Gustavo Gamallo, 2024-02-01 Esta obra presenta un estudio sobre la política social del Estado nacional argentino durante el período democrático actual Se detallan los resultados de un análisis sobre los sistemas nacionales de provisión de los servicios sociales entre los que se incluyen la educación obligatoria la salud el régimen previsional las asignaciones familiares la vivienda social y los programas alimentarios Este pequeño recorrido histórico sirve para exponer la evolución de esta clase de políticas durante el período 1983-2019 y los efectos que generó tanto negativos como positivos en la población argentina Los ensayos reunidos en este libro servirán para repensar las prioridades y las posibilidades relacionadas con las políticas sociales Entendemos que ampliar el debate sobre el futuro de la intervención social del Estado argentino seguramente servirá para que mejore de forma integral y pueda enfrentar más efectivamente las demandas populares que surgen ante los permanentes fracasos económicos **Living and Working in Poverty in Latin America** María Eugenia Rausky, Mariana

Chaves,2018-12-07 This edited volume studies the complex interrelation of poverty work and different stages in the life course and how it contributes to the permanent existence of poverty and inequality in vulnerable groups in society Mechanisms of productions and reproduction of these relationships are identified through empirical research carried out in four Latin American countries Mexico Argentina Brazil and Cuba This book centers on the experiences of individuals in those less favored social groups who may have suffered structural poverty for decades or who may have been simply deprived of a basic income to cover their most essential needs

Pensamiento político y ciencias sociales en América Latina. Un análisis en clave decolonial Aldo Miguel Olano Alor,2019-01-15 Este es un libro sobre la colonialidad del saber en América Latina y en Perú Abarca el período comprendido entre 1900-1980 y propone ubicarla primero en algunas formas de pensamiento social y político que se dieron en el país durante las cuatro primeras décadas del siglo pasado Segundo aquel tipo de colonialidad se hace presente en las disciplinas integrantes de las ciencias sociales cuya inicial institucionalización se tuvo en aquel período logrando eso un fuerte impulso a partir de 1946 con la fundación de las carreras profesionales y la intensa presencia de renovados programas de investigación Pensamiento teorías y disciplinas que el autor ha reunido para integrar la epistemología del occidentalismo por un conjunto de razones teóricas y metodológicas que serán explicadas en los distintos capítulos que integran esta obra

The New Dynamics of Identity Politics in the Americas Olaf Kaltmeier,2017-07-05 Multiculturalism has shaped identity politics in the Americas over the past decades as illustrated by politics of recognition affirmative action and increasing numbers of internationally recognized cultural productions by members of ethnic minorities Hinting at postcolonial legacies in political rhetoric and practice multiculturalism has also served as a driving force behind social movements in the Americas Nevertheless in current academic discussions and public debates on migration globalization and identity politics concepts like new ethnicities ethnic groupism creolization hybridity mestizaje diasporas and post ethnicity articulate positionings that are profoundly changing our understanding of multiculturalism Combining theoretical reflections with case studies the aim of this book is to demonstrate the current dynamics of post multicultural politics in the Americas This book was based on a special issue of Latin American and Caribbean Ethnic Studies

Pushing Boundaries in Social Work Around the World, Vol. 1 Mark

Henrickson, Darla Spence Coffey, 2025-08-02 This book provides examples of how social workers have pushed back against civic and private corporate powers that attempt to control women children racialised and stigmatised groups migrants and indigenous peoples and public policy agendas that continue to vulnerabilise and marginalise people This is the first book of a two volume set that focuses on how authors have pushed boundaries in a particular field of practice research or policy in social work The books are culturally gender and geographically inclusive with contributors from every inhabited continent It

is future focused hopeful and inspiring it focuses on solutions rather than merely elaborating problems The book includes chapters from a continuum of experienced practitioners and early career researchers this provides a nuanced and accessible view of boundaries from both ends of the career path The global definition of social work says that the discipline promotes social change and development social cohesion and the empowerment and liberation of people but in many nations where social work exists social workers are expected to act as agents of social control ensuring that people particularly the poor conform to established political and social norms Most often social workers are initially attracted to the discipline because they want to empower and liberate vulnerabilised and marginalised people and communities In order to accomplish these high minded goals social workers must occasionally push boundaries that confine their practice This volume contains eight chapters from social workers who are pushing social work boundaries in their own social and national settings The contents are organised into two clusters pushing boundaries for women and children and pushing boundaries against isms and stigma Each chapter contains learnings that are applicable in different practice settings around the world Pushing Boundaries in Social Work Around the World Vol 1 Women Children and Isms inspires social workers to push against the boundaries we impose on ourselves and our discipline This book helps social workers rediscover the spark that initially drew them to their work

Desarrollo infantil y prácticas de cuidado Juan Jose Amar Amar, 2015

En la mayoría de los países del mundo la responsabilidad social hacia la niñez es más un discurso que una práctica Cada vez es más común que los niños pasen al menos una parte del día fuera de sus hogares en una escuela infantil en una guardería o en casa de una cuidadora y aunque la diversidad y el número de instituciones es considerablemente significativo la realidad es que estos lugares tienen pocas opciones para ofrecer una atención realmente de calidad a los niños Este libro resultado de más

de veinte años de investigaciones e intervenciones en programas de cuidado dirigidos a la infancia contiene una visión holística del desarrollo de la niñez y describe los muchos y distintos niveles de cuidado para crear programas que logren cambios positivos en especial para los millones de niños y niñas que crecen en circunstancias económicas y sociales adversas
