A Selection of Spiritual Songs: With Music, for the Sunday-School Charles Seymour Robinson, 2023-10-05 Reprint of the original first published in 1880 *Alfreda Holme* Elisabeth Boyd Bayly, 1882 **Music of the Wild** Gene Stratton-Porter, 1911 **The threefold mystery: hints on the Song of songs, viewed as a prophecy of the double united Church of Jew and Gentile, by the author of 'The gathered lily'.**, 1869 **The New Negro Aesthetic** Alain Locke, 2022-01-18 Pulitzer Prize winning biographer edits a collection of Alain Locke's influential essays on the importance of

the Black artist and the Black imagination A Penguin Classic For months the philosopher Alain Locke wrestled with the idea of the Negro as America's most vexing problem He asked how shall Negroes think of themselves as he considered the new crop of poets novelists and short story writers who in 1924 wrote about their experiences as Black people in America He did not want to frame Harlem and Black writing as yet another protest against racism nor did he want to focus on the sociological perspective on the Negro problem and Harlem as a site of crime poverty and dysfunction He wanted to find new language and a new way for Black people to think of themselves The essays and articles collected in this volume by Locke's Pulitzer Prize winning biographer are the result of that new attitude and the struggle to instill the New Negro aesthetics as Stewart calls it here into the mind of the twentieth century To be a New Negro poet novelist actor musician dancer or filmmaker was to commit oneself to an arc of self discovery of what and who the Negro was would be without fear that one would disappoint the white or Black bystander In committing to that path Locke asserted one would uncover a being in the world that was rich and bountiful in its creative possibilities if Black people could turn off the noise of racism and see themselves for who they really are a world of creative people who have transformed powerfully and perpetually the culture of wherever history or social forces landed them
