Ronald H., 1986-12-01      *Social Justice Goes To Church: The New Left in Modern American Evangelicalism* Jon Harris, 2020-10-06 The infusion of social justice into the gospel may well be the most dangerous problem facing the church today Yet it is going unnoticed in far too many circles Social Justice Goes to Church can serve as a wake up call Samuel C Smith Ph D Chair and Graduate Program Director Department of History Liberty University In order to understand why so many evangelicals recently support left leaning political causes it is important to know a little history In the 1970s many campus radicals raised in Christian homes brought neo Marxist ideas from college back to church with them At first figures like Jim Wallis Ron Sider and Richard Mouw made great gains for their progressive evangelical cause But after the defeat of Jimmy Carter the religious right stole the headlines Today a new crop of mainstream evangelicals has taken up the cause of the New Left whether they know it or not As pro life evangelicals rush to support movements like BlackLivesMatter and MeToo it is important to realize they are walking in footprints already laid down Their mission may be more successful but it is not new To understand where the evangelical social justice movement is heading it is vital to understand the origins of the movement Social Justice Goes to Church The New Left in Modern American Evangelicalism answers from a historical perspective the vital question Why are American evangelicals moving Left The great injunction to the Church was to preach the Gospel to the world while not being of the world Social justice neatly reverses this trend preaching the ways of the world into the church That is not its only critical reversal The Gospel is about freedom from guilt and sin and bondage Social justice seeks above all to apportion guilt and sin and bondage enslaving entire demographics and requiring that they kneel before man in attrition How important that a book of this nature should enter the fray right now I applaud Mr Harris for his excellent work in providing the practical means of identifying and repelling this fraudulent force this ideological interloper this dangerous false teaching Douglas Kruger Author of Political Correctness Does More Harm Than Good How to Identify Debunk and Dismantle Dangerous Ideas      **Christianity and Wokeness** Owen Strachan, 2021-07-20 How wokeness in entering the culture How wokeness is entering the church Why is wokeness an ungodly system Theological issues Why is wokeness and ungodly system Cultural issues What does the Bible teach about identity and ethnicity Old Testament What does the Bible teach about identity and ethnicity New Testament Hard questions on American history and other hot topics

Woke Religion: Unmasking the False Gospel of Social Justice Wes Carpenter, 2021-08-03 In today s society many including Christians want to be woke But has woke become simply another religion another ploy of Satan s to shred the fabric of Christianity As woke critical theory seeps through the teachings of the Church many Christians are being misled by their own spiritual leaders to take part in the newest attempt for their souls In Woke Religion Unmasking the False Gospel of Social Justice Wes Carpenter unashamedly addresses these heretical teachings calling on those in spiritual authority to deny

woke philosophies and cling to the teachings of Scripture Follow Wes as he takes the reader from the stirrings of woke critical theory in Church history to the teachings that are pervading the Church today      **Social Justice and the Churches**

Corruption of Consequence Ronnie W. Rogers, 2021-02-23 A grave danger lurks behind the seemingly friendly term of social justice Contemporary social justice endangers our country families and most importantly the gospel of Jesus Christ Social justice is in many ways a euphemism for cultural Marxism What has made its threat even more treacherous is that cultural Marxism ideas have made their way into conservative evangelicalism and the Southern Baptist Convention As long as Christians are led to believe that social justice is the same as God's justice Christians will be facilitators of godless Marxism They will be instruments of corrupting the gospel of Jesus Christ This book biblically critiques social justice and prepares Christians to stand for God's impartial justice truth love and the gospel      *The Social Justice Agenda* Donal Dorr, 1991

