Songs Roars And Rituals Communication In Birds Mammals And Other Animals:

Songs, Roars, and Rituals Lesley J. Rogers, 2002 Songs, Roars, and Rituals Lesley J. Rogers, Gisela T. Kaplan, 2002

From the calling macaw and the roaring lion to the dancing lyrebird animals all around us can be heard and seen communicating with each other and occasionally with us Why they do so what their utterances mean and how much we know about them are the subject of Songs Roars and Rituals This is a concise yet comprehensive introduction to the complexities of communication in animals Rogers and Kaplan take us on an exciting journey through communication in the animal world offering insights on how animals communicate by sight sound smell touch and even electrical signaling They explore a wide variety of communication patterns in many species of mammals and birds and discuss in detail how communication signals evolved how they are learned and what song and mimicry may mean An up to date account of the science of animal communication this book also considers modern concepts such as that of deceptive communication and modern controversies primarily those surrounding the evolution of human language and the use of symbolic language by apes It concludes with a thought provoking look at the future of communication between humans and animals Eco-Sonic Media Jacob Smith, 2015-06-05 The negative environmental effects of media culture are not often acknowledged the fuel required to keep huge server farms in operation landfills full of high tech junk and the extraction of rare minerals for devices reliant on them are just some of the hidden costs of the contemporary mediascape Eco Sonic Media brings an ecological critique to the history of sound media technologies in order to amplify the environmental undertones in sound studies and turn up the audio in discussions of greening the media By looking at early and neglected forms of sound technology Jacob Smith seeks to create a revisionist ecologically aware history of sound media Delving into the history of pre electronic media like hand cranked gramophones comparatively eco friendly media artifacts such as the shellac discs that preceded the use of petroleum based vinyl early forms of portable technology like divining rods and even the use of songbirds as domestic music machines Smith builds a scaffolding of historical case studies to demonstrate how green media archaeology can make sound studies vibrate at an ecological frequency while opening the ears of eco criticism Throughout this eye opening and timely book he makes readers more aware of the costs and consequences of their personal media consumption by prompting comparisons with non digital non electronic technologies and by offering different ways in which sound media can become eco sonic media In the process he forges interdisciplinary connections opens new avenues of research and poses fresh theoretical questions for scholars and students of media sound studies and contemporary environmental history Aaaaw to Zzzzzd: The Words of Birds John Bevis, 2010-08-20 The distinctive and amazing songs and calls of birds a meditation and a lexicon A miraculous little book a compressed encyclopedia of our fascination with avifauna The Nation A charming funny and eccentric book Times Literary Supplement An elegant tribute to the beauty of its subject Los Angeles Times Birds sing and call sometimes in complex and beautiful arrangements of notes sometimes in one line repetitions that resemble a ringtone more than a

symphony Listening we are stirred transported and even envious of birds ability to produce what Shelley called profuse strains of unpremeditated art And for hundreds of years we have tried to write down what we hear when birds sing Poets have put birdsong in verse Thomas Nashe Cuckoo jug jug pu we to witta woo and ornithologists have transcribed bird sounds more methodically Drawing on this history of bird writing in Aaaaw to Zzzzzd John Bevis offers a lexicon of the words of birds For tourists in Birdland there could be no more charming phrasebook Consulting it we find seven distinct variations of hoo attributed to seven different species of owls from a simple hoo to the more ambitious hoo hoo hoo hoo ho hoo hoo hoo the understated cheet of the tree swallow the resonant kreeaaaaaaaaaar of the Swainson s hawk the modest peep peep peep of the meadow pipit We learn that some people hear the Baltimore oriole saying here here come right here dear and the yellowhammer saying a little bit of bread and no cheese Bevis a poet frames his lexicons one for North America and one for Britain and northern Europe with an evocative appreciation of birds birdsong and human attempts to capture the words of birds in music and poetry He also offers an engaging account of other methods of documenting birdsong field recording graphic notation and mechanical devices including duck calls and the serinette an instrument used to teach song tunes to songbirds The singing of birds is nature at its most sublime and words are our medium for expressing this sublimity Aaaaw to Zzzzzd belongs in the bird lover s backpack and on the word lover s bedside table an unexpected and sui generis pleasure

Ritual, Play, and Belief in Evolution and Early Human Societies Colin Renfrew,Iain Morley,Michael Boyd,2018 This book presents unique new insights into the development of human ritual and society through our heritage of play and performance More Than a Meal Karen Davis,2001 This scholarly and authoritative book examines the cultural and literal history as well as the natural history and biological needs and concerns of turkeys Davis explores how turkeys came to be seen as birds who were not only the epitome of failure or stupidity but also

the suitable centerpiece of the celebration of freedom in America itself Thanksgiving She examines the many varieties of turkeys and uncovers the methods by which millions of turkeys are raised fattened and slaughtered on farms around America today Davis takes us back to European folklore about turkeys the myths fairytales and downright lies told about turkeys and their habits and habitats She shows how turkeys in the wild have complex lives and family units and how they were an integral part of Native American and continental cultures and landscape before the Europeans arrived Finally Davis draws conclusions about our paradoxical complex and bestial relationship not just with turkeys but with all birds and thus with all other animals She examines how our treatment of animals shapes our other values about ourselves our relationship with other human beings and our attitude toward the land nation and the world *The Hidden Powers of Ritual* Bradd

Shore, 2023-12-12 An illuminating overview of the development benefits and importance of ritual in everyday life written by a leading cognitive anthropologist *The Hidden Powers of Ritual* is an engaging introduction to ritual studies that presents ritual as an evolved form of human behavior of almost unimaginable significance to our species Every day across the globe people gather to share meals brew caffeinated beverages or honor their ancestors In this book Bradd Shore a respected anthropologist reaches beyond familiar big R rituals to present life's humbler overshadowed moments exploring everything from the Balinese peleton to baseball to family Zoom sessions in the age of Covid to the sobering reenactment rituals surrounding the Moore's Ford lynchings In each ritual Shore shows how our capacity to ritualize behavior is a remarkable part of the human story Encompassing both the commonly unlabeled interaction rituals studied by sociologists and the symbolically elaborated sacred rituals of religious studies Shore organizes his conception around detailed case studies drawn from international research and personal experience weaving scholarship with a memoir of a life encompassed by ritual A probing exploration that matches breadth with accessibility *The Hidden Powers of Ritual* is a provocative contribution to ritual theory that will appeal to a wide range of readers curious about why these unique repetitive acts matter in our lives
