Social Order And The Limits Of Law A Theoretical Essay

The World Bank

Social Order And The Limits Of Law A Theoretical Essay:

Social Order and the Limits of Law Iredell Jenkins, 2014-07-14 Professor Jenkins develops a systematic theory of the origins the ends and the functions of law He then applies this theory to the problems that law encounters and the conditions that it must satisfy if it is to be an effective force in society Originally published in 1980 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Gaining Ground Charles Lockhart, 2023-04-28 This book examines the challenges of aligning American social programs with the nation's deeply ingrained values of individualism self reliance and responsibility particularly when addressing poverty and other social hazards Public social provision in the United States faces a paradox while the necessity of programs like social security is broadly accepted there is widespread skepticism toward initiatives that appear to relieve individuals of personal accountability Influential critics such as Charles Murray in *Losing Ground* argue that many programs since the 1960s have undermined personal responsibility and discipline fostering dependency rather than self improvement This criticism reflects broader cultural tensions as Americans simultaneously recognize the need for collective action to mitigate risks like aging or illness while clinging to ideals of independence and merit based rewards The thesis presented here is that social programs in the United States can gain broader acceptance and effectiveness by being tailored to resonate with these core values Using the successful example of social security which links benefits to individual contributions the book proposes an investments model that ties public assistance to recipients constructive efforts This approach emphasizing earned benefits rather than handouts offers a framework for redesigning social programs to better address poverty while respecting cultural ideals By examining key programs such as Aid to Families with Dependent Children AFDC Medicare and social security the analysis highlights opportunities for reform that balance the fulfillment of socioeconomic rights with the political and cultural realities of American society While this approach cannot eliminate systemic inequities or transform dreary jobs into fulfilling work it provides a pathway for reducing suffering and fostering greater alignment between public policy and American values This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1989

Drafting Legislation Helen Xanthaki, 2014-10-16 This book constitutes the first thorough academic analysis of legislative drafting By placing the study of legislation and its principles within the paradigm of Flyvberg's phronetic social sciences it offers a novel approach which breaks the tradition of unimaginative past descriptive

reiterations of drafting conventions Instead of prescribing rules for legislation it sets out to identify efficacy as the main aim of the actors in the policy legislative and drafting processes and effectiveness as the main goal in the drafting of legislation Through the prism of effectiveness as synonymous with legislative quality the book explores the stages of the drafting process guides the reader through structure and sections in their logical sequence and introduces rules for drafting preliminary substantive and final provisions Special provisions comparative legislative drafting and training for drafters complete this thorough analysis of the drafting of legislation as a tool for regulation Instead of teaching the reader which drafting rules prevail the book explores the reasons why drafting rules have come about thus encouraging readers to understand what goal is served by each rule and how each rule applies The book is aimed at academics and practitioners who draft or use statutory law in the common or civil law traditions

The Rights of the Child and the Changing Image of Childhood Philip E. Veerman, 2021-11-01 In this book Philip E Veerman presents and discusses milestones in the evolution of children's rights as well as the work of a number of important pioneers in this field in order to examine whether the concept of childhood has changed in our century With Samuel Shye's Systemic Quality of Life Model as a conceptual framework and uniform standard more than forty Declarations and Conventions are analysed and compared Veerman thus unfolds an exciting picture of the changing image of childhood starting at the beginning of this century and culminating in the United Nations Convention on the Rights of the Child of 1989 and the World Summit for Children of 1990 Finally the author proposes together with Samuel Shye a Declaration on the Rights of the Child based on the Systemic Quality of Life Model All the important Declarations and Conventions are reprinted as appendices This makes Veerman's study a complete and up to date textbook on children's rights Dr Veerman is the coordinator of the Israel Section of Defence for Children International DCI and Fellow of the Youth Policy Center of Haifa University

The World Bank Legal Review, Volume 2: Law, Equity and Development The World Bank, 2006-12-31 The World Bank Legal Review is a publication for policy makers and their advisers attorneys and other professionals engaged in the field of international development It offers a combination of legal scholarship lessons from experience legal developments and recent research on the many ways in which the application of the law and the improvement of justice systems promote poverty reduction economic development and the rule of law In keeping with the theme of the World Development Report 2006 Equity and Development and following the success of the World Bank Group's Legal Forum on Law Equity and Development in December 2005 volume 2 of The World Bank Legal Review focuses on issues of equity and development The volume draws together some of the key ideas of the Legal Forum including articles by many of its distinguished participants and explores the role of equity in the development process highlighting how legal and regulatory frameworks and equitable justice systems can do much to level the playing field in the political economic and sociocultural domains as well as how they can reinforce existing inequalities Consistent with the interdisciplinary nature of this endeavour Law Equity and Development contains work by academics and practitioners in law