Confronting Injustice without Compromising Truth Thaddeus J. Williams, 2020-12-22 God does not suggest he commands that we do justice Social justice is not optional for the Christian All injustice affects others so talking about justice that isn't social is like talking about water that isn't wet or a square with no right angles But the Bible's call to seek justice is not a call to superficial kneejerk activism We are not merely commanded to execute justice but to truly execute justice The God who commands us to seek justice is the same God who commands us to test everything and hold fast to what is good Drawing

from a diverse range of theologians sociologists artists and activists *Confronting Injustice without Compromising Truth* by Thaddeus Williams makes the case that we must be discerning if we are to truly execute justice as Scripture commands Not everything called social justice today is compatible with a biblical vision of a better world The Bible offers hopeful and distinctive answers to deep questions of worship community salvation and knowledge that ought to mark a uniquely Christian pursuit of justice Topics addressed include Racism Sexuality Socialism Culture War Abortion Tribalism Critical Theory Identity Politics *Confronting Injustice without Compromising Truth* also brings in unique voices to talk about their experiences with these various social justice issues including Michelle Lee Barnwall Suresh Budhaprithi Eddie Byun Freddie Cardoza Becket Cook Bella Danusiar Monique Duseon Ojo Okeye Edwin Ramirez Samuel Sey Neil Shenvi Walt Sobchak In *Confronting Injustice without Compromising Truth* Thaddeus Williams transcends our religious and political tribalism and challenges readers to discover what the Bible and the example of Jesus have to teach us about justice He presents a compelling vision of justice for all God's image bearers that offers hopeful answers to life's biggest questions [What Every Christian Needs to Know about Social Justice](#) Jeffrey D. Johnson, 2021-03-31 At first glance it appears that social justice and Christianity have a lot in common They seem to share a few mutual concerns they're both opposed to bigotry racism and oppression they are mutually concerned for the needy the afflicted and the less fortunate within society and they both seek to resolve conflict as they aspire after unity and peace And with these shared concerns it is tempting for Christians to buy into the validity of social justice But as Jeffrey D Johnson clearly and succinctly explains in just a few short chapters social justice is incompatible with Christianity Johnson takes us through the history of social justice and helps us understand its complex issues This is a brief to the point handbook every Christian should read to understand how contemporary definitions of social justice differ from what the Bible teaches about justice and how social justice seeks to destroy individual rights and the authority of the nuclear family and the conservative church [Confronting Injustice without Compromising Truth Study Guide](#) Thaddeus J. Williams, 2022-06-28 Enacting social justice is essential to the Christian faith But the Bible's call to seek justice is not a call to superficial activism True justice requires biblical wisdom and communal discernment Maybe you're frustrated with a version of Christianity that doesn't seem to take justice seriously Perhaps you've witnessed the rise of ideologies that brand themselves as social justice but you have a sense that something is off about them Maybe you have a hunch that God offers a better way to do justice than what's offered by the snarky memes on our news feeds In this 14 session video based study guide teacher and lecturer Thaddeus Williams furthers the case he made in his book taking study groups and individuals deeper into complex question of how to pursue a path of justice without compromising the truth of the gospel Participants will watch video segments DVD streaming video sold separately hear from a diverse range of experts interact in group discussions and answer personal reflection questions to discover what the Bible and the example of Jesus have to teach us about justice Williams confronts religious and political tribalism and challenges participants to discover a

**Connecting Jesus to Social Justice** Thomas Hughson,2013-10-10 Many Christians see the societal dimension of their faith as a matter of biblical and social ethics Returning to classical Christology Connecting Jesus to Social Justice explores messianic potential in the Council of Chalcedon on the divine identity of Christ Who Jesus is makes all the difference to Christian entrance into the public sphere on behalf of a just society The Messiah's divinity bears on social mission directed toward a just social order Theological appropriation of Chalcedon overcomes a gap between the professing the Creed and interpreting social existence in light of a just social order Connecting Jesus to Social Justice argues a doctrinally traditional orthodox basis for Christian participation in the public sphere on behalf of social justice The book addresses a situation internal to churches in the U S from a Catholic perspective yet not without analogies in other churches and Christian movements Applying traditional Christology to contemporary social mission solidifies an answer to adversarial queries on the appropriateness of a social agenda Implications in the classical Christology also confirm churches and discipleship in commitment to social justice promoted through a subaltern counter public and then by word and deed in the public sphere

