The Dynamics of Social Movements in Hong Kong Stephen Wing

Kai Chiu,Tai Lok Lui,2000-01-01 Studies of Hong Kong society have long focused one sidedly upon economic prosperity and political stability Contributors to this volume redress this imbalance by taking a critical view of Hong Kong s political development from the perspectives of social conflict and collective action Instead of looking at Hong Kong from the top this volume documents the active role played by local actors from below political groups student activists trade unions women groups environmentalists and community organizers and their impact on social and political development in Hong Kong society in the context of political transition and democratization economic restructuring and an emergent local identity

Interest Groups and the New Democracy Movement in Hong Kong Sonny Shiu-Hing Lo,2017-09-13 A new era in the democracy movement in Hong Kong began on July 1 2003 when half a million people protested on the streets and has included the 2012 anti National Education campaign the 2014 Occupy Central Movement and the rapid rise of localist groups The new democracy movement in Hong Kong is characterized by a diversity of interest groups calling for political reform policy change and the territory s autonomy vis vis the central government in Beijing These groups include lawyers teachers students nativists workers Catholics human rights activists environmental activists and intellectuals This book marks a new attempt at understanding the activities of the various interest groups in their quest for democratic participation governmental responsiveness and openness They are utilizing new and unconventional modes of political participation such as the Occupy Central Movement cross class mobilization the use of technology and cyberspace and human rights activities with cross boundary implications for China s political development The book will be useful to students researchers officials diplomats and journalists interested in the political change of Hong Kong and the implications for mainland China **Civil**

Unrest and Governance in Hong Kong Michael Ng,John Wong,2017-07-14 This book examines important social movements in Hong Kong from the perspectives of historical and cultural studies Conventionally regarded as one of the most politically stable cities in Asia Hong Kong has yet witnessed many demonstrations and struggles against the colonial and post colonial governments during the past one hundred years Many of these movements were brought about in the name of justice and unfolded against the context of global unrest Focusing on the local developments yet mindful of the international backdrop this volume explores the imaginaries of law and order that these movements engendered revealing a complex interplay among evolving notions of justice governance law and order and cultural creations throughout the under explored history of instability in Hong Kong Underscoring the apparently contrasting discourses on the relationship among the rule of law law and order and social movements in Hong Kong the contributors emphasise the need to re examine the conventional juxtaposition of the law and civil unrest Readers who have an interest in Asian studies socio political studies legal studies cultural studies and history would welcome this volume of unique interdisciplinarity Social Movements, Political Reform and the Transfer of Sovereignty in Hong Kong Linda Butenhoff,1996

395 dissertations that are concerned either in whole or in part with Hong Kong and with Hong Kong Chinese students and emigres throughout the world *The Changing Legal Orders in Hong Kong and Mainland China: Essays on "One Country, Two Systems"* Albert H.Y. Chen, 2021 This collection of selected works by Professor Albert H Y Chen shows the contours of the author's scholarship as it developed over 35 years of his academic career from 1984 to the present The essays are divided into three sections which cover the three major domains of Professor Chen's research Part I covers the legal developments and controversies of One Country Two Systems since the Hong Kong interpretation on the right of abode in 1999 to the anti extradition movement of 2019 Part II shifts to focus on tradition and modernity in Chinese Law including China's Confucian and Legalist traditions and how the socialist legal system in China evolved and modernized in the era of reform and opening Part III examines the transplantation of Western thinking and constitutionalism to East Asia in modern times and discusses the achievements and failures of these efforts In conjunction with an introductory chapter that sets out the basic orientation and paradigm of these legal and constitutional studies and an epilogue that reflects on the main themes this collection exemplifies the author's important contributions to the field and provides insight into how the legal orders in Hong Kong and mainland China have changed over the course of Professor Chen's academic career **Social Movements, Political Reform and the Transfer of Sovereignty in Hong Kong** Linda Butenhoff, 1996 **Social Movements in China and Hong Kong** Khun Eng Kuah, Gilles Guiheux, 2009 Het uitgangspunt van dit boek is dat Chinese individuen van hun eigen inzet uit moeten kunnen gaan ongeacht de beperkingen die hen door de staat worden opgelegd Om hun belangen beter te kunnen verdedigen sluiten sommige individuen zich aan bij sociale bewegingen die tot sociale protesten kunnen leiden

Citizenship, Identity and Social Movements in the New Hong Kong Wai-man Lam, Luke Cooper, 2017-09-11 Hong Kong's Umbrella Revolution has been widely regarded as a watershed moment in the polity's post 1997 history While public protest has long been a routine part of Hong Kong's political culture the preparedness of large numbers of citizens to participate in civil disobedience represented a new moment for Hong Kong society reflecting both a very high level of politicisation and a deteriorating relationship with Beijing The transformative processes underpinning the dramatic events of autumn 2014 have a wide relevance to scholarly debates on Hong Kong China and the changing contours of world politics today This book provides an accessible entry point into the political and social cleavages that underpinned and were expressed through the Umbrella Movement A key focus is the societal context and issues that have led to growth in a Hong Kong identity and how this became highly politically charged during the Umbrella Movement It is widely recognised that political and ethnic identity has become a key cleavage in Hong Kong society But there is little agreement amongst citizens about what it means to be Hong Konger today or whether this identity is compatible or conflicting with being Chinese The book locates these identity cleavages within their historical context and uses a range of theories to understand these processes including theories of nationalism social identity ethnic conflict nativism and cosmopolitanism This theoretical plurality allows the reader to see the

new localism in its full diversity and complexity and to reflect on the evolving nature of Hong Kong's relationship with Mainland China

Hong Kong's History Tak-Wing Ngo, 2002-09-11 Rewriting Hong Kong's history from the bottom up the chapters investigate vital but hitherto obscured aspects of the colony's rise They cover the Chinese collaboration with the colonial regime legal discrimination and intimidation rural politics social movements government business relations industrial policy flexible manufacturing and colonial historiography Drawing together contributions from historians sociologists and political scientists the book highlights the role played by a variety of social actors in Hong Kong's history and differs both from recent celebrations of British colonialism and anti colonial Chinese nationalism *Critique of Hong Kong Nativism* Jie Zhu, Xiaoshan Zhang, 2019-01-30 This book focuses on the separatist trend in Hong Kong which it approaches by drawing on historical studies political analysis social studies and legal analysis It offers a comprehensive and interdisciplinary guide to the topic addressing the historical evolution of Hong Kong Nativism the theoretical connotations and fallacies of Hong Kong Independence and the legal measures taken to forestall it Written by mainland scholars who approach the subject matter from a legal perspective the book offers revealing insights for all students and researchers who are interested in Hong Kong Basic Law and the current political situation in Hong Kong [Asia's Environmental Movements in Comparative Perspective](#) Alvin Y. So, Lily Xiao Hong Lee, 2020-10-07 Exploring one of the most dynamic and contested regions of the world this series includes works on political economic cultural and social changes in modern and contemporary Asia and the Pacific
