Sociolinguistics A Brief Introduction Newbury House Language Series:

Sociolinguistics Joshua A. Fishman, 1971 **The Prestige Language of Christianity in the Book of Acts** Sung Min Park, 2025-04-07 Researching ancient languages is notoriously difficult in sociolinguistics due to the scarcity of data This challenge is addressed by utilizing recent sociolinguistic theories and models to investigate the prestige languages used by early Christians in Acts Drawing on historical documents archaeology and inscriptions this study reconstructs the complex multilingual settings of the time It reveals how Greek despite the diverse linguistic landscape became the dominant language in nearly all official contexts of early Christianity This work breaks new ground in understanding early Christian communities and their linguistic practices offering historical sociolinguistic approaches to the study of ancient languages and societies

Learning about Linguistics F.C. Stork, J.D.A. Widdowson, 2014-02-03 This book offers a workbook approach to linguistics and provides guidelines for the study of language It aims to give basic information and to indicate something of the background and development of the more important trends in the subject Each chapter includes exercises which lead the reader outwards from the information given in the text A list of suggested further reading and references follows each chapter so that each aspect of the subject may be followed up in greater depth if so desired The book will be of particular use to first year university students and to students in polytechnics technical colleges colleges of education and further education and the authors also hope to many sixth formers in secondary schools It will also be of interest to the general reader who wishes to learn about linguistics **Language and Society in South Asia** Michael C. Shapiro, Harold F.

Schiffman, 2019-11-18 No detailed description available for Language and Society in South Asia Language Loyalty, Language Planning, and Language Revitalization Nancy H. Hornberger, Martin Pütz, 2006-01-01 Joshua Fishman is perhaps best known and loved for his pioneering and enduring work in language loyalty and reversing language shift This volume brings together a selection of his writings on these topics and some of his personal perspectives on the field of sociolinguistics Teaching Foreign Language Skills Wilga M. Rivers, 2018-06-29 Since its original publication in 1968

Rivers's comprehensive and practical text has become a standard reference for both student teachers and veteran instructors All who wish to draw from the most recent thinking in the field will welcome this new edition Methodology is appraised followed up by discussions on such matters as keeping students of differing abilities active evaluating textbooks using language labs creatively and preparing effective exercises and drills The author ends each chapter of this new edition with questions for research and discussion a useful classroom tool and provides an up to date bibliography that facilitates further understanding of such matters as the bilingual classroom The Handbook of Bilingualism Tej K. Bhatia, William C. Ritchie, 2008-04-15 The Handbook of Bilingualism provides state of the art treatments of the central issues that arise in consideration of the phenomena of bilingualism ranging from the representation of the two languages in the bilingual individual's brain to the various forms of bilingual education including the status of bilingualism in each area of the world

Provides state of the art coverage of a wide variety of topics ranging from neuro and psycho linguistic research to studies of media and psychological counseling Includes latest assessment of the global linguistic situation with particular emphasis on those geographical areas which are centers of global conflict and commerce Explores new topics such as global media and mobile and electronic language learning Includes contributions by internationally renowned researchers from different disciplines genders and ethnicities

Critical Perspectives on Language Education Katie Dunworth, Grace Zhang, 2014-07-24 The studies in this volume investigate how multilingual education involves a critical engagement with questions of identity and culture and a movement towards new ways of being and belonging It addresses previously under explored issues in particular the integration of theories like thirdness and practices of language education and maintenance with relevance to the Asia Pacific region The analyses reveal the delicate balance of interests of all stakeholders and offer detailed insights into the reality of multilingual education with specific examples of Chinese English Japanese and Tamil In a globalised world effective language education has become increasingly important and the studies presented here have the potential to inform and advance evidence based multilingual education through adding important dimensions of theoretical exploration and refreshing empirical resources

Investigating English in Europe Andrew Linn, 2016-08-22 This book is an invaluable resource for anyone interested in researching or just learning more about the changing role and status of English across Europe The status of English today is explained in its historical context before the authors present some of the key debates and ideas relating to the challenge English poses for learners teachers and language policy makers

Language Planning and Language Policy Ping Chen, Nanette Gottlieb, 2013-10-11 Examines the major issues of language planning and policy in Japan Mainland China Hong Kong Taiwan Korea and Vietnam particularly those relating to the selection of official language script and written language

Can Threatened Languages be Saved? Joshua A. Fishman, 2001-01-01 Defenders of threatened languages all over the world from advocates of biodiversity to dedicated defenders of their own cultural authenticity are often humbled by the dimensity of the task that they are faced with when the weak and the few seek to find a safe harbour against the ravages of the strong and the many This book provides both practical case studies and theoretical directions from all five continents and advances thereby the collective pursuit of reversing language shift for the greater benefit of cultural democracy everywhere

Language Maintenance and Language Death Karen A. Roesch, 2012 This book provides the first extensive description of Texas Alsatian a critically endangered Texas German dialect as spoken in Medina County in the 21st century The dialect was brought to Texas in the 1840s by colonists recruited by French entrepreneur Henri Castro and has been preserved with minimal change for six generations Texas Alsatian has maintained lexical phonological and morphosyntactic features which differentiate it from the prevalent standard near varieties of Texas German This study both describes its grammatical features and discusses extra linguistic factors contributing to the dialect s preservation or accelerating its decline e g social historical political and

economic factors and speaker attitudes and ideologies linked to cultural identity The work's multi-faceted approach makes it relevant to a broad range of scholars such as dialectologists historical linguists sociolinguists ethnographers and anthropologists interested in language variation and change language and identity immigrant dialects and language maintenance and death *Yugoslav General Linguistics* Milorad Radovanovi?, 1989-01-01 This volume is the first anthology of readings in Yugoslav general linguistics in English It contains twenty contributions by outstanding Yugoslav scholars in such areas as comparative typology and contact linguistics sociolinguistics including such topics as bilingualism multilingualism diglossia language planning language policy translation theory etc psycholinguistics structural generative linguistics phonology morphology syntax and semantics text linguistics pragmatics linguistic semiotics and the philosophy of language science The collection should appeal to linguists of all persuasions and specializations Bilingual and Multilingual Education in the 21st Century Christian Abello-Contesse, Paul M.