criminal justice economics human rights social development cultural studies and anthropology **Political Science: An Islamic Perspective** A. Moten, 1995-12-13 This book investigates both theoretically and in considerable empirical detail the teachings of Islam vis a vis politics It defines the essence of Islamic civilization and highlights aspects of the colonial encounter as a background for understanding contemporary dynamics of the Muslim world It shows through textual intellectual and historical evidences the linkage between Islam and politics and the nature of Islamic research methodology Additionally it deals with a range of key issues and institutions including the law the community the legal and political order and the strategies and tactics of various Islamic movements Useful distinctions are made between Islamic and Western perspectives which should prove illuminating to experienced professionals and students alike Sharing without Reckoning Millard Schumaker, 2006-01-01 Sharing without Reckoning is the first full scale treatment of the ancient and persistent distinction between perfect and imperfect rights and duties It examines the use of the distinction in jurisprudential philosophical and religious material from Classical times until the present proposes a connection between imperfect right and the norms of reciprocity as that complex set of ideas has been developed in anthropology and sociology and argues that contemporary understanding of the nature of morality and of moral reasoning would be well served by the reintroduction of this traditional doctrine This enlightening study includes a notable chapter reassessing the role of imperfect obligation in the thought of Immanuel Kant portraying a kinder and gentler Kant Concluding by elaborating ways in which concepts such as love justice and the boundary between law and morality might be reconstructed taking the fact of imperfect right seriously this work will serve as a key reference for scholars interested in the complex question of perfect and imperfect rights and duties **Collaborative Imagination** Paul Feigenbaum, 2015 Processes of fighting unequal citizenship have historically prioritized literacy education through which people envision universally first class citizenship and devise practical methods for enacting this vision Collaborative Imagination explores how literacy education can facilitate activism amid contemporary contexts in which citizenship is officially equal but in practice underserved populations often remain consigned to second class status The Policy of Law Mauro Zamboni, 2007-11-19 The book focuses on the relationship between law and politics as perceived by the legal community and more specifically the transformation of politics into law After exploring the relationship between law and politics as considered by the major modern schools of legal theory the focus moves to the regions of interaction in which law and politics meet termed the policy of law The policy of law is characterized in this work as the stage of the law making process at which values entrenched in political decisions are transformed into legal concepts in order to fit the existing legal system The space labeled as policy of law is today mainly but not exclusively the domain of legal actors Consequently the identification of a branch of the legal discipline specifically devoted to the investigation of the transformations of values into law is given the policy of law analysis Finally whether and to what extent the policy of law analysis can be encompassed within the traditional legal discipline and more particularly as a part of jurisprudence is

explored Zamboni ranges broadly and knowledgeably over vast areas of legal theory But it is no mere taxonomising his argument is valuable and original It is clear learned and never boring Zenon Bankowski University of Edinburgh A General Jurisprudence of Law and Society Brian Z. Tamanaha,2001 Law is generally understood to be a mirror of society that functions to maintain social order Focusing on this general understanding this text conducts a survey of Western legal and social theories about law and its relationship within society *Conceptions and Misconceptions of Legislation* A. Daniel Oliver-Lalana,2019-06-14 This volume brings together an international group of legal scholars to discuss different approaches to lawmaking As well as reflecting the diversity of legisprudence as a re emerging academic field it offers a broad overview of current developments and challenges in the theory of legislation and aspires moreover to counterbalance some questionable ideas or misconceptions widespread among jurists on what making laws entails The book is organized into three parts The first comprises a sample of ways and models of legislation ranging from classic legislative ideals to contemporary forms of regulation The essays in this part variances of focus notwithstanding revolve around the notions of legislative rationality quality effectiveness and legitimacy which may be regarded as the cornerstones of legisprudence Interwoven with these notions is another core legisprudential concern the justification of laws We address it separately in the next part by exploring the connection between lawmaking argumentation and constitutional democracy under the heading legislation in a culture of justification a number of aspects of this connection are tackled that have not been sufficiently considered so far in legisprudential literature such as the intricacies of legislative reasoning and balancing or the justificatory problems posed by special interest legislation The under privileged status of legisprudence in legal studies and the need for socially attentive and citizen oriented legislative research come to the fore in the third part of the book which turns to the relationships between legisprudence lawyers and citizens All in all the thirteen articles gathered here provide a stimulating insight into the theory of legislation and can hopefully contribute to the reconciliation of the study of law and the study of its making

Courts, Politics and Constitutional Law Martin Belov,2019-10-16 This book examines how the judicialization of politics and the politicization of courts affect representative democracy rule of law and separation of powers This volume critically assesses the phenomena of judicialization of politics and politicization of the judiciary It explores the rising impact of courts on key constitutional principles such as democracy and separation of powers which is paralleled by increasing criticism of this influence from both liberal and illiberal perspectives The book also addresses the challenges to rule of law as a principle preconditioned on independent and powerful courts which are triggered by both democratic backsliding and the mushrooming of populist constitutionalism and illiberal constitutional regimes Presenting a wide range of case studies the book will be a valuable resource for students and academics in constitutional law and political science seeking to understand the increasingly complex relationships between the judiciary executive and legislature *Legislative Drafting for the EU* Helen Xanthaki,2024-04-12 Legislative Drafting for the EU calls for reform in the design of EU legislation to bolster its

strength in political social and economic spheres The book offers technical guidance on how to achieve such reform through drafting and underlines the importance of accessible communication to create collective ownership of the regulatory aims

