Social Order The Risks Of War

**Oliveira, Lídia,Tajariol,
Federico,Gonçalves, Liliana Baptista**

Social Order The Risks Of War:

Social Order and the Risks of War; Papers in Political Sociology Hans Speier, 1969 *Communication and Social Order* Niklas Luhmann, 1993 A great deal of attention has been devoted to risk research Sociologists in general have limited themselves to varying recognitions of a society at risk and have traced out the paths to disaster The detailed research has yet to be undertaken In *Risk* now available in paperback Niklas Luhmann develops a theoretical program for such research His premise is that the concept of risk projects essential aspects of our description of the future onto the present Risk is conceived as the possibility of triggering unexpected unlikely and detrimental consequences by means of a decision attributable to a decision maker *Social Order and the Risks of War* Former Head of Social Science Division Rand Corporation Santa Monica California Robert Maciver Professor of Social and Political Science Hans Speier, Hans Speier, 2011-10-01 *The Risk Society at War* Mikkel Vedby Rasmussen, 2006-12-14 In the globalised world of the twenty first century security policy in Western societies is driven by a wish to prevent future threats from becoming reality Applying theories of risk society to the study of strategy this book analyses the creation of a new approach to strategy The author demonstrates that this approach creates new choices for policy makers and challenges well established truths within the study of security and strategy He argues that since the seventeenth century the concept of strategy has served to rationalise new technologies doctrines and agents By outlining the history of the concept of strategy in terms of rationality Rasmussen presents a framework for studying strategy in a time of risk and uses this framework to analyse how new technologies of war pre emptive doctrines globalisation and the rise of the terrorist approach to warfare can formulate a new theory of strategy

Risk and the Control of Technology Alan Irwin, 1985 **Honor: A Phenomenology** Robert L. Oprisko, 2012-07-26 Honor is misunderstood in the social sciences The literature lacks both accuracy and precision in its conceptual development such that we no longer say what we mean because we have no idea what we re saying We use many terms to mean honor and mean many different ideas when we refer to honor Honor A Phenomenology is designed to fix all of these problems A ground breaking examination of honor as a metaphenomenon this book incorporates various structures of social control including prestige face shame and affiliated honor and the rejection of said structures by dignified individuals and groups It shows honor to be a concept that encompasses a number of processes that operate together in order to structure society Honor is how we are inscribed with social value by others and the means by which we inscribe others with social honor Because it is the means by which individuals fit in and function with society the main divisions internal within the psyche of the individual and external within the norms and institutions of society Honor is the glue that holds groups together and the wedge that forces them apart it defines who is us and who them It accounts for the continuity and change in socio political systems

War in an Age of Risk Christopher Coker, 2013-05-08 Wars throughout history have been fought in the name of ideology religion and the pursuit of peace Our thinking about war when it is justified how it should be fought and how it is

perceived has changed dramatically over time Whereas in the past war has been seen as a battle of wills this provocative and illuminating new book shows how war has evolved into an exercise in risk management In a rare blend of political science sociology history and cultural thought Christopher Coker peels away the layers of meaning shrouding our current understanding of war and warfare Using the ideas of writers such as Zygmunt Bauman Ulrich Beck and Frank Furedi he shows that risk has become the language of business politics and public policy and so we should not be surprised that it has now become the language of war The book highlights the increasing difference between homeland security and national security in the modern world arguing that the defense of the citizen is often now more challenging than the defense of the state By demonstrating the changing character and complexity of conflict from World War I to the current the current fight against terrorism the book provides a powerful and highly distinctive account of the re branding of war in an age of risk This book is set to ignite debate amongst students and scholars of international politics as well as appealing to anyone interested in war and its place in contemporary society

The Nature of Peace and the Morality of Armed Conflict Florian Demont-Biaggi, 2017-10-24 This book explores topical issues in military ethics by according peace a central role within an interdisciplinary framework Whilst war and peace have traditionally been viewed through the lens of philosophical enquiry political issues and theological ideas as well as common sense have also influenced people's understanding of armed conflicts with regards to both the moral issues they raise and the policies and actions they require Comprised of fourteen essays on the role and application of peace the book places emphasis on its philosophical moral theological technological and practical implications Starting with an overview of Kantian perspectives on peace it moves to discussions of the Just War debates religious conceptualizations of peace and the role of peace in modern war technology and cyber security Finally concluding with discussions of the psychological and medical impacts of war and peace on both the individual and the larger society this collection offers a contribution to the field and will be of interest to a wide audience Chapters 4 6 and 10 of this book are available open access under a CC BY 4 0 license at link.springer.com