*Christian Faith and Social Justice: Five Views* Vic McCracken,2014-06-19 The Judeo Christian tradition testifies to a God that cries out demanding that justice roll down like waters righteousness like an ever flowing stream Amos 5:24 Christians agree that being advocates for justice is critical to the Christian witness And yet one need not look widely to see that Christians disagree about what social justice entails What does justice have to do with healthcare reform illegal

immigration and same sex marriage Should Christians support tax policies that effectively require wealthy individuals to fund programs that benefit the poor Does justice require that we acknowledge and address the inequalities borne out of histories of gender and ethnic exclusivity Is the Christian vision distinct from non Christian visions of social justice Christians disagree over the proper answer to these questions In short Christians agree that justice is important but disagree about what a commitment to justice means Christian Faith and Social Justice makes sense of the disagreements among Christians over the meaning of justice by bringing together five highly regarded Christian philosophers to introduce and defend rival perspectives on social justice in the Christian tradition The positions advocated and critiqued are libertarianism political liberalism liberation theology feminism and virtue ethics While it aspires to offer a lucid introduction to these theories the purpose of this book is more than informative It is purposefully dialogical and is structured so that contributors are able to model for the reader reasoned exchange among philosophers who disagree about the meaning of social justice The hope is that the reader is left with a better understanding of range of perspectives in the Christian tradition about social justice

The Bible and Social Justice Cynthia Long Westfall, Bryan R. Dyer, 2016-03-10 Although the cry for justice in human society is an important theme in the Bible in many church and academic circles action for and discourse about social justice is carried on without a thorough exploration of this theme in Scripture This volume brings together chapters by experts in the various sections of the Old and New Testaments to give a full spectrum of what the Bible has to say about social justice and to point to ways forward for Christians seeking to think and act in harmony with God in pursuing social justice in the world today What Is the Mission of the Church? Kevin DeYoung, Greg Gilbert, 2011-09-08 Social justice and mission are hot topics today there s a wonderful resurgence of motivated Christians passionate about spreading the gospel and caring for the needs of others But in our zeal to get sharing and serving many are unclear on gospel and mission Yes we are called to spend ourselves for the sake of others but what is the church s unique priority as it engages the world DeYoung and Gilbert write to help Christians articulate and live out their views on the mission of the church in ways that are theologically faithful exegetically careful and personally sustainable Looking at the Bible s teaching on evangelism social justice and shalom they explore the what why and how of the church s mission From defining mission to examining key passages on social justice and their application to setting our efforts in the context of God s rule DeYoung and Gilbert bring a wise studied perspective to the missional conversation Readers in all spheres of ministry will grow in their understanding of the mission of the church and gain a renewed sense of urgency for Jesus call to preach the Word and make disciples *On Love and Mercy* Stephen Mattson, 2021-11-09 A hopeful and Christ centered devotional for Christians who know social justice to be a good and holy endeavor On Love and Mercy is a 60 day devotional that invites readers to expand their vision of both personal faith in God and the redemptive and saving work of social action Breaking down the premise that Christians must choose between being either socially conscious or theologically sound author Stephen Mattson offers the hopeful message that Jesus and

Christianity is both Each day s entry offers Christians who long to see justice and equity within society with a much needed source of affirmation solidarity and encouragement These heart felt devotions bring readers hope and encouragement to embrace social justice as the Christ like discipline that it always was and is meant to be On Love and Mercy validates social justice practices within the Christian faith by centering the example of Jesus as the ultimate standard Although our religion will fail us Jesus never will He walks alongside us in living out God s commands us to love our neighbors to the best of our ability Step into this journey and discover anew what it means to be devoted to Jesus and justice *A Way of Life* Sara N.
