

# Social Work With Groups

**Kenneth E. Reid**

## **Social Work With Groups:**

Social Work with Groups Charles Zastrow, 1997 This edition continues to provide students with the most comprehensive and readable introduction to leading groups The text is completely updated and includes new chapters on communities and groups feminist intervention in groups and the mandated content in the revised curriculum policy statements of the Council on Social Work Education New material is presented on the Tuckman and Bales models of group development the RAP framework for leading multiracial groups conflict resolution strategies and professional boundaries with clients Each chapter is designed to facilitate learning through the laboratory approach First the goals of the chapter are stated and then theoretical material is presented on how to achieve these goals Next group exercises that illustrate key concepts are explained and performed providing students with the skills needed to reach the chapter's goals Students are encouraged to conduct class sessions and lead classroom exercises

**Social Work with Groups** Joseph Anderson, 1997 Social Work with Groups provides a highly accessible skills and theory based framework for facilitating social work practice with groups The field tested skill model of Trust Autonomy Closeness Interdependence and Separation shows students how to facilitate a group process suitable for diverse client populations and problems

*Social Group Work* Joseph Lassner, Kathleen Powell, Elaine Finnegan, 1987 Learn from expert new insights into such areas as the single session the effects of leader gender and race on group behavior selection of groups volunteers in group work and much more

**Groupwork Practice for Social Workers** Karin Crawford, Marie Price, Bob Price, 2014-12-01 Working with families carers groups and communities is something all social work students must prepare for Written to guide you through these varied and complex groupwork situations this book explores the knowledge skills and values required for groupwork practice Divided into two parts the first provides an understanding of groupwork its concepts and contexts while the second takes you step by step through groupwork practice from planning and preparation to starting out facilitating and finally ending work with a group Different service contexts including work with children with users who have learning disabilities in mental health settings and more are covered throughout the book with case studies activities and reflective opportunities helping you to understand the complexities of these contexts This text is a comprehensive and contemporary guide to groupwork in social work today

**Task Groups in the Social Services** Marian Fatout, Steven R. Rose, 1995-02-17 In light of the growing importance of and reliance on task groups in the social services this comprehensive text examines the uses methods and dynamics of such groups Following a description of the nature history and variety of task groups the authors discuss the role of the social worker in these groups focusing on the recruitment and composition of groups participating as a team member shepherding a group and dealing with problem behaviours within it Task Groups in the Social Services will prove a vital resource to both students and practitioners in social work

*The Use of Groups in Social Work Practice* Bernard Davies, 1975-01-01

Toseland Ronald W. Toseland, Robert F. Rivas, 2016-07-13 For courses in Group Social Work Practice A comprehensive

coherent organized overview of group work practice from a generalist practice perspective Widely used by professionals educators and students in undergraduate and graduate courses in schools of social work throughout the United States and the world An Introduction to Group Work Practice presents a comprehensive coherent organized overview of group work practice from a generalist practice perspective The new Eighth Edition continues to include typologies illustrating group work practice with task and treatment groups at the micro meso and macro levels Thoroughly updated throughout the new edition includes research on virtual groups updated and deeper content on practice with treatment and task groups the most current literature on working with reluctant and resistant group members updated and expanded sections on working with individuals who have difficulty engaging in and sustaining work in groups updated material on leadership and diversity and thoroughly updated reference material and new content from evidence based practice sources      **Group Work** Urania Glassman,2008-10-08 A book that supports the human spirit and the humanistic visions of those who champion personal and social change through the social work group The Second Edition of Group Work A Humanistic and Skills Building Approach identifies the humanistic values and democratic norms that guide the group practitioner s interventions The book presents seven stage themes of group development 29 techniques for group work practice and more than 60 new illustrations from contemporary group work The Second Edition remains centered on the role of the social group work practitioner who employs group work methods to further the personal growth and empowerment of members in community and institutional contexts Features of the Second Edition Offers 29 new descriptions of group work practice techniques which have applicability in clinical support and organizational groups Provides seven stage themes of group development describing member reactions and highlighting worker pitfalls self awareness issues and skills for maximizing member growth within each stage Presents 60 new illustrations of group meetings which demonstrate the practitioner role and conclude with discussion and analysis Includes an updated Chapter 10 which highlights ethical values in mental health substance abuse treatment and health care groups Intended Audience This is an ideal core text for advance undergraduate and graduate courses such as Group Work Foundation Practice Skills of Counseling and Group Dynamics in the fields of social work psychology and counseling      *Group Theory for Social Workers* K. Heap,2014-06-28 Presents aspects of group theory from the disciplines of social and developmental psychology small group psychology psycho analytical theory and practice The concepts discussed are chosen for their relevance to understanding the behavior of clients who are members of groups in social work treatment and the book is extensively illustrated by case extracts from social work practice      *Group Work and Aging* Roberta K Graziano,Robert Salmon,2013-09-13 Get a wealth of information about the theory and practice of social work with older adults their families and their caregivers Although there is a considerable amount of writing on both group work and social work with the elderly there is surprisingly little about applying this practice method to this specific age group Group Work and Aging Issues in Practice Research and Education fills this gap by presenting penetrating articles

