Translations by MARY HENRIETTA WILSON

all songs collected by MARY HENRIETTA WILSON on the Foully Thule Expedition, 1893-94

Songs Stories Of The Netsilik Eskimos

Terry C. Jones

Songs Stories Of The Netsilik Eskimos:

Music of the Netsilik Eskimo: Volume 1 Beverley Cavanagh,1982-01-01 This study defines the traditional styles and genres of Netsilik Inuit music and examines the extent of change which this music has undergone especially as a result of contact with European and North American music Volume two consists of song transcriptions and commentaries Published in English **Songs and Stories of the Netsilik Eskimos** ,1968 **Traditional Inuit Songs from the Thule Area**

Michael Hauser,2010 Transcriptions and investigations of traditional songs from the Thule Area recorded by Erik Holtved in 1937 and Michael Hauser and Bent Jensen in 1962 Further investigations with music examples of traditional songs from the Uummannaq Upernavik Areas the Baffin Island Areas and the Copper Inuit Areas *Songs and Stories of the Netsilik Eskimos* ,1970 **Eskimo Songs and Stories** ,1973 *Songs and Stories of the Netsilik Eskimos* Edward Field,1960

Encyclopedia of Native American Music of North America Timothy Archambault,Elaine Keillor,John M. H. Kelly,2013-03-27 This book is a one stop reference resource for the vast variety of musical expressions of the First Peoples cultures of North America both past and present Encyclopedia of Native American Music of North America documents the surprisingly varied musical practices among North America s First Peoples both historically and in the modern context It supplies a detailed yet accessible and approachable overview of the substantial contributions and influence of First Peoples that can be appreciated by both native and nonnative audiences regardless of their familiarity with musical theory The entries address how ethnomusicologists with Native American heritage are revolutionizing approaches to the discipline and showcase how musicians with First Peoples heritage are influencing modern musical forms including native flute orchestral string playing gospel and hip hop The work represents a much needed academic study of First Peoples musical cultures a subject that is of growing interest to Native Americans as well as nonnative students and readers **Stories in a New Skin** Keavy Martin,2012-12-15 In an age where southern power holders look north and see only vacant polar landscapes isolated communities and exploitable resources it is important to note that the Inuit homeland encompasses extensive philosophical political and literary traditions Stories in a New Skin is a seminal text that explores these Arctic literary traditions and in the process reveals a pathway into Inuit literary criticism Author Keavy Martin considers writing storytelling and performance from a range of genres and historical periods the classic stories and songs of Inuit oral traditions life writing oral histories and contemporary fiction poetry and film and discusses the ways in which these texts constitute an autonomous literary tradition She draws attention to the interconnection between language form and context and illustrates the capacity of Inuit writers singers and storytellers to instruct diverse audiences in the appreciation of Inuit texts Although Eurowestern academic contexts and literary terminology are a relatively foreign presence in Inuit territory Martin builds on the inherent adaptability and resilience of Inuit genres in order to foster greater southern awareness of a tradition whose audience has remained primarily northern *Musics of Many Cultures* Elizabeth May,2023-07-28 The foremost authorities in the field of

music from around the world have contributed twenty original essays for this volume edited by Elizabeth May Only European musics have been omitted except insofar as they affect other musics discussed here North American music is represented by the musics of the Native Americans and the Alaskan Eskimos The essays are profusely illustrated with maps drawings diagrams photographs and music examples There are extensive glossaries bibliographies and annotated film lists The book is directed to readers seriously interested in acquainting themselves with musics beyond the confines of Western musicology Contributors include Bruno Nettl Kuo huang Han and Lindy Li Mark Kang sook Lee William P Malm David Morton Bonnie C Wade Margaret J Kartomi Adrienne L Kaeppler Trevor A Jones Atta Annan Mensah John Blacking Alfred Kwashie Ladzekpo and Kobla Ladzekpo Cynthia Tse Kimberlin Jozef M Pacholczyk Ella Zonis Abraham A Schwadron David P McAllester Lorraine D Koranda and Dale A Olsen Please note this book was originally published with records The edition available now does not include the records We are hoping to make the original recordings available in some other way The foremost authorities in the field of music from around the world have contributed twenty original essays for this volume edited by Elizabeth May Only European musics have been omitted except insofar as they affect other musics discussed here North

