**David Swift, Oliver Wilkinson**

## **Social Security Disability And Rehabilitation Conflicts In The Development Of Social Policy 1914-1946:**

*Disability and the Welfare State in Britain* Hampton, Jameel, 2016-05-17 Created during and after the Second World War the British Welfare State seemed to promise welfare for all but in its original form excluded millions of disabled people This book examines attempts in the subsequent three decades to reverse this exclusion It is the first to contextualise disability historically in the welfare state and under each government of the period It looks at how disability policy and perceptions were slow to change as a welfare issue which is very timely in today's climate of austerity It also provides the first major analysis of the Disablement Income Group one of the most powerful pressure groups in the period and the 1972 Thalidomide campaign and its effect on the Heath government Given the recent emergence of the history of disability in Britain as a major area of research the book will be ideal for academics students and activists seeking a better understanding of the topic

Social Security Law in Context Neville S. Harris, 2000 The social security system of Great Britain has reached a crossroads following the election of a Labour Government promising a New Age of welfare and seemingly prepared to think the unthinkable on welfare reform at a time when public expenditure on welfare benefits has reached nearly 100 billion per annum In 1985 the Conservative's Green Paper on social security reform announced that the benefits system had lost its way Attempts were made to curb benefits expenditure and reduce welfare dependency for example through better targeting of needs the reinforcement of personal and family responsibility and tighter administrative controls The ten years from 1988 to 1998 saw the introduction of many new benefit schemes including income support family credit the social fund disability living allowance incapacity benefit and jobseeker's allowance as well as the increasing influence of European Law Yet the system achieves too little according to the new Government's Green Paper on welfare reform which promises a new contract between the citizen and the Government based on responsibilities and rights The precise form these responsibilities and rights will take remains unknown although we already have schemes like the New Deal and proposals for stakeholder pensions Meanwhile social security law continues to impact upon the lives of millions of citizens After ten years of major legislative change and with the prospect of a new direction this is a time to take stock and to analyse the social and legal impact of the past decade's legislation case law and policy as well as considering possible reforms The book's approach is to organise this task thematically particularly with regard to the social context to social security through discrete chapters on for example gender and the family disability housing old age and unemployment It is also opportune to examine the theoretical framework of state welfare and social security particularly in the context of social rights The book aims to provide an authoritative contextual and critical account of how British social security law has evolved how it operates its substance and its social effects

**Autonomist Narratives of Disability in Modern Scottish Writing** Arianna Introna, 2022-05-03 *Autonomist Narratives of Disability in Modern Scottish Writing* Crip Enchantments explores the intersection between imaginaries of disability and representations of work welfare and the nation in twentieth and twenty first century Scottish

literature Disorienting effects erupt when non normative bodies and minds clash with the structures of capitalist normalcy This book brings into conversation Scottish studies disability studies and Marxist autonomist theory to trace the ways in which these crippled enchantments are imagined in modern Scottish writing and the autonomist narratives of disability by which they are evoked *Sheltered Employment and Disability in the British Welfare State* Andy Holroyde, 2025-07-01 This book explores sheltered employment for disabled people in the British welfare state focusing on Remploy as the flagship provider It considers the fundamental areas of understanding Remploy in terms of why it was created how it functioned who it employed and how far it came to dominate the wider field of provision The book further uses sheltered employment as a new lens through which to explore key aspects of the welfare state in the period These include the creation of the post war settlement the extent of political consensus the exclusion of disabled people from welfare and work the role played by gendered thinking in the welfare state s provisions and the relationship between the state and voluntary sectors In so doing it sheds new light on the history of disability employment and welfare in Britain **Understanding State Welfare** Brian Lund, 2002-05-24 This accessible and original text combines a systematic examination of the theories of welfare with an historical account of the evolution of the welfare state and its impact in promoting social justice It identifies the principles governing social distribution and examines the rationales for these different distributive principles This book also links the theories of distribution to the actual development of social policy and considers their outcomes State Welfare will be essential reading for students of social policy It provides a clear understanding of both theories of welfare and the history of the development of the British welfare state *Social Justice, Multicultural Counseling, and Practice* Heesoon Jun, 2010 This book takes a new approach to teaching students to think and learn about issues of race and diversity It aims to break down the traditional categorizations of racial ethnic groupings and focuses on teaching students to think and learn in a multidimensional manner rather than in a linear fashion The key to the book lies in its aim to teach students to practise culturally competent counselling by taking into consideration a client s multiple identities such as a middle aged African American woman who might be facing issues due to her racial grouping her age and her gender The book is filled with activities exercises and examples that help students think about racism in a non traditional manner rather than the typical ways often taught making it very timely and reflecting the transformation of thinking that is occurring in the field *Healthy Minds in the Twentieth Century* Steven J. Taylor, Alice Brumby, 2019-09-16 This open access edited collection contributes a new dimension to the study of mental health and psychiatry in the twentieth century It takes the present literature beyond the asylum and after paradigm to explore the multitude of spaces that have been permeated by concerns about mental well being and illness The chapters in this volume consciously attempt to break down institutional walls and consider mental health through the lenses of institutions policy nomenclature art lived experience and popular culture The book adopts an international scope covering the historical experiences of Britain Ireland and North America In accordance with this broad

approach contributions to the volume span academic fields such as history arts literary studies sociology and psychology mirroring the diversity of the subject matter This book is available open access under a CC BY 4.0 license at [link.springer.com](https://link.springer.com)