about a mutual aid approach to working with diverse groups of older adults with varied needs Respected experts and gifted researchers provide case studies practice examples and explanation of theory to illustrate this practice method with aging adults their families and their caregivers Group Work and Aging Issues in Practice Research and Education discusses in depth information on group work with gay and lesbian elders caregivers elders with Alzheimer s disease service providers special populations such as Vietnamese and Latino a elders and provides information on the use of expressive therapies like art drama and dance Each well referenced chapter presents high quality up to date social group work practice strategies to prepare practitioners for the needs of the growing population of elderly in the near future Group Work and Aging Issues in Practice Research and Education discusses the adaptation of group work practice approaches when working with older group members the use of a Record of Service as an analytical tool in group work with aging lesbians a chronicle of a student s field placement at a drop in center for homeless senior citizens the sociocultural reality of the Asian immigrant elderly residential substance abuse treatment for older adults mutual aid groups for older persons with mental illness the relationship between caregiver support groups and the marker framework of family caregiving telephone caregiver support groups group work interventions with elderly parents of adults with severe mental illness a program for the development and implementation of an intergenerational singing group support groups as an effective therapy at end of life the use of a mutual aid group with home attendants and much more Group Work and Aging Issues in Practice Research and Education reveals the latest examples of good group work practice with aging adults and their support systems perfect for practitioners educators and anyone interested in and or work with older adults      Group Skills in Social Work Sue Henry,1992 Firmly based in social science literature and research this basic practice text provides students with a good practical model of group growth and development that is easily comprehended and applied The second edition is organized as was the original around the concept of skill as knowledge in action with four dimensions of social work knowledge about groups and people in groups interacting and intersecting to dictate worker action to be taken These four dimensions stages and phases of group development contract form in effect role and location of worker vis a vis the group system and program media utilized to enhance group social focus are shown to apply in work with direct service groups as well as in groups beyond direct service training boards committees task groups etc      *Deconstructing Group Work for Human Service Professionals* Dominique Moyse Steinberg,Eileen C. Lyons,2022-11-04 Spotlighting the skills of social group work this handbook offers practical guidance and theoretical knowledge enabling the reader to facilitate groups of varying types with increased clarity purpose and confidence The reader is helped to understand what skill to employ when and why New or veteran group facilitators are reminded to empower group members to both employ their strengths and engage in mutual aid the fundamental value and methodology that underlies social group work Specific skills help group members to coalesce as a cohesive group and optimize their capacity to reach their goals whether exploring therapeutic answers or accomplishing work tasks This book

