Songs From Nowhere Near The Heart:

Songs from Nowhere Near the Heart Jon Baird, 2025-09-23 In the dark overlap between music and industry there dwells a group of people whose lives and dealings are every bit as commonplace and fantastic as high flung and ridiculous as noble and sordid as the stories they inspire Don Ross and Chavez comprise Seventeen Neil Mika Darcy and Darren make up Limna One is a hard working club band committed to a music first agenda and convinced by wily manager Deedee Vanian that this is indeed the road they're on The other is an unapologetically commercial construct pieced together and driven into the market by professional hitmakers and by manager Annika Guttkuhn herself a discovery and protegee of Deedee's Competing for the same recording contract the two acts are combined on a single bill and booked for a string of appearances from New England to Florida But who has orchestrated the ill fated trip and why How far can Annika push her act armed with nothing but an imaginary following and her trumped up press releases And why should Don from Seventeen be her chief coconspirator *Songs from Nowhere Near the Heart* presents an unforgettable and richly textured cast of characters each trying to outwit and outflank the others for reasons and with results that won't become entirely clear before a final hilarious sequence of events in rural Florida
