**Social Crisis Preaching** Kelly Miller Smith, 2000-09      **Social Crisis Preaching** Tyshawn Gardner, 2023-02-01 This book provides a theology for social crisis preaching by arguing that Christian proclamation is the best prescription for the social crises in our world Social Crisis Preaching positions the pastor as a sacred anthropologist one who is aware of both the crises in one's community but also as one who has a firm understanding of the people in the pews It also equips the preacher with both the hermeneutical and homiletical tools to confront social crisis with biblical integrity Lastly this book argues that social crisis preaching develops Christians disciples and congregations as those who care about and confront the social crisis in their neighbor's community following the biblical mandate to love your neighbor as yourself      **The Sacred Art** Johnny Turner, 2007-06 Dr Johnny Turner's The Sacred Art Growing Faithful Disciples in the 21st Century is a fresh approach for guiding Christians to reclaim the sacred art of discipleship Turner combines scholarly research and practical insights and stresses the need for discipleship training It is critical because discipleship is a sacred art It is sacred because discipleship is part of the Great Commission Dr Turner describes how growing faithful disciples can be accomplished in the church and he invites the church to become totally involved in the process of growing disciples After reading you will discover too that discipleship is truly The Sacred Art Pastor Johnny Turner has given us a practical first things first approach to deeply important spiritual matters It is both thought provoking and inspirational Jim Cymbala Senior Pastor The Brooklyn Tabernacle      **Rhetoric, Religion and the Civil Rights Movement, 1954-1965** Davis W. A prizewinning historian pens this biography of C. L. Franklin, the greatest African American preacher of his generation, father of Aretha and civil rights pioneer. *The Divided Mind of the Black Church* Raphael G. Warnock, 2023-11-21. An altar call to action from the U.S. senator and senior pastor at Atlanta's Ebenezer Baptist Church, Publishers Weekly. What is the true nature and mission of the church? Is its proper Christian purpose to save souls or to transform the social order? This question is especially fraught when the church is one built by an enslaved people and formed from its beginning at the center of an oppressed community's fight for personhood and freedom. Such is the central tension in the identity and mission of the Black church in the United States. For decades, the Black church and Black theology have held each other at arm's length. Black theology has emphasized the role of Christian faith in addressing racism and other forms of oppression, arguing that Jesus urged his disciples to seek the freedom of all peoples. Meanwhile, the Black church, even when focused on social concerns, has often emphasized personal piety rather than social protest. With the rising influence of white evangelicalism, biblical fundamentalism, and the prosperity gospel, the divide has become even more pronounced. This book traces the historical significance of the rise and development of Black theology as an important conversation partner for the Black church. Calling for honest dialogue between Black and womanist theologians and Black pastors, this fresh theological treatment demands a new look at the church's essential mission. An informative work for historians, theologians, and humanities scholars interested in debating what the Black Church needs to be doing in the 21st century. *Journal of African American History*. As a person who is not Black, reading this book provided a learning experience for me. I could also see this book serving as a way to spark discussion involving all ethnic groups as to how we can all, as fellow Christians, blend the goals of saving lost people and moving the culture toward equality for everyone. *Ministry*. Well written and meticulously researched. *The Christian Century* *Light*, 1984.