**Contours of Ableism** F. Campbell, 2009-09-16 Challenging notions of what constitutes normal and pathological bodies this ambitious agenda setting study theoretically reinvigorates disability studies by reconceptualising it as studies of ableism focusing on the practices and formations of able bodiedness to uncover what it means to be able rather than disabled

**Disabilities** Martha E. Banks Ph.D., Mariah S. Gover, Elizabeth Kendall, Catherine A. Marshall, 2009-04-30 In this three volume set experts from around the world spotlight the latest research on physical and psychological disabilities as well as the social legal and political issues that come to bear on those people affected These authors teach us what the disabilities are how common they have become what challenges people with disabilities face what treatments are available and whether new promising efforts for rehabilitation are on the horizon We also learn in these volumes about social actions that have advanced human rights for people with disabilities in countries around the world Yet we learn that in these same countries discriminatory actions against people with disabilities continue to occur The impact of different cultural beliefs about disability are explored and these beliefs are juxtaposed against legislative responses In all three volumes people with disabilities share their personal narratives about events they have faced in society They provide rich examples of how culture social interactions and legislation can impact on people

**The War Come Home** Deborah Cohen, 2001-10-30 Based on a breathtaking range of research in British and German archives *The War Come Home* is written in an engaging immediately accessible style and filled with rich anecdotes that are excellently told This impressive book offers a powerful set of insights into the lasting effects of the First World War and the different ways in which belligerent states came to terms with the war's consequences Robert Moeller author of *War Stories The Search for a Usable Past in the Federal Republic of Germany* With verve compassion and above all else clarity *The War Come Home* makes the dismal story of the failed reconstructions of disabled veterans in interwar Britain and Germany into engaging and provocative reading Cohen moves from astute analysis of the interventions of high level bureaucrats to sensitive interpretations of how disabled veterans wrote and talked about their lives and the treatment they received at the hands of public and private agencies She beautifully interweaves histories from below and above showing how the two shaped but also collided with one another in profoundly consequential ways for the history of the 20th century Seth Koven coeditor with Sonya Michel of *Mothers of a New World Maternalist Politics and the Origins of Welfare States*

***Men of War*** Jessica Meyer, 2016-04-30 Exploring how understandings of masculinity were constructed by British First World War servicemen through examination of their personal narratives including letters home from the front and wartime diaries This book presents a nuanced investigation of masculine identity in Britain during and after the First World War

**Social Service Abstracts**, 1991

**Violence Against Social Workers** Dan Norris, 1990 Despite a growing awareness of the problem within the profession in politics and among the general public little research has been

done into the nature of violence against social workers

**Veterans of the First World War** David Swift, Oliver Wilkinson, 2019-02-14 This volume synthesises the latest scholarship on First World War veterans in post war Britain and Ireland investigating the topic through its political social and cultural dynamics It examines the post war experiences of those men and women who served and illuminates the nature of the post war society for which service had been given Complicating the homogenising tendency in existing scholarship it offers comparison of the experiences of veterans in different regions of Britain including perspectives drawn from Ireland Further nuance is offered by the assessment of the experiences of ex servicewomen alongside those of ex servicemen such focus deepening understanding into the gendered specificities of post war veteran activities and experiences Moreover case studies of specific cohorts of veterans are offered including focus on disabled veterans and ex prisoners of war In these regards the collection offers vital updates to existing scholarship while bringing important new departures and challenges to the current interpretive frameworks of veteran experiences in post war Britain and Ireland

*Disability Studies* Geert Van Hove, 2019-10-11 Dit boek neemt de lezer mee in een rijke verzameling basisteksten omtrent Disability Studies In verschillende hoofdstukken ge illustreerd met academische teksten wordt getoond hoe het vakgebied Disability Studies zich heeft kunnen ontwikkelen en welke maatschappelijke impact ervan uitgaat Het laat meteen toe om het fenomeen disability vanuit andere perspectieven dan het traditionele stoornismodel te begrijpen

*The Cumulative Book Index* , 1992 A world list of books in the English language

**The British National Bibliography** Arthur James Wells, 1992

**Normal Life** Sally Sainsbury, 1993 Based on a survey conducted between 1978 and 1988 of 70 war pensioners and 110 industrially injured persons Examines Britain s War Pensions and Industrial Injuries schemes their impact on the lives of beneficiaries Discusses the perceptions of beneficiaries to their disability and the consequences these may have for care policies

**Disability Studies Quarterly** , 1990

*British Book News* British Council, 1990 Includes no 53a British wartime books for young people