Annihilation and Utopia Errol E. Harris, 2013-04-15 Originally published in 1966 The main purpose of this book is not philosophical speculation but to draw the obvious conclusions from political and historical facts about the prospects and methods of human political survival The central theme is developed in the context of problems which cause most anxiety today the mounting arms race the unstable balance of power the rapid growth of population racial conflicts and ideological incompatibilities

Digital Services in Crisis, Disaster, and Emergency Situations Oliveira, Lúcia, Tajariol, Federico, Gonçalves, Lílana Baptista, 2021-01-29 The contemporary world is characterized by the massive use of digital communication platforms and services that allow people to stay in touch with each other and their organizations On the other hand it is also a world with great challenges in terms of crisis disaster and emergency situations of various kinds Thus it is crucial to understand the role of digital platforms services in the context of crisis disaster and emergency situations *Digital Services in Crisis Disaster and Emergency Situations* presents recent studies

on crisis disaster and emergency situations in which digital technologies are considered as a key mediator Featuring multi and interdisciplinary research findings this comprehensive reference work highlights the relevance of society's digitization and its usefulness and contribution to the different phases and types of risk scenarios Thus the book investigates the design of digital services that are specifically developed for use in crisis situations and examines services such as online social networks that can be used for communication purposes in emergency events Highlighting themes that include crisis management communication risk monitoring digital crisis intervention and smartphone applications this book is of particular use to governments institutions corporations and professionals who deal with crisis disaster and emergency scenarios as well as researchers academicians and students working in fields such as communications multimedia sociology political science and engineering

Risk in The New York Times (1987-2014) Jens O. Zinn, Daniel McDonald, 2017-11-09 This book investigates to what extent claims of common social science risk theories such as risk society governmentality risk and culture risk colonisation and culture of fear are reflected in linguistic changes in print news media The authors provide a corpus based investigation of risk words in The New York Times 1987-2014 and a case study of the health domain The book presents results from an interdisciplinary enterprise which combines sociological risk theories with a systematic functional theory of language to conduct an empirical analysis of linguistic patterns and social change It will be of interest to students and scholars interested in corpus linguistics and digital humanities and social scientists looking for new research strategies to examine long term social change

Peace and War Mary LeCron Foster, 2020-03-02 Is war necessary In Peace and War prominent anthropologists and other social scientists explore the cultural and social factors leading to war They analyze the covert causes of war from a cross cultural perspective ideologies that dispose people to war underlying patterns of social relationships that help institutionalize war and the cultural systems of military establishments Overt causes of war environmental factors like the control of scarce resources advantageous territories and technologies or promoting the welfare of people like oneself are also considered The authors examine anthropologists role in policy formation how their theories on the nature of culture and society help those who deal with global problems on a day to day basis They argue that both covert and overt mechanisms are pushing the world closer to a devastating war and offer strategies to weaken the effects of these mechanisms This anthropological and historical analysis of the causes of war is a valuable resource for those studying war and those trying to understand the place of social science in framing pacific options

Leashing the Dogs of War Chester A. Crocker, Fen Osler Hampson, Pamela R. Aall, 2007 The definitive volume on the sources of contemporary conflict and the array of possible responses to it

Risk and the War on Terror Louise Amoore, Marieke de Goede, 2008-06-11 Pt 1 Risk precaution governance pt 2 Crime deviance exception pt 3 Biopolitics biometrics borders pt 4 Risks tactics resistances

Crime, Risk and Justice Kevin Stenson, Robert Sullivan, 2012-12-06 Crime control has risen rapidly up the social and political agendas to become a central feature of western societies As inequalities in society have

increased so the actual and perceived risks of crime and other social ills have grown rapidly for all sections of society Crime has become a central issue to governments and no longer just a technical operation of law enforcement and adjudication This book is concerned with issues arising from these developments Top criminologists from Britain the USA and Australia explore the links between crime and risk through a range of themes from the depiction of crime in the media to the dilemmas of policing to the new punitiveness of criminal justice systems and the custodial warehousing of the poor and excluded Crime Risk and Justice will be of interest to students academics and practitioners with an interest in crime and crime control and the place they have in modern society *The Risk Society and Beyond* Barbara Adam,Ulrich Beck,Joost Van

