Social Work In Britain 1950 1975:

Social Work in Britain, 1950-1975 Dame Eileen Louise Younghusband,1978 *A History of the Roles and Responsibilities of Social Workers* Mike Burt,2020-07-22 Tracing the origin of work with the impotent poor under the Poor Laws to social workers current responsibilities towards vulnerable people this book introduces the reader to the way in which the identification of particular social problems at the end of the nineteenth century led to the emergence of a wide range of separate occupational groups and voluntary workers which were sometimes but increasingly referred to as social workers Using an extended single chronological historical narrative and analysis which draws heavily on original archival sources and contemporary literature it addresses the changes which took place as part of the welfare state and the identification of common roles and responsibilities by social workers which led to the formation of the British Association of Social Workers in 1970 The expansion of roles and responsibilities in social services departments and voluntary societies is analysed and their significance for the development of social work is evaluated By highlighting the changes and continuities in these roles and responsibilities this book will be of interest to all academics students and practitioners working within social work who wish to know more about the origins of their discipline and the current state of the profession today

Comprehensive Handbook of Social Work and Social Welfare, Social Work Practice ,2008-03-31 Comprehensive Handbook of Social Work and Social Welfare Volume 3 The Profession of Social Work features contributions from leading international researchers and practitioners and presents the most comprehensive in depth source of information on the field of social work and social welfare Effective Advocacy in Social Work Jane Dalrymple,Jane Boylan,2013-10-22 Advocacy is an essential skill for social workers who need to be able to speak confidently on behalf of service users in a range of situations In this new book Jane Dalrymple and Jane Boylan explore the theory and research behind advocacy to demonstrate how to achieve best practice Key topics covered include Independent advocacy Supporting self advocacy and decision making Challenging oppression Negotiating with organisations Each chapter includes rich case examples which help readers bring the discussion into the real life practice context Effective Advocacy in Social Work will be valuable reading for those studying social work at undergraduate and postgraduate level as well as those working in practice and in interprofessional contexts Jane Dalrymple is Senior Lecturer at the University of the West of England Jane Boylan is Senior Lecturer at Keele University

Women, Oppression and Social Work Lesley Day,Mary Langan,2002-09-11 Many of the gains of the women s movement over the past 20 years now seem threatened by the combined effects of prolonged economic insecurity reductions in the scope of welfare provision and a general shift in the climate of public opinion to the right Social workers are faced with the growing damands of a more inpoverished and more unstable society with less resources to meet these demands In response to these pressures feminist social work has begun to move beyond some of the limitations of both the traditional and radical social work models of the past The emerging anti discriminatory model recognizes the diversity of oppresions according to

race gender and class as well as those of age disability and sexual orientation Women Oppression and Social Work offers a new perspective on feminist social work which takes account of the complexity of the manifold oppressions that affect the lives of most women and most social work clients   Social Work, the Media and Public Relations (Routledge Revivals) Bob Franklin,Nigel Parton,2014-06-17 Over the past few decades relationships between social workers and the media have become increasingly challenging Social workers feel aggrieved by media reporting of their profession and believe that journalists lack sufficient knowledge and experience of the social services to report matters adequately and sensitively whilst some journalists have urged social workers to adopt a more proactive public relations strategy This book first published in 1991 analyses the causes and consequences of the negative portrayal of social work within the media and considers various ways in which this image might be improved The authors consider a variety of developments during the 1990s designed to redress imbalances in media reporting and present a more accurate picture of social workers and the people with whom they work This title remains very relevant in light of the high profile cases related to the social service that continue to feature in the British press and will be of particular value to students and researchers with an interest in the relationship between the media and social policy   A Bibliography of British History, 1914-1989 Keith Robbins,American Historical Association,Royal Historical Society (Great Britain),1996 Containing over 25 000 entries this unique volume will be absolutely indispensable for all those with an interest in Britain in the twentieth century Accessibly arranged by theme with helpful introductions to each chapter a huge range of topics is covered There is a comprehensive index   **Dictionary of Social Welfare** Noel W Timms,Rita Timms,2016-06-10 First published in 1982 this dictionary offers a practical aid to students of social work and of social policy in their conversation about social welfare It explains the meaning or range of meanings of common terms and explains their applications in welfare legislation policy and use by welfare practitioners It helpfully cross references terms with similar or related terms that might be considered alongside In addition most entries are concluded by references which introduce the reader to a more extended treatment of the term or an elaboration of its application in the language of social welfare Although first published in 1989 this book will be a valuable resource for students of social work social policy and social welfare   *Exploring and Locating Social Work* Darren Hill,Lorraine Agu,David Mercer,2018-11-15 This engaging and accessible introduction to social work encourages reflective learning in preparation for practice Direct linking of key concepts to professional standards ensures that students are able to build up an understanding through context and reflective points and with an emphasis on diversity ideology and preparing for practice students will benefit from both practical and theoretical guidance Sections are designed to work as both integrated and standalone resources and the flexible methodology will support a range of courses and learning techniques   *Understanding Social Work* John Pierson,2011-10-16 This scholarly and engaging volume shows us where social work has come from and so helps us understand and shape its future The author has a gift for making the profession s complex history accessible whilst

