Social Thought Vol 1 The Catholic Tradition:

Entrepreneurship in the Catholic Tradition Anthony Percy, 2010-01-01 Entrepreneurship in the Catholic Tradition is a theological and historical exploration of the treatment of entrepreneurship business and commerce in the teaching of the Roman Catholic Church It presents a fresh and affirming view of free enterprise from the standpoint of a 2000 year old religious tradition that challenges many contemporary assumptions about this subject **Social Catholicism for the**

Twenty-First Century?--Volume 1 William F. Murphy, 2024-09-12 This first of two volumes introduces the tradition of social Catholicism not only in its earlier realizations but regarding how a contemporary renewal might address the crisis in which constitutional democracies and the postwar liberal order are under assault by populist and even neo fascist movements that could soon usher in a frighteningly dark future unless a broad movement in defense of constitutional democracy quickly arises In this context some of the most influential voices among American Catholics are focused on criticizing liberal democracy on advocating a postliberal order and the establishment of a Catholic integralist state or on insisting that abortion should be the primary sociopolitical concern for Catholics treating these threats to democracy as largely irrelevant This volume shows the rich tradition of social Catholicism and how the Social Doctrine of the Church came to appreciate the key tenets of constitutional democracy As Pope Benedict XVI wrote this social doctrine leads us to take a stand for the common good to take the institutional or political path of charity to be solicitous for the institutions that give structure to the life of society juridically civilly politically and culturally It engages some of the most influential contemporary Catholic thinkers and argues that they too should recognize the grave threats facing the human family and join in working to defend and renew our constitutional democracy **Social Catholicism for the Twenty-First Century?--Volume 1**

Christianities in Migration Peter C. Phan, Elaine Padilla, 2016-04-29 This book migrates through continents regions nations and villages in order to tell the stories of diverse kinds of nomadic dwellers It departs from Africa en routes itself toward Asia Oceania Europe and culminates in the Americas with the territories of Latin America Canada and the United States The volume travels through worn out pathways of migration that continue to be threaded upon today and theologically reflects on a wide range of migratory aims that result also in diverse forms of indigenization of Christianity Among the main issues being considered are How have globalization and migration affected the theological self understanding of Christianity In light of globalization and migration how is the evangelizing mission of Christianity to be understood and carried out What ecclesiastical reforms if any are required to enable the church to meet present day challenges **The Catholic Moral**

Tradition Today Charles E. Curran, 1999-04-05 The Catholic tradition has always tried to explain its theology in a coherent and systematic way but the great changes and tensions existing within Catholic moral theology today have made it difficult to develop systematic approaches to what was once called fundamental moral theology Now a leading scholar active in this field for forty years offers a synthesis of Catholic moral theology set in the context of the broader Catholic tradition and the significant developments that have occurred since the Second Vatican Council Charles E Curran s succinct coherent account of his wide ranging work in Catholic moral theology points out agreements disagreements and changes in significant aspects of the Catholic moral tradition His systematic approach explores major topics in a logical development the ecclesiological foundation and stance of moral theology the person as moral subject and agent virtues principles and norms conscience and decision making and the role of the church as a teacher of morality Curran s work condenses and organizes a large amount of material to show that the Catholic theological tradition is in dialogue with contemporary life and thought while remaining conscious of its rich history Of great interest to theologians for its broad synthetic scope this book is also a thorough introduction to the Catholic moral tradition for students and interested readers including non Catholics **God and**

,2023-06-05 In their theological and historical interactions neo Calvinism and Roman Catholicism have often met in moments

of conflict and co operation The neo Calvinist statesman Abraham Kuyper polemicized against the Roman Catholic Church and its theology whilst building bridges between those traditions by forging novel political coalitions across ecclesiastical boundaries In theology Gerrit C Berkouwer a neo Calvinist critic of Roman Catholicism in the 1930s later attended the Second Vatican Council as an appreciative Protestant observer Telling their stories and others including new research on lesser known figures and neglected topics this book presents the first scholarly volume on those dynamics of polemics and partnership

Happiness and the Christian Moral Life Paul J. Wadell, 2016-05-20 Happiness and the Christian Moral Life introduces students to Christian ethics through the lens of happiness The book suggests that the heart of ethics is not rules and obligations but our deep desire for happiness and fulfillment We achieve that happiness when we become people who love the good and seek it in everything we do The third edition of this reader friendly text has been revised and updated throughout It introduces Christian ethics with sensitivity towards readers who may not be Christian themselves After an overview of basic concepts and key thinkers such as Augustine and Thomas Aquinas subsequent chapters explore the importance of narrative in Christian ethics the place of friendship and community in Christian moral life the role of virtues in our quest for fulfillment a Christian understanding of the person a Christian theology of freedom and false steps on the path to happiness Final chapters discuss the role of conscience and prudence love and justice The third edition has been re structured to better meet teaching needs by moving the discussion of narrative earlier in the book This edition features fresh global examples revised introductions to key thinkers discussions of tough contemporary topics such as hook up culture careful consideration of the words of Pope Francis on themes ranging from consumerism and freedom to love and the environment and more

The Encyclopedia of Christianity, Vol. 5 Erwin Fahlbusch, Geoffrey William Bromiley, 1999 Written by leading scholars from around the world the articles in this volume range from sin Sufism and terrorism to theology in the 19th and 20th centuries Vatican I and II and the virgin birth

Reproductive Justice and the Catholic Church Emily Reimer-Barry, 2024-06-10 Pregnancy loss is profoundly complex ambiguous and alienating but telling women who have procured abortions that they are murderers and sinners is not the best way forward Magisterial teachings on abortion are too often presented as moral absolutes when in fact moral absolutism distorts the rich wisdom of the Catholic intellectual tradition This book initiates a new conversation about women s experiences of miscarriage stillbirth and abortion arguing that we need not approach these difficult life experiences in a simplistic way Dr Reimer Barry argues that both the pro life and pro choice movements make important and valuable claims yet each approach on its own is flawed Drawing on the framework of reproductive justice together with Catholic social teaching Dr Reimer Barry suggests a new way forward for abortion discourse that takes seriously the full human dignity of women and the intrinsic though not absolute value of

prenatal life She argues that instead of thinking of the Church as a moral teacher with leaders in Rome or Washington DC dictating to the consciences of the faithful a better way to address the complexity of difficult pregnancy discernments would be to think of the Church as a community of support in the midst of and after difficult discernments a community that seeks justice together and implements structural reforms while also providing spiritual care to those in need What women deserve is justice

Moral Theology of John Paul II Charles E. Curran, 2006-01-01 Provides a systematic analysis of the moral theology that underlies Pope John Paul II moral teachings and its astonishing influence This book focuses on the authoritative statements specifically the fourteen papal encyclicals the pope has written to examine how well the pope has addressed the broad issues and problems in the Church

St. Paul, the Natural Law, and Contemporary Legal Theory Jane Adolphe, Robert Fastiggi, Michael Vacca, 2012-03-22 The editors of this unique collection of essays exploring the relationship of St Paul and the natural law bring together contributions by scripture scholars theologians philosophers and international lawyers Inspired by the special Jubilee Year from June 2008 to June 2009 proclaimed by Pope Benedict XVI to celebrate the 2 000 year anniversary of the birth of St Paul the chapters in this book are the fruit of the contributors collaboration during the celebration of the Year of St Paul They share a common appreciation of the natural law as a basis for civil law and contemporary legal theory and each chapter examines the foundations of the natural law particularly in the writings of St Paul giving special recognition to the Catholic contributions to natural law and contemporary legal theory
