

SOCIAL ISSUES FOR CARERS

SECOND EDITION

Towards Positive Practice

Richard Webb & David Tossell

Social Issues For Carers Towards Positive Practice

Lei Shi

Social Issues For Carers Towards Positive Practice:

Social Issues for Carers Richard Webb, David Tossell, 1999 The new edition of this textbook addresses many of the key issues concerning social care and social work The authors focus on social inequality within British society looking in particular at the controversies surrounding the social issues of discrimination against certain individuals and discusses positive ways of combating the marginalization and oppression of some social groups Each topic is investigated from the point of view of their role in the wider context of society as a whole

Anti-Oppressive Practice Jane Dalrymple, Beverley Burke, 2006-12-16 Praise for the new edition This revised text should be read by all practitioners in health and social care settings who supports people with complex needs and who aim to promote anti oppressive and person centred practice A variety of activities is presented in each chapter to stimulate readers to reflect on the cases and concepts under discussion This text represents a valuable companion for professionals involved in learning disability practice Learning Disability Practice This new edition proves to be a substantial updating of the 1995 edition The coverage is analytical and clearly related to anti oppressive practice It is important to persuade students of the necessity of action to put their values into practice this book is a real boon and should be required reading up and down the country Mark Baldwin University of Bath In the new edition of this bestselling text the authors challenge the notion that anti oppressive practice has lost its potency or become commodified into a professional response to inequalities Retaining a commitment to the principles and values of anti oppressive practice discussion about contemporary practice is guided by a critical understanding of personal values and the context of practice Some key questions are explored How is anti oppressive practice relevant in contemporary practice How can the law be used as an empowering tool How can the law be used to develop and inform anti oppressive practice The second edition is substantially revised and updated to take account of policy and legislative changes with a new chapter addressing critical practice in social work as well as additional activities chapter summaries and further reading at the end of each chapter The authors draw on their own experiences and those of practitioners service users and carers to understand issues of power and oppression demonstrating how the law can be used to inform the development of critical anti oppressive practice The book therefore points the way to practice that is both empowering to service users and ultimately liberating for practitioners Anti Oppressive Practice is an essential text for students practitioners lecturers service users and carers

Chronic Illness and Disability Esther Chang, Amanda Johnson, 2014 This text provides evidence based principles for practice for chronic illness and disability It provides a solid theoretical and practical foundation for students in their 2nd and 3rd years The book includes a holistic framework for major and common chronic illness and disability

Community Palliative Care Sandra Aitken, 2009-04-13 Community Palliative Care examines the complex support and information needs of seriously ill patients and their families and will encompass not only the patient's journey but that of the family during the illness trajectory and into the bereavement period The text is divided into three sections professionals patients and carers The

first section discusses the roles and contributions made by other members of the primary health care team and examines the role of the nurse. Section two explores the psychosocial support needed by patients receiving palliative care and looks at the community palliative care clinical nurse specialists' role in relation to psychological as well as practical problems surrounding a life-threatening illness. The final section will look at the needs of the family and carers and the support that the community palliative care clinical nurse specialist can offer to the individuals. Included in this segment will be the complex issues faced by carers in relation to the changing roles within the family, children's death and bereavement.

Sociology for Social Workers
 Anne Llewellyn, Lorraine Agu, David Mercer, 2008-07-08 How can sociology contribute to positive social work practice? This introductory textbook uses pedagogical features such as chapter summaries, numerous examples, a glossary, activities and annotated further reading.

Bookseller, 1998 **Cannabis Youth Treatment Series**, 2001 **Social Work Practice in Pediatric Palliative and End-of-Life Care** Barbara Jones, 2016-01-22 As an essential and emerging practice, pediatric palliative care seeks to prevent and relieve suffering for children with life-threatening conditions. Palliative care teams are composed of providers of various disciplines, including social workers, who collaborate to address the medical, social, emotional, and spiritual needs of the child and their families. Social workers are especially accustomed to interdisciplinary care and may counsel, provide resources, facilitate communication, and promote person and family-centered practices that are the basis of effective pediatric palliative care. This book presents practice strategies, experiential knowledge, and research related to practicing in collaborative teams, ICU settings, and hospice. It also presents research that is informed by the perceptions and perspectives of bereaved parents, parents who have suffered a stillbirth, and parent caregivers of children with life-limiting illness. This book highlights the unique role social workers play within care teams and in relationship with children who have life-limiting illness and their families. This book was originally published as a special issue of the *Journal of Social Work in End of Life Palliative Care*.