respecting its intricacy The result is an illuminating tour de force a book that gives perspective and hope Suzy Braye Professor of Social Work University of Sussex UK Pierson s richly documented overview of social work s evolution in Britain promises to support coming generations of social workers in learning from their field s responses to changing issues and ideas on assistance for those in need J Lee Kreader Interim Director National Center for Children in Poverty Columbia University USA This introductory textbook provides a concise account of the development of social work in Britain from its beginnings in the industrial revolution to the present day The book seeks to recover overlooked experiences and important but forgotten debates whilst re examining the concepts and approaches developed by chief architects of the profession The book has several unique features designed to help students both understand the development of social work and to form their own judgements on the issues it raises Timelines that mark important practice and policy developments Discussion points that pose questions for readers to think through First hand testimony and excerpts from case records showing the viewpoints perspectives and decisions of social workers in earlier decades Documentary material that encourages students to critically reflect on the present in light of the past Understanding Social Work is written with the student and educator in mind in a style and format that makes the history of social work approachable relevant and profound The view of history embodied here is of a continuously unfolding many sided phenomenon that offers a rich source of ethical insight practical experience and moral guidance **Social Work Ideals and Practice Realities** Mark Lymbery,Sandra Butler,2018-06-26 Social work practice is becoming increasingly complex with social workers struggling to hold onto their ideals and values in a pressurized and challenging social political and organizational environment This book provides an analytically coherent approach to the impact of macro mezzo and micro factors upon practitioners daily experiences In taking a positive view of social work s potential and capacity to deliver beneficial services detailed guidance is offered of cutting edge creative practice with a variety of user groups Social Work as Community Development Stephen Clarke,2018-02-06 This title was first published in 2000 The second edition of Social Work as Community Development is thoroughly revised and updated taking into account lessons from community development and international experiences applicable in developed economies The application of system theory to the problems of managing change is the core theme The book will be essential reading for the UK DipSW MScEcon in Applied Social Studies and MScEcon in Community Care Studies as well as for students of community development and social work in the USA Asia and Australia It will also be useful for practitioners and policy makers across social work social welfare and social policy *Narcissistic Parenting in an Insecure World* Harry Hendrick,2016-07-06 In this provocative history of parenting Harry Hendrick analyses the social and economic reasons behind parenting trends He shows how broader social changes including neoliberalism feminism the collapse of the social democratic ideal and the new behaviourism have led to the rise of the anxious and narcissistic parent The book charts the shift from the liberal and progressive parenting styles of the 1940s 70s to the more behavioural punitive and managerial methods of childrearing today

made popular by experts such as Gina Ford and Supernanny Jo Frost and by New Labour s parent education programmes This trend Hendrick argues is symptomatic of the sour mean spirited and vindictive social norms found throughout society today It undermines the better instincts of parents and therefore damages parent child relations Instead he proposes parents should focus on understanding and helping their children as they work at growing up **Ethics and Value Perspectives in Social Work** Mel Gray,Stephen A. Webb,2010-05-19 This agenda setting text explores a broad range of value perspectives and their impact on and contribution to social work thinking on ethics Including new perspectives such as Islam and drawing on international contributors this is essential reading for all social work students studying ethics and values Families and Social Workers Pat Starkey,2000-05-01 Families and Social Workers examines the origins development and impact of Family Service Units FSU a voluntary social work agency that during the post war period exercised an influence on the development of social work practice and training out of all proportion to its size and resources Originating in the activities of conscientious objectors in Liverpool Manchester and Stepney during the Second World War FSU s innovative methods of working with poor families led to the establishment of units in towns and cities throughout Britain This study shows how FSU met the challenges and opportunities presented by the introduction of state run social services evaluates its successes and failures in terms of the aims that units set themselves and examines the conflicts that arose between FSU s commitment to independence and innovation and its dependence on local authority funding **Social Work in a Risk Society** Stephen A. Webb,2006-01-23 This path breaking text constructs a new way of thinking about social work based on contemporary social theory Working in a counter tradition that is suspicious of a number of governing ideas and practices in social work it draws on themes from Beck Giddens Rose to explore the impact of risk society and neo liberalism on social work *Welfare Policy in Britain* Rodney Lowe,Helen Fawcett,2016-07-27 The welfare state arouses controversy whether attention is focused on its recent past or future development Leading experts in welfare history draw together the latest research in essays combining broad policy surveys and detailed case studies The key questions are What is a welfare state and How can it best be analysed The history of the British welfare state suggests that the traditional approach has been too narrow Current policy should be informed by a greater sense of history **Social Change, Social Policy and Social Work in the New Europe** Anna Kwak,Robert Dingwall,2019-01-04 First published in 1998 this edited volume reflected on the role of universities and aimed to improve the preparation of social welfare professionals by the University of Warsaw for employment in the new market oriented society that was being created in Poland after the end of real socialism in 1989 Many of its articles were previously published in Polish and were published revised and updated in English for the first time in this collection The contributors discuss two key issues First should universities worry about the employment of their graduates and the skills that are needed by the wider economy and society or just focus on transmitting advanced learning Second they considered the modernisation of the welfare state The Polish experience and the Western partners reaction to it has proved an excellent case study for

these issues   *Understanding Social Work Practice in Mental Health* Vicki Coppock,Bob Dunn,R. W. Dunn,2009-12-22 This book provides an authoritative overview of mental health theory policy and practice Exploring the complex moral and ethical dimensions underpinning the field the book engages with the key issues encountered by practitioners working in the modern mental health system Using real world scenarios case studies and reflective exercises it asks students to critically examine the world of mental health practice from the perspective of users of mental health services and their careers   **Underclass** John Welshman,2007-03-10 This book is the first to look systematically at the question of underclass and poverty bringing new insights on the contemporary debate about behaviour and welfare reform

Social Work In Britain 1950 1975 Introduction

In todays digital age, the availability of Social Work In Britain 1950 1975 books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Social Work In Britain 1950 1975 books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Social Work In Britain 1950 1975 books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Social Work In Britain 1950 1975 versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Social Work In Britain 1950 1975 books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether youre a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Social Work In Britain 1950 1975 books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Social Work In Britain 1950 1975 books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Social Work In Britain 1950 1975 books

and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Social Work In Britain 1950 1975 books and manuals for download and embark on your journey of knowledge?
