*Social Economy* Université du Québec à Montréal. Laboratoire de recherche sur les pratiques et les politiques sociales, 2002 A solidarity based economic model involving revised relationships between the state market and informal economy is outlined in this collection of essays on the social economy of four Canadian provinces Researching the Social Economy Jack Quarter, Laurie Mook, Sherida Ryan, 2010-01-01 In this volume contributors representing an inter regional and international network of scholars and community organizations analyse how the social economy in its many manifestations interacts with and shares characteristics of organizations in the other sectors of the economy The first study of its kind *Researching the Social Economy* enriches our understanding of how this important cluster of organizations contributes to Canadian society in both economic and social terms and lays the groundwork for future study Laurie Mook is an assistant professor in the School of Community Resources and Development at the University of Arizona Jack Quarter is a professor and co director of the Social Economy Centre at the Ontario Institute for Studies in Education University of Toronto Sherida Ryan is the co ordinator of the Community University Research Alliance on Social Business for Marginalized Social Groups at the Ontario Institute for Studies in Education University of Toronto **Canadian Social Policy** Anne Westhues, Brian Wharf, 2012-05-25 Social policy shapes the daily lives of every Canadian citizen and should reflect the beliefs of a majority of Canadians on just approaches to the promotion of health safety and well being Too often those on the front lines social workers nurses and teachers observe that policies do not work well for the most vulnerable groups in society In the first part of this new edition of *Canadian Social Policy* Westhues and Wharf argue that service deliverers have discretion in how policies are implemented and the exercise of this discretion is how citizens experience policy whether or not it is fair and reasonable They show the reader how social policy is made and they encourage active citizenship to produce policies that are more socially just New material includes an examination of the reproduction of systemic racism through the implementation of human rights policy and a comparative analysis of the policy making process in Quebec and English Canada The second part of the book discusses policy issues currently under debate in Canada Included are new chapters that explore parental leave policies and housing as a determinant of health All chapters contain newly updated statistical data and research and policy analysis A reworked section on the process of policy making and the addition of questions for critical reflection enhance the suitability of the book as a core resource in social policy courses The final chapter explores how front line workers in the human services can advocate for change in organizational policies that will benefit the people supported

**How Ottawa Spends 2004-2005** G. Bruce Doern, 2004 Drawing on the work of academics and other experts from across Canada Carleton University's School of Public Policy and Administration's annual book takes a focused and robust look at an era where a political coronation seemed inevitable but high expectations had to be managed downwards almost immediately A less than buoyant fiscal surplus escalating concerns about liberal ethics and corruption and a growing volatility in public

opinion are examined as are Canadians increasingly uncertain views about the new Liberal leadership versus the old Liberal Party's ten year hold on power A new Conservative Party and a suddenly feisty New Democratic Party are also a central part of the new 2004 2005 Canadian political and policy milieu

**Landscapes of Voluntarism** Christine Milligan, David Conradson, 2011 The appeal of voluntary action as a solution to growing welfare needs in advanced capitalist countries raises important questions about the social impacts and spatial equity of such provision For the first time these issues are addressed within a single book exploring the complex relationship between voluntary action society and space

**Changing Politics of Canadian Social Policy, Second Edition** James J. Rice, Michael J. Prince, 2013-03-05 A consistent bestseller since its publication in 2000 Changing Politics of Canadian Social Policy is a one of a kind resource in the fields of political science and social work Examining current conditions affecting the development of social policies in Canada this book offers in depth critical analysis of how these policies first arose and the implications they pose for future policy development This new edition of Changing Politics of Canadian Social Policy features updated chapters while retaining the first edition's analytical focus on economic globalization societal pluralization and social protection The authors offer fresh considerations of gender relations and families community agencies and the voluntary sector as well as the social policy activities of all levels of government in the Canadian federation Changing Politics of Canadian Social Policy will continue to provide the much needed groundwork for students and policymakers as well as propose real solutions for the future