Effects of acculturation on Eskimo music of Cumberland Peninsula Maija M. Lutz, 1978-01-01 A cultural and historical examination of the musical traditions of the Baffin Island Inuit of Cumberland Peninsula Published in English **Work Songs** Ted Gioia, 2006-04-13 The place of music in different forms of work from the earliest hunting and planting to the contemporary office Soulcraft Bill Plotkin, 2010-10-05 Since 1980 depth psychologist Bill Plotkin has been guiding women and men into the wilderness the redrock canyons and snow crested mountains of the American West but also into the wilds of the soul He calls this work soulcraft There s a great longing in all people to uncover the secrets and mysteries of our individual lives to find the unique gift we were born to bring to our communities and to experience our full membership in the more than human world This journey to soul is a descent into layers of the self much deeper than personality a journey meant for each one of us not just for the heroes and heroines of mythology A modern handbook for the journey Soulcraft is not an imitation of indigenous ways but a contemporary nature based approach born from wilderness experience the traditions of Western culture and the cross cultural heritage of all humanity Filled with stories poems and guidelines Soulcraft introduces over 40 practices that facilitate the descent to soul including dreamwork wilderness vision fasts talking across the species boundaries council self designed ceremony nature based shadow work and the arts of romance being lost and storytelling An Annotated Bibliography of Inuit Art Richard C. Crandall, Susan M. Crandall, 2015-07-25 Archaeological digs have turned up sculptures in Inuit lands that are thousands of years old but Inuit art as it is known today only dates back to the beginning of the 1900s Early art was traditionally produced from soft materials such as whalebone and tools and objects were also fashioned out of stone bone and ivory because these materials were readily available The Inuit people are known not just for their sculpture but for their graphic art as well the most prominent forms being lithographs and stonecuts

This work affords easy access to information to those interested in any type of Inuit art There are annotated entries on over 3 761 articles books catalogues government documents and other publications *Toward a Holy Ecology* Ellen Bernstein,2024-02-20 The Song of Songs is among the most accessible of all biblical books It is also the most deeply ecological text of the canon yet few people are aware of the Song s ecological message The intention of *Toward a Holy Ecology* Reading the Song of Songs in the Age of Climate Crisis is to illuminate that message Today there is such urgency around our many earth crises so much brokenness that we need a vision of wholeness and an ecological language that can help inspire soothe and reinvigorate us and bring us together regardless of our various affiliations and ideologies The Song offers both ecological language and a vision It sets the natural world before us with intensity and beauty bidding us to savor it with all of our senses so that we may return to the world with the renewed clarity love and energy necessary to work toward a healthy future for the earth and all her inhabitants The Song is a particularly powerful book since it never utters the name of the divine yet is a deeply spiritual work that may reach people who are interested in matters of the sacred but prefer to steer clear of God language and conventional religious ideas In both the Jewish and Christian worlds where many people are disengaging from religion altogether the Song with its universal themes of love justice and the integrity of nature may help open the door to the possibilities which religion has to offer *Toward a Holy Ecology* Reading the Song of Songs in an Age of Climate Crisis seeks to engage a wide readership including all people who love the earth and its inhabitants outdoor enthusiasts spiritual seekers poets feminists and students of the humanities religion and ecology *Creatures of Cain* Erika Lorraine Milam,2018-12-11 How Cold War America came to attribute human evolutionary success to our species unique capacity for murder After World War II the question of how to define a universal human nature took on new urgency *Creatures of Cain* charts the rise and precipitous fall in Cold War America of a theory that attributed man s evolutionary success to his unique capacity for murder Drawing on a wealth of archival materials and in depth interviews Erika Lorraine Milam reveals how the scientists who advanced this killer ape theory capitalized on an expanding postwar market in intellectual paperbacks and widespread faith in the power of science to solve humanity s problems even to answer the most fundamental questions of human identity The killer ape theory spread quickly from colloquial science publications to late night television classrooms political debates and Hollywood films Behind the scenes however scientists were sharply divided their disagreements centering squarely on questions of race and gender Then in the 1970s the theory unraveled altogether when primatologists discovered that chimpanzees also kill members of their own species While the discovery brought an end to definitions of human exceptionalism delineated by violence Milam shows how some evolutionists began to argue for a shared chimpanzee human history of aggression even as other scientists discredited such theories as sloppy popularizations A wide ranging account of a compelling episode in American science *Creatures of Cain* argues that the legacy of the killer ape persists today in the conviction that science can resolve the essential dilemmas of human nature *Library of Congress*
