Greene, Nancy Kropf, 2017-07-12 As American society becomes increasingly diverse social workers must use a variety of human behavior frameworks to understand their clients culturally complex concerns This text applies specific human behavior theories to diversity practice They show how human behavior theory can be employed in interventions in the life problems of diverse client populations at the individual group social network and societal levels Several groups are examined They include minority groups ethnic groups women older adults members of certain social classes affected by economic and educational disadvantage especially those living in poverty

people with developmental disabilities people of varying sexual and gender orientations and religious groups Case studies that illustrate social work practice in the area are highlighted The case studies include Social Work Practice within a Diversity Framework The Social Work Interview Symbolic Interactionism Social Work Assessment Meaning and Language Erikson's Eight Stages of Development Role Theory and Social Work Practice A Constructionist Approach Risk Resilience and Resettlement Addressing Diverse Family Forms Small Group Theory Natural Social Networks Power Factors in Social Work Practice This volume will be a fundamental resource for practitioners and an essential tool for training Working with Child Abuse and Neglect Vernon R. Wiehe, 1996-06-24 How do you intervene in abusive and neglectful families or prevent maltreatment in families at risk How can you find the answers you need in the overwhelming array of information now available on the subject In Working with Child Abuse and Neglect author Vernon R. Wiehe helps you focus by evaluating a wealth of references to current published literature and pinpointing the practical applications that put these findings into action Condensing the explosion of knowledge about child maltreatment into one provoking yet accessible primer Wiehe first offers a historical perspective on child maltreatment and an assessment of the scope of the problem He also discusses theoretical perspectives for understanding the problem and specific treatment and prevention techniques Information on state and national organizations working in the field illustrates not only the size of the problem but also the mobilized efforts to stem child abuse and neglect As well as a balanced introduction Working with Child Abuse and Neglect serves as a springboard to important sources of additional knowledge Ideal for upper division undergraduates as well as graduate students and anyone in the helping professions who is beginning to work with victimized children Working with Child Abuse and Neglect provides a sound assessment of the state of the literature and application in this expanding area of study and practice In addition the handy reference value of this volume will appeal in particular to social workers counseling and clinical psychologists and nurses Human Behavior Theory Roberta Greene, 2017-09-29 In recent years advocates for civil rights for minorities women and gays and lesbians have become more informed consumers of mental health services As a result social work practitioners need to prepare themselves to serve diverse constituencies for who previously held behavioral and cultural assumptions have proven not to be universally applicable The purpose of Greene's book is to help students and practitioners better understand how social workers have used human behavior theories to more competently address variations in group and community membership within the social worker client encounter The book's approach is largely thematic Most of the chapters explore how particular assumptions of a human behavior theory psychoanalytic theory psychodynamic ego psychology theory systems theory behavioral theory symbolic interaction theory feminist theory constructionist theory small group theory and an ecological perspective have been used to answer issues related to cultural diversity The challenges and limitations of each theory's applications across varying client constituencies are discussed throughout What sorts of new conceptual issues for the practitioner of family services are raised in work with minority

families for example or with lesbian families How does a specific theory help or not help in group specific interventions and evaluations Intended as a companion volume to the widely adopted human behavior text by Greene and Ephross Greene s new book fills the need for a wide synthetic reading of the recent literature     *Encyclopedia of Social Work* ,1965

