Carlson,1977      **The Publishers Weekly** ,1911      **Post-communist Studies And Political Science** Jr. Fleron,Erik P Hoffmann,2019-08-15 Serious stock taking is in progress now among practitioners of what has been called Sovietology meaning studies of the Union of Soviet Socialist Republics The reason is that the field for the most part had not been expecting what happened in 1991 The USSR collapsed and went out of existence as a unified state system governing a sixth of the world's territory having allowed its East European empire to free itself from Soviet dominance somewhat earlier It might be said in defense of Sovietology that by the beginning of the 1980s it understood that economic and political crises were brewing in the Soviet Union and its outer empire But the field as a whole failed to grasp the full depth of the systemic crisis in Soviet Russia and the destructive or self-destructive potentialities inherent in it As the editors of this valuable volume write in the Introduction Sovietology was not prepared for perestroika and postcommunism      *American Book Publishing Record* ,1977-03-31 Here's quick access to more than 490 000 titles published from 1970 to 1984 arranged in Dewey sequence with sections for Adult and Juvenile Fiction Author and Title indexes are included and a Subject Guide correlates primary subjects with Dewey and LC classification numbers These cumulative records are available in three separate sets

Theories Of Comparative Political Economy Ronald H Chilcote,2018-02-05 Professor Chilcote has written an extraordinary comprehensive comparison of mainstream liberal views and alternative radical views of history development class government and democracy This book will be extremely valuable to both students and scholars Howard Sherman University of California Riverside Theories of Comparative Political Economy builds on the proposition that the study of politics and economics has evolved into political economy in a number of significant ways and that the new issues and ideas that became prominent in the 1980s and 1990s will carry on into the new millennium This book is a sequel to Chilcote's Theories of Comparative Politics Westview 1981 which was substantially revised and published in a second edition in 1994

*The Cumulative Book Index* ,1912 A world list of books in the English language      *Principle of Interest Politics* Puqu Wang,2022-09-12 The book aims to build a political theory of interest politics by adopting an interest analyzing approach of Marxism to explore the dual characteristics of social interests Based on the logical starting point the book unveils the foundations nature and characteristics of social political life such as political power and political right Then a systematic research is conducted from perspectives of political behavior political system and political culture following the two logical thread lines as political power and right Finally the book sees the analysis of social and political development in accordance with the inter function of political power and political rights caused by the changes and development of social interests It is a

must read book for readers interested in the political theory and political development in China *The Publishers' Trade List Annual*, 1973 **Africa Projected** Timothy M. Shaw, Olajide Aluko, 1985-06-18 This book presents an original and critical overview of Africa's diverse political economies which takes into account contemporary crises current analyses historical insights and projected problems In addition to treating new data it proposes a novel framework for analysis which includes class coalitions as well as contradictions and emphasizes division as well as co operation within the bourgeoisie and proletariat **Communication Theory and Application in Post-Socialist Contexts** Michael R. Finch, Marta N. Lukacovic, Maureen C. Minielli, Sergei A. Samoilenko, 2022-03-14 While the broader field of communication studies is gaining more global prominence this is an era when the underrepresented voices are fortunately becoming more recognized Communication Theory and Application in Post Socialist Contexts illustrates how Eurasia and Central and Eastern Europe the post socialist region represents a population of more than 400 million who embody a wide array of communication experiences This book aims to capture significant communication tendencies in several post socialist countries and situate these tendencies within communication theory and application It contains the examples of theory building and adaptation as well as applied projects implemented in national and local contexts Only by inclusive incorporation of the underrepresented experiences in the field's discussions can the communication discipline continue to assert its relevance in and for the global community This book serves as a resource for anyone on the quest of diversifying and globalizing communication studies

**Handbook of Political Theory** Gerald F Gaus, Chandran Kukathas, 2004-07-15 This volume combines remarkable coverage and distinguished contributors The inclusion of thematic conceptual and historical chapters will make it a valuable resource for scholars as well as students Professor George Klosko Department of Politics University of Virginia This major new Handbook provides a definitive state of the art review to political theory past and present It offers a complete guide to all the main areas and fields of political and philosophical inquiry today by the world's leading theorists The Handbook is divided into five parts which together serve to illustrate the diversity of political theorizing the substantive theories that provide an overarching analysis of the nature or justification of the state and political life the political theories that have been either formulated or resurgent in recent years the current state of the central debates within contemporary political theory the history of western political thought and its interpretations traditions in political thought outside a western perspective The Handbook of Political Theory marks a benchmark publication at the cutting edge of its field It is essential reading for all students and academics of political theory and political philosophy around the world **Dependency and Socialism in the Modern Caribbean** Euclid A. Rose, 2002-01-01 Was the Anglophone Caribbean condemned by its colonial history to permanent conditions of dependency and by Cold War geopolitical realities to international interventionism In Dependency and Socialism in the Modern Caribbean Euclid Rose focuses upon the efforts made by the English speaking Caribbean through case studies that compare and contrast the political economies of Guyana Jamaica and Grenada to break out of the

legacy of colonial dependency and underdevelopment through the implementation of a Caribbean brand of socialism The work considers the Caribbean s adoption of Fabian style socialism as an alternative to capitalist development and how these socialist policies were impacted by differences in infrastructure capacity economic and social resources and political agendas It highlights the pivotal role of race and class and the hitherto little studied impact of religion on the region s political economy Moreover the study calculates the impact of the global economy upon Caribbean socio economic conditions and the ideological geopolitical and strategic implications of the Cold War and the Caribbean s socialist alignment on the nature character and intensity of British and American interventionism in the region A must read for political economists in search of a greater understanding of the postcolonial political economy of the Caribbean and Latin America      **Critiques of**

**Capital in Modern Britain and America** M. Bevir,F. Trentmann,2002-10-28 This book is an innovative collection of essays by a new generation of British and American historians and political theorists Moving beyond a conventional action reaction view of capitalism and its critics the volume explores how critical traditions and beliefs have helped to shape capitalism Chapters follow diverse critiques in Britain and America and explore their Atlantic and imperial exchanges The volume includes chapters on questions of law and property in the Victorian empire traditions of land reform in nineteenth century America and Britain the influence of American romanticism on British socialism the role of Britain in American progressivism American and British consumer protection the evolution of trusteeship and ideas of cosmopolitan democracy the third way and narratives of globalization The editors introduction offers a critical historiographical survey and by stepping beyond the dogmatic opposition between post modernists and empiricists provides a new research agenda for an integrated study of capitalism and its critics      **Junior High School Library Catalog** ,1980      *The National union catalog, 1968-1972* ,1973
