An Introduction to Sociolinguistics

Sharon K. Deckert, Caroline H.

Vickers, 2011-05-19 This unique work analyzes the crisis in modern society building on the ideas of the Frankfurt School

thinkers Emphasizing social evolution and learning processes it argues that crisis is mediated by social class conflicts and

collective learning the results of which are embodied in constitutional and public law First the work outlines a new

categorical framework of critical theory in which it is conceived as a theory of crisis It shows that the Marxist focus on

economy and on class struggle is too narrow to deal with the range of social conflicts within modern society and posits that a

crisis of legitimization is at the core of all crises It then discusses the dialectic of revolutionary and evolutionary

developmental processes of modern society and its legal system This volume in the *Critical Theory and Contemporary Society*

by a leading scholar in the field provides a new approach to critical theory that will appeal to anyone studying political sociology political theory and law

Sociolinguistics Peter Trudgill, 1983 The way we talk is deeply influenced by our class sex and ethnic background It can also have a profound effect on how we are perceived by others In this fully updated edition of a classic text Peter Trudgill explores the evidence and the huge implications for social and educational policy
