

An aerial photograph of a densely packed urban area, likely a slum. The image shows several multi-story buildings with weathered facades and corrugated metal roofs. In the center, a rooftop terrace is visible with several people, including a person in a pink shirt, engaged in daily activities. The overall scene depicts a crowded and possibly impoverished environment.

Bryant,Dennis L. Peck,2009-07-15 Death and dying and death related behavior involve the causes of death and the nature of the actions and emotions surrounding death among the living Interest in the varied dimensions of death and dying has led to the development of death studies that move beyond medical research to include behavioral science disciplines and practitioner oriented fields As a result of this interdisciplinary interest the literature in the field has proliferated This two volume resource addresses the traditional death and dying related topics but also presents a unique focus on the human experience to create a new dimension to the study of death and dying With more than 300 entries the Encyclopedia of Death and the Human Experience includes the complex cultural beliefs and traditions and the institutionalized social rituals that surround dying and death as well as the array of emotional responses relating to bereavement grieving and mourning The Encyclopedia is enriched through important multidisciplinary contributions and perspectives as it arranges organizes defines and clarifies a comprehensive list of death related perspectives concepts and theories Key Features Imparts significant insight into the process of dying and the phenomenon of death Includes contributors from Asia Africa Australia Canada China eastern southern and western Europe Iceland Scandinavia South America and the United States who offer important interdisciplinary and cross cultural perspectives Provides a special focus on the cultural artifacts and social institutions and practices that constitute the human experience Addresses death related terms and concepts such as angel makers equivocal death end of life decision making near death experiences cemeteries ghost photography halo nurses caregiver stress cyberfunerals global religious beliefs and traditions and death denial Presents a selective use of figures tables and images Key Themes Arts Media and Popular Culture Perspectives Causes of Death Conceptualization of Death Dying and the Human Experience Coping With Loss and Grief The Human Experience Cross Cultural Perspectives Cultural Determined Social Oriented and Violent Forms of Death Developmental and Demographic Perspectives Funerals and Death Related Activities Legal Matters Process of Dying Symbolic Rituals Ceremonies and Celebrations of Life Theories and Concepts Unworldly Entities and Events With an array of topics that include traditional subjects and important emerging ideas the Encyclopedia of Death and the Human Experience is the ultimate resource for students researchers academics and others interested in this intriguing area of study      *Renegade Kids, Suburban Outlaws* Wayne S. Wooden,Randy Blazak,2001 Topics covered include exploring boundary between deviance and criminality in the lives of young people who are deeply involved in the youth culture show how youth culture is not a set of categories so much as it is a dynamic and creative response to the confusions of growing up in modern society

Sociology John Ambenge,2021-03-15 The book features real life examples and amazing diversity focusing on sociology s

unique ability to personally resonate well with students experiences Throughout the text the author carefully balances coverage of core topics and contemporary changes in society Every chapter explores unique topics such as same sex marriage Boko Haram mob justice Sharia law as well as issues of inequality related to race ethnicity gender social class and urbanization The text empowers students to use the lenses of sociological imagination to see sociology in everyday life Using sociological imagination theory and sociological perspectives the text helps students move beyond individual perspective to gain a sociological perspective

**Fantasy Literature** Mark A. Fabrizio, 2016-10-11 Fantasy literature often derided as superficial and escapist is one of the most popular and enduring genres of fiction worldwide It is also perhaps surprisingly thought provoking structurally complex and relevant to contemporary society as the essays in this volume attest The scholars teachers and authors represented here offer their perspectives on this engaging genre Within these pages a reader will find a wealth of ideas to help teachers use these texts in the classroom challenging students to read fantasy with a critical eye They employ interdisciplinary philosophical and religious lenses as well as Marxist and feminist critical theory to help students unlock texts The books discussed include epic fantasy by such authors as Tolkien and Le Guin children s fantasy by Beatrix Potter and Saint Exup ry modern fantasy by Rowling and Martin and even fairy tales and comic books The contributors offer provocations questioning the texts and pushing the boundaries of meaning within the fantasy genre And in doing so they challenge readers themselves to ponder these tales more deeply But through each of these chapters runs a profound love of the genre and a respect for those who produce such beautiful and moving stories Furthermore as with all the books in this series this volume is informed by the tenets of critical pedagogy and is focused on re envisioning fantasy literature through the lens of social justice and empowerment Prepare to be challenged and inspired as you read these explorations of a much loved genre