illustrates that there are basics to the method of human service work with groups that can help you to feel more at ease with and more effective at working with people in groups The group work method is delineated for you outlining 1 skills of working with groups ways of thinking or doing to make things happen 2 practice principles the moral reasoning that underlies what you choose to think and do in your practice and 3 theoretical underpinnings for those choices why your choices will achieve desirable ends Anecdotal material and skills in action provide explicit examples of what skills look like in real time Social work students and academics as well as students and professionals working in the fields of youth work counseling mental health clinical social work and related health subjects will find this book of interest      *Social Work with Groups* Helen Northen, Roselle Kurland, 2001 This fully revised and updated third edition of a classic text includes seven new chapters that reflect the most recent developments in group practice Part of the book's enduring appeal is its vivid depiction of actual group work and the challenges that arise Using an ecosystem approach they set forth a generic framework for practice with diverse groups      *Group Work* Sondra Brandler, Camille P. Roman, 1999 Complete with more games and exercises for group sessions this book also contains excerpts and discussions of case studies that will serve as a valuable reference and may be applied to your own experiences Group Work will help you provide improved services to clients as it discusses effective suggestions and strategies such as gaining an understanding of self or the process by which you identify internal responses to external stimuli created by the group unlocking the underlying meanings themes and needs of a group by examining transference and countertransference issues establishing guidelines structures and goals and purposes for groups and defining your role in achieving these standards and helping you identify and work through feelings of boredom helplessness sadness and anger which are potential barriers to the work of the group BOOK JACKET      *Inclusive Group Work* William Pelech, Robert Basso, Cheryl D. Lee, Maria Gandarilla, 2016 Inclusive Group Work offers an innovative approach to working with intervention groups and task groups by redefining the concept of diversity and reframing core group work concepts Appropriate for both undergraduate and graduate courses this book introduces readers to the foundations of group practice with an emphasis on social justice The book presents diversity as a relational concept that is at the heart of all group interactions Individual identity is complex and in order for all members to be treated equally their individuality must be accepted and respected Using this framework the book discusses the values and ethics of social work with groups explores the stages of group work including planning and presents both basic and advanced skills such as conflict resolution and the use of self Theories are put into practice in three chapters of case studies that show in detail how diversity can be employed as a strength in multiple settings to achieve the wide variety of goals groups pursue Through this new approach students and practitioners alike will learn how to harness diversity to engage and maintain participation in inclusive group processes

**Social Group Work** Gisela Konopka, 1983      *Social Work Practice with Groups* Kenneth E. Reid, 1997 This book provides a unique and compassionate perspective on group social work with a focus on clinical settings In an open and user

friendly style author Kenneth Reid offers practical day to day strategies to help social workers work with people in small groups in a way that is therapeutic growth producing and life enhancing In addition to integrating small groups theory and therapeutic principles Social Work Practice with Groups also offers numerous clinical examples that bring the material alive and into context Notes to Myself vignettes that begin with each chapter and relate the author s experience to the topics in the chapter while they convey a piece of personal and practical wisdom and a focus on the personhood of the group leader which explores how the practitioner s own personality development and life situation are brought into the therapeutic relationship

**Handbook of Social Work with Groups** Charles D. Garvin, Lorraine Margot Gutierrez, Ph.D., A.C.S.W., Maeda J. Galinsky, Lorraine M. Gutierrez, 2004-01-02 The volume s authoritative exploration of theoretical practical and methodological concerns coupled with a clear focus on empowerment and multiculturalism make this an indispensable up to date reference and text

Stories Celebrating Group Work Roselle Kurland, Andrew Malekoff, 2002 Stories Celebrating Group Work It s Not Always Easy to Sit on Your Mouth celebrates the 25th anniversary of the esteemed journal Social Work with Groups with a collection of 21 narratives from group work practitioners and educators These highly personal stories from a range of social workers young and old famous and not so famous reflect each author s development and experience serving as both instruction and inspiration for practitioners and educators This unique collection by turns humorous moving profound and down to earth gets to the heart of what it means to be a member of the social work community Each chapter of Stories Celebrating Group Work draws on its contributor s area of expertise and interest in a specific topic chronicling the development of the author s understanding appreciation and skill Authors address the everyday concerns of social work professionals such as maximizing mutual aid promoting positive norms maintaining authority in group work managing conflict dealing with taboo subjects building a group work culture in a human services organization working with a co leader tapping the strengths of group members and addressing social change The individual stories of working with men women and children suffering through abuse homelessness addiction and teenage pregnancy in places as diverse as East Harlem Maine Canada Nebraska Long Island Haiti Uruguay help form a collegial spirit as group workers gain insight from the theory and practice of those who went before The personal stories you ll find in Stories Celebrating Group Work include How I Became a Social Worker The Power of Group Work with Kids How the Relational Model of Group Work Developed My Love Affair with Stages of Group Development But I Want to Do a Real Group Racial Difference and Human Commonality The Worker Client Relationship and many more Stories Celebrating Group Work It s Not Always Easy to Sit on Your Mouth is a one of a kind collection of stories at once entertaining and educational It s an essential read for beginning and seasoned human services practitioners and educators involved with or interested in working with groups
