A Result of Trauma Katina ReNee Dolford,2024-07-29 In a heartfelt dialogue with God I once expressed feeling emotionally burdensome and isolated asking Can t I have anyone to talk deeply about the things I go through on a continual basis without being ghosted abandoned and ditched This book is born from the depths of my experiences with sexual mental and emotional

trauma that I navigate daily Many of the accounts within these pages are shocking horrifying and may even be traumatizing to some Yet they represent the clearest and most artistic depiction of the atrocities inflicted upon me When people meet me they often see the strong persona I ve projected but the true individual they encounter is the wounded woman standing at the forefront still healing This book is not just my story it is an advocacy for the little girl within me who deserves to have her story told the mental physical emotional and sexual abuses that caused these deep wounds There are many who have endured similar or even more harrowing experiences and they will find understanding and relatability in this journey Healing is a process not a destination As I uncover new layers of pain to heal I invite readers to join me in this ongoing journey of recovery and resilience

What We Did in Bed Brian Fagan, Nadia Durrani, 2019-09-24 A social history that pulls back the covers on the most intimate piece of furniture in our lives Entertaining will keep you awake long into the night Paul Chrystal author of *The History of Sweets* Louis XIV ruled France from his bedchamber Winston Churchill governed Britain from his during World War II Travelers routinely used to bed down with complete strangers and whole families shared beds in many preindustrial households Beds were expensive items and often for show Tutankhamun was buried on a golden bed wealthy Greeks were sent to the afterlife on dining beds and deceased middle class Victorians were propped up on a bed in the parlor In this sweeping social history that spans seventy

thousand years Brian Fagan and Nadia Durrani look at the endlessly varied role of the bed through time This was a place for sex death childbirth storytelling and sociability as well as sleeping But who did what with whom why and how could vary incredibly depending on the time and place It is only in the modern era that the bed has transformed into a private hidden zone and its rich social history has largely been forgotten Includes photographs With Fire and Sword Henryk Sienkiewicz, 1897
