Songs From Your Cheatin Heart The Life S

AN Whitehead

Songs From Your Cheatin Heart The Life S:

The Hank Williams Reader Patrick Huber, Steve Goodson, David Anderson, 2014-01-31 When Hank Williams died on New Year's Day 1953 at the age of twenty nine his passing appeared to bring an abrupt end to a saga of rags to riches success and anguished self destruction As it turned out however an equally gripping story was only just beginning as Williams's meteoric rise to stardom extraordinary musical achievements turbulent personal life and mysterious death all combined to make him an endlessly intriguing historical figure For more than sixty years an ever lengthening parade of journalists family and friends musical contemporaries biographers historians and scholars ordinary fans and novelists have attempted to capture in words the man the artist and the legend The Hank Williams Reader the first book of its kind devoted to this giant of American music collects more than sixty of the most compelling insightful and historically significant of these writings Among them are many pieces that have never been reprinted or that are published here for the first time The selections cover a broad assortment of themes and perspectives ranging from heartfelt reminiscences by Williams's relatives and shocking tabloid exposés to thoughtful meditations by fellow artists and penetrating essays by prominent scholars and critics Over time writers have sought to explain Williams in a variety of ways and in tracing these shifting interpretations this anthology chronicles his cultural transfiguration from star crossed hillbilly singer songwriter to enduring American icon The Hank Williams Reader also features a lengthy interpretive introduction and the most extensive bibliography of Williams related writings ever published

Redneck Liberation David Fillingim, 2003. In this unique book David Fillingim explores country music as a mode of theological expression. Following the lead of James Cone's classic *The Spirituals and the Blues*, Fillingim looks to country music for themes of theological liberation by and for the redneck community. The introduction sets forth the book's methodology and relates it to recent scholarship on country music. Chapter 1 contrasts country music with Southern gospel music, the sacred music of the redneck community as responses to the question of theodicy, which a number of thinkers recognize as the central question of marginalized groups. The next chapter, *The Gospel according to Hank*, outlines the career of Hank Williams and follows that trajectory through the work of other artists whose work illustrates how the tradition negotiates Hank's legacy. *The Apocalypse according to Garth* considers the seismic shifts occurring during country music's popularity boom in the 1980s. Another chapter is dedicated to the women of country music whose honky-tonk feminism parallels and intertwines with mainstream country music, which was dominated by men for most of its history. Written to entertain as well as educate and advance, *Redneck Liberation* will appeal to anyone who is interested in country music, Southern religion, American popular religiosity, or liberation theology.

Atkinson's Evening Post and Philadelphia Saturday News, 1966-05.

Walking the Line Thomas Alan Holmes, Roxanne Harde, 2013-10-09. An insightful and wide-ranging look at one of America's most popular genres of music. *Walking the Line: Country Music Lyricists and American Culture* examines how country songwriters engage with their nation's religion, literature, and politics. Country fans have long encountered the concept of walking the line from Johnny Cash's *I Walk the Line* to Waylon Jennings's *Only Daddy That'll Walk the Line*. Walking the line requires following strict codes, respecting territories, and sometimes recognizing that only the slightest boundary separates conflicting allegiances. However, even as the term acknowledges control, it suggests rebellion: the consideration of what lies on the other side of the line and perhaps the desire to violate that code. For lyricists, the line presents a moment of expression, an opportunity to relate an idea, image, or emotion. These lines represent boundaries of their kind, as well, but as the chapters in this volume indicate, some of the more successful country lyricists have tested and expanded the boundaries as they have challenged musical, social, and political conventions, often reevaluating what country means in country music. From Jimmie Rodgers's redefinitions of democracy to revisions of Southern Christianity by Hank Williams and Willie Nelson, to feminist retellings by Loretta Lynn and Dolly Parton, to masculine reconstructions by Merle Haggard and Cindy Walker, to Steve Earle's reworking of American ideologies, this collection examines how country lyricists walk the line. In weighing the influence of the lyricists' accomplishments, the contributing authors walk the line in turn, exploring iconic country lyrics that have tested and expanded boundaries, challenged musical, social, and political conventions, and reevaluated what country means in country music.
