**Proceedings of the International Conference on Law, Economic & Good Governance (IC-LAW 2023)** Abdul Kadir Jaelani,Irwansyah Irwansyah,Fokke Fernhout,Agus Raharjo,Mohd Rizal Palil,Hilaire Tegnán,Okid Parama Astirin,Sutarno Sutarno,Venty Suryanti,Pranoto Pranoto,Robbi Rahim,2024-02-21 This is an open access book The position of Indonesia and most countries in IMF calculations facing the same challenges Each country requires the legal instruments of a good and reliable system of Government to guard against the worst possible economic turmoil Good governance is an insistence of the constitution in the economic Article 33 paragraph 5 subsequently published Constitution Number 30 Year of 2014 on Government Administration contains 17 principles of a good governance One of the important points of the principle is a government without corruption and manipulation of policy concepts in order to provide access to consolidation in politics and economy The latest Transparency International report for 2023 shows that Indonesia s corruption perception index was recorded at 34 points on a scale of 0 100 in 2022 This is a 4 point decrease from the previous year This decline in the CPI also brought down the ranking of Indonesia s CPI globally It was noted that Indonesia s CPI in 2022 ranked 110th In the previous year Indonesia s CPI was ranked 96th globally Good Governance is all aspects related to the control and supervision

of the power of the Government in carrying out its functions through formal and informal institutions To implement the principles of Good Governance and Clean Government the Government must implement the principles of accountability and efficient resource management Good and clean governance will contribute to economic growth and economic growth will have an impact on human development During the last decades of 20th century the needs for a good governance has given some impacts and became a recurring theme in literature related to human development The intervention of government or the quality of government become crucially important in relation to the high achievement of human development Whereas an effort in improving society s welfare is through economic development One of dominant aspects in economic development is through legal development Good law or policy in such country will have some impacts to the existence of good economic growth because supremacy of law is one aspect of a good governance Law supremacy is an important institution which is related to economic growth because rule of law ensures personal safety property rights unbiased contract enforcement stability of politics freedom of speech and control of corruption According to those various issues and debates on economic legal development and good governance then the Doctoral Program of the Faculty of Law Sebelas Maret University needs to hold an international conference as a place in exchanging some academic ideas in order to contributes to those legal issues with a theme INTERNATIONAL CONFERENCE ON LAW ECONOMICS AND GOOD GOVERNANCE

**Intellectuals in Action** Kevin Mattson, 2007-08-09 Born in 1966 a generation removed from the counterculture Kevin Mattson came of political age in the conservative Reagan era In an effort to understand contemporary political ambivalence and the plight of radicalism today Mattson looks back to the ideas that informed the protest social movements and activism of the 1960s To accomplish its historical reconstruction the book combines traditional intellectual biography including thorough archival research with social history to examine a group of intellectuals whose thinking was crucial in the formulation of New Left political theory These include C Wright Mills the popular radical sociologist Paul Goodman a practicing Gestalt therapist and anarcho pacifist William Appleman Williams the historian and famed critic of American empire Arnold Kaufman a radical liberal who deeply influenced the thinking of the SDS The book discusses not only their ideas but also their practices from writing pamphlets and arranging television debates to forming left leaning think tanks and organizing teach ins protesting the Vietnam War Mattson argues that it is this political engagement balanced with a commitment to truth telling that is lacking in our own age of postmodern acquiescence Challenging the standard interpretation of the New Left as inherently in conflict with liberalis Mattson depicts their relationship as more complicated pointing to possibilities for a radical liberalism today Intellectual and social historians as well as general readers either fascinated by the 1960s protest movements or actively seeking an alternative to our contemporary political malais will embrace Mattson s book and its promise to shed new light on a time period known for both its intriguing conflicts and its enduring consequences Engaged Philosophy David Braybrooke, 2007-01-01 David Braybrooke is one of the most important figures in North American philosophy His work in