The Adolescent Community Reinforcement Approach for Adolescent Cannabis Users, 2001 **The Case of Social Emotional Learning: Evidence-Based Practices** Pedro Rosário, Carmel Cefai, 2024-09-20 At the end of the last century, social emotional learning (SEL) emerged as a relevant theme in education all over the world. What is SEL? SEL may be defined as a multidimensional construct orchestrating individuals' ability to identify and manage emotions, feelings, and concern for others, as well as to organize and manage behaviors toward goals, solve problems, and develop positive relationships. SEL has been gaining growing popularity among researchers and practitioners. Still, there is a reasonable degree of ambiguity regarding the concept. In fact, the term is often used as an umbrella for many types of

programs and interventions from distinct areas such as school public health mental health or character education addressing the vulnerability of children and youth to various social and psychological problems What is more topics covered under the SEL umbrella are diverse as follows emotions cognition including multiple intelligences motivation socialization in schools and families and self regulation and its effects Principles and Practice of Geriatric Psychiatry Mohammed T.

Abou-Saleh, Cornelius L. E. Katona, Anand Kumar, 2011-01-04 The renowned Principles and Practice of Geriatric Psychiatry now in its third edition addresses the social and biological concepts of geriatric mental health from an international perspective Featuring contributions by distinguished authors from around the world the book offers a distinctive angle on issues in this continually developing discipline Principles and Practice of Geriatric Psychiatry provides a comprehensive review of geriatric psychiatry spanning both psychiatric and non psychiatric disorders scientific advances in service development specific clinical dilemmas New chapters on genetics of aging somatoform disorders epidemiology of substance abuse somatoform disorders care of the dying patient Continuing the practice of earlier editions the major sections of the book address aging diagnosis and assessment and clinical conditions incorporating an engaging discussion on substance abuse and schizophrenic disorders Shorter sections include the presentation of mental illness in elderly people from different cultures one of the most popular sections in previous editions Learning and behavioural studies as well as models of geriatric psychiatry practice are covered extensively This book provides a detailed overview of the entire range of mental illness in old age presented within an accessible format Principles and Practice of Geriatric Psychiatry is an essential read for psychiatrists geriatricians neurologists and psychologists It is of particular use for instructors of general psychiatry programs and their residents

Child Protection and the Care Continuum Elizabeth Fernandez, Paul Delfabbro, 2020-11-25 This important new book critically examines the complex policy and practice issues surrounding child protection including the impact of theoretical orientations contemporary debates policy initiatives and research findings and maintains an emphasis on the ethics and values underpinning child welfare interventions The book introduces policies that are central to understanding the position and needs of children and young people and how policy and practice have been influenced by developments including the children's rights agenda It also explores the most significant issues in child welfare These include the experience of maltreatment by children the systems of child protection to safeguard them the methods and challenges of risk assessment and the wide range of policy and therapeutic interventions to respond to children's needs The book also examines family support to promote children's wellbeing before considering provision for children and young people who are looked after in out of home care There is also a final section that focuses on best practice in communicating and working with children and young people drawing on participatory rights oriented and resilience based approaches and supporting foster and adoptive carers and biological parents Contributing in a substantive and clear manner to a growing international conversation about the present function and future directions for child welfare in contemporary societies this textbook will be

of interest to undergraduate and postgraduate social work students and those from allied disciplines and professionals who are engaged in child welfare services

Working with Family Carers Valerie Gant, 2025-02-28 Care giving transcends race gender and age and most people will be a care giver or receiver often both at some point in their lives This book explores the extent of caregiving in the UK and discusses its impact on individuals groups and communities as well as health and social care professionals It covers ways of identifying carers and providing information and advice and given the likelihood of practitioners themselves providing care a discussion regarding maintaining resilience and the extent to which personal experiences guide and inform practitioners response to work with carers is included Exercises allow the reader to explore ways practitioners can engage with and support carers The recent legislative changes brought about by the Care Act 2014 is discussed as well as relevant policies Caregiving has the potential to transcend disciplines so this text will appeal to students of a variety of undergraduate and postgraduate programmes and across the professional arena including social work nursing occupational and physiotherapy The author is donating her royalties on this book to Carers UK and Carers Trust

A life like any other? Great Britain: Parliament: Joint Committee on Human Rights, 2008-03-06 Family Carers and Caring Alisoun Milne, Mary Larkin, 2023-10-04 Family Carers and Caring brings together a range of material and evidence about carers from different sources presented in an accessible and yet academically informed way to make sense of the complexities of family carers and caring carving a coherent path through the academic policy socio political and practice terrain