Loon,2000-05-25 Ulrich Beck s best selling Risk Society established risk on the sociological agenda It brought together a wide range of issues centering on environmental health and personal risk provided a rallying ground for researchers and activists in a variety of social movements and acted as a reference point for state and local policies in risk management The Risk Society and Beyond charts the progress of Beck s ideas and traces their evolution It demonstrates why the issues raised by Beck reverberate widely throughout social theory and covers the new risks that Beck did not foresee associated with the emergence of new technologies genetic and cybernetic The book is unique because it offers both an introduction to the main arguments in Risk Society and develops a range of critical discussions of aspects of this and other works of Beck Risk and

Technological Culture Joost Van Loon,2013-01-11 The question as to whether we are now entering a risk society has become a key debate in contemporary social theory Risk and Technological Culture presents a critical discussion of the main theories of risk from Ulrich Becks foundational work to that of his contemporaries such as Anthony Giddens and Scott Lash and assesses the extent to which risk has impacted on modern societies In this discussion van Loon demonstrates how new technologies are transforming the character of risk and examines the relationship between technological culture and society through substantive chapters on topics such as waste emerging viruses communication technologies and urban disorders In so doing this innovative new book extends the debate to encompass theorists such as Bruno Latour Donna Haraway Gilles Deleuze Felix Guattari and Jean Fran ois Lyotard *Stress of War, Conflict and Disaster* George Fink,2010-11-25 Stress is a

universal phenomenon that impacts adversely on most people Following on the heels of Stress Science Neuroendocrinology and Stress Consequences Mental Neuropsychological and Socioeconomic this third derivative volume will provide a readily accessible and affordable compendium that explains the phenomenon of stress as it relates physically and mentally to war conflict and disaster The first section will be dedicated to study of the link between stress and various forms of conflict Specific instances of conflict will be discussed the Gulf wars Korea Hiroshima bombing the Holocaust 9 11 Northern Ireland terrorism in general torture The second section will explore the stress impact of more general physical disasters such as airline and vehicle accidents earthquakes floods and hurricanes The final section will focus on the clinical relationship between conflict stress and various mental diseases PTSD suicide disaster syndrome etc as well as the adverse impact of

stress on human physical health in general Comprised of about 100 top articles selected from Elsevier s Encyclopedias of Stress the volume will provide a valuable desk reference that will put relevant articles readily at the fingertips of all scientists who consider stress Chapters offer impressive and unique scope with topics addressing the relationship between stress generated by war conflict and disaster and various physical mental disorders Richly illustrated with over 200 figures dozens in color Articles carefully selected by one of the world s most preeminent stress researchers and contributors represent the most outstanding scholarship in the field with each chapter providing fully vetted and reliable expert knowledge *Warfare Welfare* ,2012-04-01 This edited volume reveals how a permanent war economy has made the United States unable to spread democracy abroad and has worsened domestic problems The editors draw from classical readings in political theory from primary documents including key court decisions and from social science research to analyze such issues as the effect of militarization and combativeness on the everyday lives of Americans The editors also address the dire connection among banking losses the housing recession the welfare national security state and the challenge of rebuilding America s infrastructure Business Digest and Investment Weekly Arthur Fremont Rider,1918

Social Order The Risks Of War Introduction

In today's digital age, the availability of Social Order The Risks Of War books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Social Order The Risks Of War books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Social Order The Risks Of War books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Social Order The Risks Of War versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Social Order The Risks Of War books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Social Order The Risks Of War books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Social Order The Risks Of War books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities

and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Social Order The Risks Of War books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Social Order The Risks Of War books and manuals for download and embark on your journey of knowledge?

FAQs About Social Order The Risks Of War Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Social Order The Risks Of War is one of the best book in our library for free trial. We provide copy of Social Order The Risks Of War in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Social Order The Risks Of War. Where to download Social Order The Risks Of War online for free? Are you looking for Social Order The Risks Of War PDF? This is definitely going to save you time and cash in something you should think about.
