Society in Focus William E. Thompson, Joseph V. Hickey, Mica L. Thompson, 2018-11-13 *Society in Focus* An Introduction to Sociology Ninth Edition emphasizes how society and social forces affect everything from globalization and international policies to day to day activities in our personal lives In this edition the authors go beyond the mere questioning of issues to take a closer look at the social world in which we live They provide an integrated approach that uses sociological thinking to help students analyze and understand key concepts To focus increased attention on sociological thinking and research methods they have chosen four key themes media and technology globalization cultural diversity and trends for the future Because sociology is about all of us and our daily lives it is an eminently practical and useful discipline for understanding our social world This Ninth Edition Includes specific student outcomes for each chapter as well as assessment items linked to those outcomes new chapter opening vignettes that give real life examples illustrating important terms concepts and theories included in that chapter updated data statistics maps charts boxes and tables citing the latest research available examples of the powerful impact of media and technology on society especially the role social media play in helping to shape and define our daily social lives new photos and cartoons accompanied by critical thinking questions that reinforce and illustrate important sociological terms concepts and theories

Society in Focus William Edwin Thompson, 1996 **Society in Focus** William E. Thompson, Joseph V. Hickey, Mica L. Thompson, 2016-04-20 Examining the role of mass media and information technology in contemporary society *Society In Focus* Eighth Edition emphasizes the increasing diversity and globalization of societies everywhere It is designed to help students think clearly and critically about sociological issues concepts and methods Questioning is at the heart of this approach and as students read this book they are encouraged to become part of the sociological enterprise rather than remain passive observers Every element of the text is designed to challenge students to evaluate social issues and guided by the sociological imagination to clearly formulate their own positions By asking questions that demand sociological and creative thought students are reminded that their conclusions and decisions as well as their non decisions and inaction may have important social consequences New to this edition New coauthor Mica Thompson an experienced teacher of introduction to sociology brings a fresh new perspective as well as a wide array of different life experiences to this edition of *Society in Focus* An expanded critical analysis in Chapter 1 introduces all forms of media and technology and every chapter examines an aspect of their powerful social influence Chapters 9 16 and 17 have been updated to include the most recent worldwide financial and economic developments to help explain globalization and cultural diversity Expanded application of feminist theory in every chapter to help students recognize the importance of gender diversity and the contributions of that theoretical perspective in sociology Updated and brand new boxes throughout encourage students to take a closer look at society and selected social issues **Society in Focus—Change, Challenge and Resistance** Lindy Heineken, Heidi Prozesky, 2010-06-09 The chapters in this book

showcase current sociological research as undertaken both by established and budding social scientists in South Africa and Africa The book covers a variety of topical themes the first of which concerns the link between society power and the environment and how competing interests whether these be corporate legal socio ecological or environmentalist relate to each Another theme includes contributions on development democracy and service delivery Workplace change resistance and well being within the agricultural manufacturing mining and the service sector constitute a further central focus The remaining theme addresses the interplay of race class gender and power within the context of specific topics such as HIV AIDS tertiary education and minority groups The collection of work presented in this book reflects a critical stance towards reification of roles highlights contradictions between principles and practices in society and underscores the complexity of societal issues on a broad range of contemporary themes As such the chapters are notable for their empirical richness and methodological pluralism which are of interest to an interdisciplinary audience whether scholars professionals or practitioners