The Practices of Happiness Ian Steedman, John R Atherton, Elaine Graham, 2010-08-03 A PDF version of this book is available for free in open access via www.tandfebooks.com as well as the OAPEN Library platform www.oapen.org It has been made available under a Creative Commons Attribution Non Commercial No Derivatives 3.0 license and is part of the OAPEN UK research project There is growing evidence that rising levels of prosperity in Western economies since 1945 have not been matched by greater incidences of reported well being and happiness Indeed material affluence is often accompanied instead by greater social and individual distress A growing literature within the humanities and social sciences is increasingly concerned to chart not only the underlying trends in recorded levels of happiness but to consider what factors if any contribute to positive and sustainable experiences of well being and quality of life Increasingly such research is focusing on the importance of values and beliefs in human satisfaction or quality of life but the specific contribution of religion to these trends is relatively under examined This unique collection of essays seeks to rectify that omission by identifying the nature and role of the religious contribution to wellbeing A unique collection of nineteen leading scholars from the field of economics psychology public theology and social policy have been brought together in this volume to explore the religious contribution to the debate about happiness and well being These essays explore the religious dimensions to a number of key features of well being including marriage crime and rehabilitation work inequality mental health environment participation institutional theory business and trade They engage particularly closely with current trends in economics in identifying

alternative models of economic growth which focus on its qualitative as well as quantitative dimensions This unique volume brings to public notice the nature and role of religion s contribution to wellbeing including new ways of measurement and evaluation As such it represents a valuable and unprecedented resource for the development of a broad based religious contribution to the field It will be of particular relevance for those who are concerned about the continuing debate about personal and societal well being as well as those who are interested in the continuing significance of religion for the future of public policy , Evidence-Based Practice of Palliative Medicine - E-Book Nathan E. Goldstein,Christopher D.

Woodrell,R. Sean Morrison,2023-11-07 Using a practical question and answer approach Evidence Based Practice of Palliative Medicine 2nd Edition helps you provide optimal care for patients and families who are dealing with serious illness This unique reference focuses on patient and family caregiver centered care highlighting the benefits of palliative care and best practices for delivery The highly practical user friendly format sets it apart from other texts in the field with concise readable chapters organized around clinical questions that you re most likely to encounter in everyday care Uniquely organized using a question and answer approach making it easy to find answers to common questions asked by practitioners and patients Up to date reader friendly chapters explore interventions assessment techniques treatment modalities recommendations and guidelines communication techniques and available resources for palliative care Expanded discussions on hospice in every chapter and a new emphasis on pediatrics with increased material on pediatric malignancies developmental delays cystic fibrosis and perinatal palliative care New chapters on wellness of the palliative care practitioner patients with opioid use disorders telehealth in palliative care health disparities rural palliative care caring for people with hematologic malignancies integrative and alternative therapies LGBTQ populations mobile health technologies and national palliative care implementation strategies High quality evidence gathered and reviewed by leading experts in palliative medicine including clinicians educators and researchers across a broad range of disciplines Numerous algorithms throughout help you make informed decisions and take home points in every chapter provide a quick summary of key content *Alzheimer's Disease From Molecular Mechanisms to Clinical Practices* Dildar Konukoğlu, Alzheimer s Disease From Molecular Mechanisms to Clinical Practices explores the extensive perspective from the molecular foundations to the clinical diagnosis and treatment of Alzheimer s disease The book serves as a fundamental resource for understanding the neurobiological basis and molecular pathogenesis of Alzheimer s while also discussing the challenges and opportunities of transitioning from the laboratory to clinical settings The initial sections of the book comprehensively examine the fundamental molecular characteristics of Alzheimer s disease these include the accumulation of amyloid beta peptide hyperphosphorylation of tau protein and how these processes lead to synaptic dysfunction and neuronal death These chapters provide strategies on how to understand the pathology of the disease at a molecular level and how this knowledge can be translated into clinical practice Subsequent parts focus on the development and use of biomarkers for the early diagnosis of Alzheimer s disease In addition to the role of

genetic predispositions the effects of environmental factors and lifestyle choices on Alzheimer s disease are discussed highlighting the multifactorial nature of the disease In conclusion this book is a valuable resource for clinicians researchers and medical students specializing in the field It provides essential scientific and practical information necessary for a better understanding and management of Alzheimer s disease offering a comprehensive perspective on the integration of molecular mechanisms with clinical applications

Social Issues For Carers Towards Positive Practice Introduction

In today's digital age, the availability of Social Issues For Carers Towards Positive Practice books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Social Issues For Carers Towards Positive Practice books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Social Issues For Carers Towards Positive Practice books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Social Issues For Carers Towards Positive Practice versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Social Issues For Carers Towards Positive Practice books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Social Issues For Carers Towards Positive Practice books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Social Issues For Carers Towards Positive Practice books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It

also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Social Issues For Carers Towards Positive Practice books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Social Issues For Carers Towards Positive Practice books and manuals for download and embark on your journey of knowledge?

FAQs About Social Issues For Carers Towards Positive Practice Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