political philosophy is both prolific and significant and he has contributed to the philosophical corpus books on topics as diverse as utilitarianism natural law and moral objectives Engaged Philosophy is a collection of original essays written in honour of Braybrooke by some of his colleagues and students at Halifax s Dalhousie University     **Directory of Published Proceedings** ,2002     Revolution and War in Contemporary Ukraine Olga Bertelsen,2017-03-28 What are the reasons behind and trajectories of the rapid cultural changes in Ukraine since 2013 This volume highlights the role of the Revolution of Dignity and the Russian Ukrainian war in the formation of Ukrainian civil society the forms of warfare waged by Moscow against Kyiv including information and religious wars Ukrainian and Russian identities and cultural realignment sources of destabilization in Ukraine and beyond memory politics and Russian foreign policies the Kremlin s geopolitical goals in its near abroad and factors determining Ukraine s future and survival in a state of war The studies included in this collection illuminate the growing gap between the political and social systems of Ukraine and Russia The anthology illustrates how the Ukrainian revolution of 2013 2014 Russia s annexation of the Crimean peninsula and its invasion of eastern Ukraine have altered the post Cold War political landscape and with it regional and global power and security dynamics     **Revolutions and the Revolutionary Tradition** David Parker,2002-11-01 Revolutions presents eight European case studies including the English revolution of 1649 the French Revolution and the recent revolutions within the Soviet Union and Eastern Europe 1989 1991 and examines them not only in their specific political economic and social contexts but also as part of the wider European revolutionary tradition A chapter on the American Revolution is also included as a revolution which grew out of European expansionism and political culture Revolutions brings together leading writers on European history who make a major contribution to the controversial debate on the role of revolution in the development of European history This is a truly comparative book which includes discussion on each of the following key themes the causes of revolution including the importance of political social and economic factors the effects of political and philosophical ideas or ideology on the revolution the form and process of a revolution including the importance of violence and popular support the outcome of revolution both short term and long term the way revolution is viewed in history particularly since the collapse of Communism in Europe     *Civil Society and Government Institutions in Armenia* Valentina Gevorgyan,2024-05-09 The book provides an understanding of the three decades of Armenia s young history from the perspective of relations between civil society and government institutions It explores the intricate dynamics between the two entities by explaining the patterns of relations since 1991 to present The book offers a comprehensive exploration for understanding the state society relations and also delves into the historical backdrop of the region Drawing on the latest data the author examines real world practices exemplifying relational variations and the opportunity structures for Armenia to progress by means of its civil society

**The Idea of Communism 3** Alex Taek-Gwang Lee,Slavoj Zizek,2016-07-12 In 2009 Slavoj Zizek brought together an acclaimed group of intellectuals to discuss the continued relevance of communism Unexpectedly the conference attracted an

audience of over 1 000 people The discussion has continued across the world and this book gathers responses from the conference in Seoul It includes the interventions of regular contributors Alain Badiou and Slavoj Žižek as well as work from across Asia notably from Chinese scholar Wang Hui offering regional perspectives on communism in an era of global economic crisis and political upheaval *China's 40 Years of Reform and Development: 1978-2018* Ross Garnaut, Ligang Song, Cai Fang, 2018-07-19 The year 2018 marks 40 years of reform and development in China 1978 2018 This commemorative book assembles some of the world's most prominent scholars on the Chinese economy to reflect on what has been achieved as a result of the economic reform programs and to draw out the key lessons that have been learned by the model of growth and development in China over the preceding four decades This book explores what has happened in the transformation of the Chinese economy in the past 40 years for China itself as well as for the rest of the world and discusses the implications of what will happen next in the context of China's new reform agenda Focusing on the long term development strategy amid various old and new challenges that face the economy this book sets the scene for what the world can expect in China's fifth decade of reform and development A key feature of this book is its comprehensive coverage of the key issues involved in China's economic reform and development Included are discussions of China's 40 years of reform and development in a global perspective the political economy of economic transformation the progress of marketisation and changes in market compatible institutions the reform program for state owned enterprises the financial sector and fiscal system reform and its foreign exchange system reform the progress and challenges in economic rebalancing and the continuing process of China's global integration This book further documents and analyses the development experiences including China's large scale of migration and urbanisation the demographic structural changes the private sector development income distribution land reform and regional development agricultural development and energy and climate change policies **APAIS 1991: Australian public affairs information service**, *The Socialist System* János Kornai, 1992-04-12 This book presents a comprehensive analysis of socialist economics It addresses the reasons for the early successes of socialist systems and the reasons for their gradual breakdown **Economic Reform and Third-World Socialism** Peter Utting, 1992-06-24 Throughout the 1980s major changes in development policy took place in several Third World socialist countries This book examines why this shift from orthodoxy to reform occurred in Mozambique Vietnam and Nicaragua as well as in Cuba during the early 1980s It provides an in depth analysis of the changes which took place in economic and food policy and the nature of the crisis which prompted the reforms It focuses particularly on the role of social forces in shaping the reform process **Establishing Security and Stability in the Wider Black Sea Area** Peter M. E. Volten, Blagovest Tashev, 2007 In this publication possible ways to promote security cooperation in the Wider Black Sea Area are being addressed The area holds major importance for Euro Atlantic security Strategically located at the crossroads of Europe the Middle East and Central Asia the region after the dual NATO EU enlargement in 2004 2007 became part of the

periphery of the common Euro Atlantic security system with critical value for European energy security and the war on terrorism The region faces a variety of security challenges including regional conflicts ethnic strife terrorism and powerful organized crime while many of the countries have weak institutions turbulent political systems unstable economies and lack of democracy In addition the traffic of drugs to the West the steady stream of militancy from the Middle East and the energy lines from the oil and gas rich regions of the East to an energy hungry Europe gradually define the Wider Black Sea Area as a region urgently requiring political attention and investment in its security This publication is intended to provide fresh ideas on the possible areas of security cooperation even as the authors agreed that comprehensive far reaching policies are hard to attain in the near future , *Consistency and Viability of Islamic Economic Systems and the Transition Process* J. Marangos,2013-08-27 Consistency and Viability of Islamic Economics Systems and the Transition Process outlines the transition problem for non market economies and creates an analytic framework for understanding the cause and effect of these economies