Dictionary Of Modern American Philosophers John R. Shook,2005-05-15 The Dictionary of Modern American Philosophers includes both academic and non academic philosophers and a large number of female and minority thinkers whose work has been neglected It includes those intellectuals involved in the development of psychology pedagogy sociology anthropology education theology political science and several other fields before these disciplines came to be considered distinct from philosophy in the late nineteenth century Each entry contains a short biography of the writer an exposition and analysis of his or her doctrines and ideas a bibliography of writings and suggestions for further reading While all the major post Civil War philosophers are present the most valuable feature of this dictionary is its coverage of a huge range of less well known writers including hundreds of presently obscure thinkers In many cases the Dictionary of Modern American Philosophers offers the first scholarly treatment of the life and work of certain writers This book will be an indispensable reference work for scholars working on almost any aspect of modern American thought

A Three-Dimensional Theory of Law María José Falcon y Tella,2010-04-27 What this book intends to do is to study three dimensionalism the distinction values norms facts not in what could be called its historical dimension but in its substantive aspect as a form that when applied to different legal themes would add a material content to the three dimensional theory We can point out as a study plan the distinction between three perspectives Those of the legal norm of the legal order and the legal relationship Three dimensionalism also appears in this work when one analyzes the three phases of the life of the law The formation the interpretation and the application and in the distinction between the three characteristics of the legal order Fullness coherence and unity the theory of legal validity intended as legitimacy as validity strictly speaking or as effectiveness Grotiana ,1980 *The EU Better Regulation Agenda* Sacha Garben,Inge Govaere,2018-05-17 Better Regulation in the EU is a perennial and topical question which has important implications for the future direction of EU law While actions directed at improving the quality and accessibility of EU regulation are not novel in recent years the Better Regulation Agenda has significantly affected the structural organisation and day to day operation of the EU legislative process Yet many questions about the future of the Agenda remain not least in light of Brexit Exploring the Better Regulation Agenda and its relation to the overall EU legal and political order necessitates an integrated interdisciplinary approach This edited volume presents insights from economics political science and legal scholarship Furthermore to allow full understanding it examines institutional practice where the Agenda is made and shaped on a daily basis Hence the book features contributions from the perspective of the work of the main EU institutions the European Commission the Parliament the Council and the Court of Justice This results in a seminal overview of the subject of interest to scholars and practitioners alike

Drafting Legislation Constantin Stefanou,2016-05-13 Drafting Legislation sets out to prove Sir William Dale s doctrine that the rules for drafting good quality

legislation are the same in common and civil systems of law Legislative solutions can therefore serve the drafter the judge and the practitioner of any jurisdiction The book discusses the general issue of quality in legislation from the legislative process to the actual drafting interpretation and enforcement It also analyzes topics related to quality in legislation such as clarity precision and disambiguity plain language and gender neutral language and assesses whether Sir William s view of universality in the definition and elements of quality in legislation is right or not The volume is of critical interest to students and scholars of European law and the philosophy and theory of law Labyrinth: An Essay on the Political Psychology of Change R.E. Wilson, 2016-07-22 To receive tenure college and university professors have long been required to write scholarly monographs or articles engage in serious research and teach effectively This collection of articles marks the first effort to evaluate the place of digital scholarship in this process **American Journal of Islamic Social Sciences 7:2** A. Rashid Moten, Louay M. Safi, Mahmoud Dhaouadi, Boualem Bendjilali and Farid B. Taher, The American Journal of Islamic Social Sciences AJISS established in 1984 is a quarterly double blind peer reviewed and interdisciplinary journal published by the International Institute of Islamic Thought IIIT and distributed worldwide The journal showcases a wide variety of scholarly research on all facets of Islam and the Muslim world including subjects such as anthropology history philosophy and metaphysics politics psychology religious law and traditional Islam

As recognized, adventure as well as experience about lesson, amusement, as capably as promise can be gotten by just checking out a books **Social Order And The Limits Of Law A Theoretical Essay** plus it is not directly done, you could agree to even more in the region of this life, in the region of the world.

We meet the expense of you this proper as capably as simple pretentiousness to get those all. We find the money for Social Order And The Limits Of Law A Theoretical Essay and numerous ebook collections from fictions to scientific research in any way. in the course of them is this Social Order And The Limits Of Law A Theoretical Essay that can be your partner.