**Serving African American Children** Sheryl Brissett-Chapman,2018-04-27 Serving African American Children was initiated to present an African American perspective on child welfare issues affecting African American children The chapters in this volume challenge the child welfare community to ensure that all African American children receive protection nurturing and an improved quality of life to create and sustain mutual communication and support through program development to ensure that African American consultants are involved in the evaluation of agencies where African American populations represent a significant proportion of the service population and to increase African American leadership through education and training opportunities in preparation for executive level positions Major chapters and contributors to Serving African American Children include Family Preservation and Support Services A Missed Opportunity for Kinship Care by Julia Danzy and Sondra M Jackson Achieving Same Race Adoptive Placements for African American Children by Ruth G McRoy Zena Oglesby and Helen Grape African American Families and HIV AIDS Caring for Surviving Children by Alma J Carten and Ilene Fennoy A Rite of Passage Approach Designed to Preserve the Families of Substance Abusing African American Women by Vanesta L Poitier Makini Niliwaambieni and Cyprian Lamar Rowe and An Afrocentric Program for African American Males in the Juvenile Justice System by Aminifu R Harvey and Antoinette A Coleman The chapters reflect a variety of policy research and practice issues clinical techniques and treatment models and new perspectives in child welfare The theme that runs throughout each chapter is the grave concern about the overrepresentation of African American children and families in the child welfare system and about the limited if not missing influence of the African American perspective on policy and practice Serving African American Children is a book of vital importance and should be read by all social workers sociologists African American studies specialists and professionals in the field of child welfare     **Cultural Competence In**

**Assessment And Intervention With Ethnic Minorities: Some Perspectives From Psychology, Social Work and Education** Robert G. Malgady,2011 Without a thorough understanding of culture and its nuances on part of the mental health service providers alienation stigma and culturally based impediments rule While concerns for diversity have been raised on numerous occasions with increasing frequency over the past four decades little progress has been made in implementing such concerns in clinical practice Over two thirds of Americans receive treatment for depression anxiety substance abuse and related disorders Comorbidity is rarely diagnosed These trends are greatly exacerbated among members of ethnic cultural and linguistic minority groups the authors contributing to this volume share their clinical acumen and experiences rooted in their evidence based research Their purpose is to bring issues attending assessment and treatment of ethnic minority clientele closer to the fore Some of the leading authors on the topic in psychology and social work present

their well earned clinical and research experiences in this volume Case studies are presented which are instructive and intriguing bringing together the richness of a multidisciplinary approach to the topic

**Balancing Family-centered Services and Child Well-being** Elaine Walton, Patricia Sandau-Beckler, Marc Mannes, 2001 With contributions ranging from academic and professional theorists and policy developers to independent social workers this book explores the development of family centered services the processes by which these services are implemented the problems the field now faces and prospects for the future Multi faceted examinations of the field show how family centered services and child well being can be linked on a daily basis to better the lives of both parents and children

Treatment of the Chemically Dependent Homeless Kendon J. Conrad, Cheryl I. Hultman, John S. Lyons, 1993 Develop new programs or improve existing programs with these helpful descriptions of theoretical foundations and practical implementation of innovative projects Treatment of the Chemically Dependent Homeless presents fourteen projects funded by the National Institute on Alcohol Abuse and Alcoholism NIAAA in cooperation with the National Institute on Drug Abuse NIDA that were designed to develop strategies to combat the dual problems of homelessness and substance abuse and then analyze program effectiveness Contributors describe projects occurring in a variety of major cities and focus on the theory behind each program and its practical implementation Treatment professionals seeking new directions for their own programs will benefit from chapters that compare conventional services with new innovative treatments They also demonstrate how the new programs will effectively meet the needs of the target population and fill the gaps where current services fail Treatment of the Chemically Dependent Homeless presents detailed discussions of each program s theoretical foundation design and implementation that will be invaluable to clinicians and researchers needing information about the complex nature of various experimental interventions The book begins by presenting an overview of the background and rules of the NIAAA Cooperative agreement The subsequent chapters follow a logical sequence by concentrating on one or two of the following aspects of program development theory of treatment local political and social milieus special populations outreach strategies relapse and retention issues residential care programs case management transition to independence Doctors nurses psychologists social workers substance abuse counselors and researchers who treat or study the chemically dependent homeless will value this groundbreaking information for studying developing and improving their own treatment programs Teachers who seek to educate their classes regarding state of the art service provision for homeless substance abusers will also find this an essential resource for innovative ideas and practical examples of program implementation
