

Social Origins Of Christianity

Everett Ferguson

Social Origins Of Christianity:

The Social Origins of Christianity Shirley Jackson Case,1923 **Social Origins of Christianity** L. White,2000 *The Social Origins of Christianity* Shirley J. Case,1975 A Social History of Christian Origins Simon J. Joseph,2022-12-30 A Social History of Christian Origins explores how the theme of the Jewish rejection of Jesus embedded in Paul's letters and the New Testament Gospels represents the ethnic social cultural and theological conflicts that facilitated the construction of Christian identity Readers of this book will gain a thorough understanding of how a central theme of early Christianity the Jewish rejection of Jesus facilitated the emergence of Christian anti Judaism as well as the complex and multi faceted representations of Jesus in the Gospels of the New Testament This study systematically analyzes the theme of social rejection in the Jesus tradition by surveying its historical and chronological development Employing the social psychological study of social rejection social identity theory and social memory theory Joseph sheds new light on the inter relationships between myth history and memory in the study of Christian origins and the contemporary re construction of the historical Jesus A Social History of Christian Origins is primarily intended for academic specialists and students in ancient history biblical studies New Testament studies Religious Studies Classics as well as the general reader interested in the beginnings of Christianity *The Social Origins of Christian Architecture* L. Michael White,1990 **A Social History of Christianity** John C.B. Webster,2018-12-22 The Christian community in India emerged from an Indian rather than a foreign or an imperial context Its internal dynamics were shaped far more by Indian social realities than by missionary designs This book presents a comprehensive social history of Christianity in north west India comprising Jammu and Kashmir Himachal Pradesh Punjab Haryana the Union Territories of Delhi and Chandigarh and the Pakistani Punjab and North West Frontier Province The book discusses significant events in the history of the north west up to 1947 after which it focuses only on India These events left a lasting impact on Christianity and shaped its future course culminating in the transfer of churches power from foreign missionaries to Indians and proliferation of churches and the ongoing struggles of the Christian community The author pays special attention to the Christian community's caste composition how caste status and social mobility affected intra and inter community relations religious diversity uneven demographic distribution and development as well as Christianity as a religious movement in the region The Origins of Christianity Schuyler Brown,1993 This is a revised and updated version of a student textbook concerning the historical problems involved in the study of the New Testament and modern techniques for solving them The author also examines the influence of the New Testament on subsequent religious and secular history

Cambridge History of Christianity: Volume 1, Origins to Constantine Margaret M. Mitchell,Frances M. Young,K. Ferguson,2013-10-08 First published in 1997 What s new in the Second Edition Some 250 new entries twenty five percent more than in the first edition plus twenty five new expert contributors Bibliographies are greatly expanded and updated throughout More focus on biblical books and philosophical schools their influence on early Christianity and their use by patristic writers More information about the Jewish and pagan environment of early Christianity Greatly enlarged coverage of the eastern expansion of the faith throughout Asia including persons and literature More extensive treatment of saints monasticism worship practices and modern scholars Greater emphasis on social history and more theme articles More illustrations maps and plans Additional articles on geographical regions Expanded chronological table Also includes maps

An Introduction to the History of Christianity George Herring,2006-08-01 Examines the interaction between Christianity and the secular world covering four major periods in Christian history The Imperial Church 300 500 the Medieval Church 1050 1250 the Reformation Church 1450 1650 and the Modern Church 1800 2000 **Backgrounds of Early Christianity** Everett Ferguson,2003 New to this expanded updated edition are revisions of Ferguson s original material updated bibliographies a fresh dicussion of first century social life the Dead Sea Scrolls much else *Studies in the Jewish Background of Christianity* Daniel R. Schwartz,1992 Spine title Jewish background of Christianity *A World History of Christianity* Adrian Hastings,2000-07-05 This superb volume provides the first genuinely global one volume history of the rise and development of the Christian faith An international team of specialists takes seriously the geographical diversity of the Christian story discussing the impact of Christianity not only in the West but also in Latin America Africa India the Orient and Australasia *Women and Christian Origins* Ross Shepard Kraemer,Mary Rose D'Angelo,1999-02-11 This new collection of fourteen integrated original essays by prominent scholars and experienced teachers provides a comprehensive and accessible entree to current research on women and the origins of Christianity Engaging for both the interested reader and the specialist in religion Women and Christian Origins is sensitive to feminist theory and attentive to distinctions between the re construction of women s history in early Christian churches and ancient constructions of gender difference

Redescribing Christian Origins Ronald Dean Cameron,Merrill P. Miller,2004 These essays challenge the traditional picture of Christian origins Making use of social anthropology they move away from traditional assumptions about the

foundations of Christianity to propose that its historical beginnings are best understood as reflexive social experiments

The Earliest Christian Meeting Places Edward Adams, 2013-10-24 Edward Adams challenges a strong consensus in New Testament and Early Christian studies that the early Christians met almost exclusively in houses. This assumption has been foundational for research on the social formation of the early churches, the origins and early development of church architecture and early Christian worship. Recent years have witnessed increased scholarly interest in the early house church. Adams re-examines the New Testament and other literary data as well as archaeological and comparative evidence showing that explicit evidence for assembling in houses is not nearly as extensive as is usually thought. He also shows that there is literary and archaeological evidence for meeting in non-house settings. Adams makes the case that during the first two centuries, the alleged period of the house church, it is plausible to imagine the early Christians gathering in a range of venues rather than almost entirely in private houses. His thesis has wide-ranging implications.

Theology in a Global Context Hans Schwarz, 2005-11 In this book Hans Schwarz leads us into the web of Christian theology's recent past from Kant and Schleiermacher to Mbiti and Zizoulas, pointing out all the theologians of the last two hundred years who have had a major impact beyond their own context. With an eye to the blending of theology and biography, Schwarz draws the lines of connection between theologians, their history, and wider theological movements. Publisher: James The Just and Christian Origins Bruce David Chilton, Craig Alan Evans, 1999 The lack of serious and sustained investigation of the historical figure of James the Just, brother of Jesus, is one of the curious oversights in modern critical study of Christian origins. James the Just and Christian Origins addresses this problem. The questions that surround this exceedingly important yet largely ignored figure are several and complicated. Was he really the brother of Jesus? How influential was he in the early church? What was the nature of his relationship to the other apostles, especially to Paul? How did James understand Christianity's relationship to Judaism and to the people of Israel? Out of this grows a very important question: In its generative moment, was Christianity in fact as well as in its self-awareness a species of Judaism? Contributors from several countries are currently engaged in collaborative study in James and early Jewish Christianity. James the Just and Christian Origins is the first of several planned volumes to be published.

The Social Setting of Pauline Christianity Gerd Theissen, 2004-09-21 Recent emphasis on the social matrix out of which the early church's documents arose marks a notable turn in the path of contemporary New Testament studies. Although the terms, goals, and procedures of scholars vary considerably, there is widespread agreement that much of the interesting and innovative work in the field is that of Gerd Theissen. Four of his most formidable and sustained contributions treat Paul's correspondence with the Christian community at Corinth. Together, these four essays provide a composite picture of the social stratification at this ancient urban center and of the concrete organizational and ethical problems that that stratification engendered for the Christians' common life. A fifth essay helps to focus the critical questions of methodology that arise whenever one approaches ancient religious texts for information on issues which to the

texts themselves are of peripheral concern. A lucid introduction by the translator and a helpful bibliography of the author's major writings round out this significant exploration and interpretation of the social world of early Christianity.

Embark on a breathtaking journey through nature and adventure with Explore with is mesmerizing ebook, Witness the Wonders in **Social Origins Of Christianity** .
