though Pius XI 1922 39 and more markedly Pius XII 1939 58 were also concerned with international problems The years following the end of the Second World War demanded even more attention to these Meanwhile many Western intellectuals doubted the viability of capitalism and some liberation theologians from the 1970s used Marxist social analysis as an integral part of their search for justice As it happened the 1980s brought about the collapse of real socialism and the resurgence of liberal capitalism From the time of John XXIII 1953 63 the pastors of the Church have been responding to these new needs and with the advent of John Paul II the controversies over liberation theology and the collapse of socialism the pace of that response has quickened Rodger Charles Lecturer and Tutor in Moral and Pastoral Theology at Campion Hall Oxford has spent over thirty years researching lecturing and writing in London Oxford and San Francisco on the social teaching of the Church and its application His book provides a masterly and an unrivalled introduction to this topic **God, Society, and the Human Person** Edward T. Mechemann, 2000 The purpose of this book is to draw together and to organize Catholic social teaching as found in the Catechism of the Catholic Church and other Church documents and to arrange that teaching according to its major foundational principles and themes *The Social Teaching of the Christian Churches Volume 1* Ernst Troeltsch, 2014-01-01 Modern Catholic Social Teaching Kenneth R. Himes, 2018-01-02 Including contributions from twenty two leading moral theologians this volume is the most thorough assessment of modern Roman Catholic social teaching available In addition to interrogations of the major documents it provides insight into the biblical and philosophical foundations of Catholic social teaching addresses the doctrinal issues that arise in such a context and explores the social thought leading up to the modern era which is generally accepted as beginning in 1891 with the publication of Pope Leo XIII s *Rerum Novarum* The book also includes a review of how Catholic social teaching has been received in the United States and offers an informed look at the shortcomings and questions that future generations must address This second edition includes revised and updated essays as well as two new commentaries one on Pope Benedict XVI s encyclical *Caritas in Veritate* and one on Pope Francis s encyclical *Laudato Si* An outstanding reference work for anyone interested in studying and understanding the key documents that make up the central corpus of modern Catholic social teaching
