material and visual culture archaeology literature and environmental studies this study reassesses the nature and enduring legacies of a watershed historical event

Politics and Piety Aaron Menikoff, 2014-05-29 Historians have painted a picture of nineteenth century Baptists huddled in clapboard meetinghouses preaching sermons and singing hymns seemingly unaware of the wider world According to this view Baptists were so heavenly minded they were of no earthly good Overlooked are the illustrative stories of Baptists fighting poverty promoting abolition petitioning Congress and debating tax policy *Politics and Piety* is a careful look at antebellum Baptist life It is seen in figures such as John Broadus whose first sermon promoted temperance David Barrow who formed an anti slavery association in Kentucky and in a Savannah church that started a ministry to the homeless Not only did Baptists promote piety for the good of their churches but they did so for the betterment of society at large Though they aimed to change America one soul at a time that is only part of the story They also engaged the political arena forcefully and directly Simply put Baptists were social reformers Relying on the ideas of rank and file Baptists found in the minutes of local churches and associations as well as the popular parochial newspapers of the day *Politics and Piety* uncovers a theologically minded and controversial movement to improve the nation Understanding where these Baptists united and divided is a key to unlocking the differences in evangelical political engagement today

In the Eye of All Trade Michael J. Jarvis, 2012-12-01 In an exploration of the oceanic connections of the Atlantic world Michael J Jarvis recovers a mariner's view of early America as seen through the eyes of Bermuda's seafarers The first social history of eighteenth century Bermuda this book profiles how one especially intensive maritime community capitalized on its position in the eye of all trade Jarvis takes readers aboard small Bermudian sloops and follows white and enslaved sailors as they shuttled cargoes between ports raked salt harvested timber salvaged shipwrecks hunted whales captured prizes and smuggled contraband in an expansive maritime sphere spanning Great Britain's North American and Caribbean colonies In doing so he shows how humble sailors and seafaring slaves operating small family owned vessels were significant but underappreciated agents of Atlantic integration The American Revolution starkly revealed the extent of British America's integration before 1775 as it shattered interregional links that Bermudians had helped to forge Reliant on North America for food and customers Bermudians faced disaster at the conflict's start A bold act of treason enabled islanders to continue trade with their rebellious neighbors and helped them to survive and even prosper in an Atlantic world at war Ultimately however the creation of the United States ended Bermuda's economic independence and doomed the island's maritime economy
